DEFINITIONS AND INTERPRETATIONS

Each term or phrase used in this Agreement in which the first letter of such word is capitalized has the meaning set forth in the attached Appendix 1, unless the context in which such term or phrase is used in this Agreement clearly indicates otherwise.

ARTICLE 1. RECITALS

A. Acting pursuant to Section 2267.052 of the Texas Government Code and through Ordinance No. 2012-11-01-0856, the City adopted certain Public-Private Partnership Guidelines (the “*P3 Guidelines*”) that establish procedures under which the City may solicit, receive, review and enter into public-private partnerships involving “qualifying projects” (as defined in Section 2267.001 of the Texas Government Code).

B. The P3 Guidelines allow for the submission to the City of unsolicited proposals for qualifying projects.

C. Weston Urban and Frost submitted to the City a certain Pre-Proposal Letter dated June 25, 2014 under Section IV(A) of the P3 Guidelines (the “*Pre-Proposal Letter*”).

D. The Pre-Proposal Letter described a proposed collaboration between the City, Weston Urban and Frost that would (i) make available to the City a downtown high-rise office building adjacent to City Hall; (ii) allow for the development of a new Class A office tower in downtown San Antonio; and (iii) further the City’s goals of increasing downtown housing and employment through the redevelopment and improvement of real property currently owned by the City and Frost.

E. Following receipt of the Pre-Proposal Letter and pursuant to Section IV(A) of the P3 Guidelines, the City invited Weston Urban and Frost to submit a Detailed Proposal for the project described in the Pre-Proposal Letter.

F. Weston Urban and Frost submitted a Detailed Proposal to the City on August 8, 2014 providing further detail regarding the project described in the Pre-Proposal Letter (the “**Detailed Proposal**”).

G. The Detailed Proposal contemplated (i) the conveyance of the Existing Frost Facilities (as defined herein) from Frost to the City, (ii) the development of the New Tower (as defined herein) by Weston Urban, and (iii) the conveyance of certain City Real Estate (as defined herein) from the City to Weston Urban for redevelopment along with certain Additional Frost Properties (as defined herein) to be acquired from Frost (collectively, the “**Project**”).

H. Following receipt of the Detailed Proposal and in accordance with Section 2267.066 of the Texas Government Code and Section VI(A) of the P3 Guidelines, the City made the Detailed Proposal available on the City’s website on August 18, 2014 and provided notice that it would accept for simultaneous consideration any competing proposals that comply with the P3 Guidelines.

I. The City received one competing proposal in response to its request for competing proposals before the October 17, 2014 deadline established by the City for submission of competing proposals.

J. The Oversight Committee created by the City under the P3 Guidelines reviewed and evaluated the Detailed Proposal and the competing proposal in accordance with Article V of the P3 Guidelines.

K. The Oversight Committee reviewed the Detailed Proposal and the competing proposal in accordance with Article V of the P3 Guidelines, and issued its recommendation to the City Council that the City pursue negotiation of a Comprehensive Development Agreement with Weston Urban and Frost to implement the Project based on the Detailed Proposal.

L. The City, Weston Urban and Frost have negotiated this Agreement and the Ancillary Agreements (as defined below) for purposes of implementing the Project.

M. This Agreement serves as the “comprehensive agreement” for the Project for purposes of Chapter 2267 of the Texas Government Code and the P3 Guidelines.

N. In accordance with Section 2267.066(e) of the Texas Government Code, the City has made a copy of this Agreement available on its website for public review and inspection.

O. In accordance with Section 2267.066(d) and 2267.066(e-1) of the Texas Government Code, the City held a public hearing on the final version of this Agreement on May

28, 2015, and this hearing was held after the copy of this Agreement was made available on the City's website and at least thirty (30) days before the Effective Date of this Agreement.

P. The City Council approved and authorized this Agreement and the Ancillary Agreements through the Authorizing Ordinance (as defined below).

Q. Pursuant to Section 2267.053(b-2) of the Texas Government Code, the City hereby declares that the Project as set forth in this Agreement and the Ancillary Agreements will serve the following public purposes: (i) enable the City to consolidate offices and employees in the Existing Frost Facilities, which are conveniently located adjacent to City Hall and provide for adequate parking, (ii) provide a cost benefit to the City through the consolidation of offices and employees in the Existing Frost Facilities, (iii) further economic development in the City through the development of the New Tower and the additional development to occur on the City Real Estate and the Additional Frost Properties, (iv) further the City's job retention and downtown development goals, and (v) enhance the City's property tax base through development of the New Tower and the additional development to occur on the City Real Estate and the Additional Frost Properties.

R. Pursuant to Section 2267.053(c) of the Texas Government Code, the City has determined that the Project as set forth in this Agreement and the Ancillary Agreements serves the public purposes of Chapter 2267 of the Texas Government Code due to (i) there being a public benefit to be derived from the Project as described in the preceding recital, (ii) the City having determined that the cost of acquiring the Existing Frost Facilities and incentivizing the other components of the Project are reasonable in relation to the costs required for similar facilities or projects, and (iii) the Project as set forth in this Agreement and the Ancillary Agreements providing for the timely development and delivery of the Existing Frost Facilities, the New Tower and the other components of the Project.

NOW, THEREFORE, for and in consideration of the mutual obligations of the Parties set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

ARTICLE 2. THE NEW TOWER

Section 2.01 Pre-Construction Phase

A. The time between the Effective Date of this Agreement and the date that Weston Urban delivers its Closing Notice to the City and Frost is referred to herein sometimes as the “**Pre-Construction Phase**.” During the Pre-Construction Phase, Weston Urban shall use commercially reasonable, good faith and diligent efforts, to satisfy the following contingencies for the construction of the New Tower, all on terms, conditions and provisions acceptable to Weston Urban in its reasonable good faith discretion (collectively, the “**Weston Urban Closing Conditions**”): (i) finalizing the plans and specifications for the New Tower; (ii) obtaining firm commitments for all financing (including equity and debt) required for the New Tower; (iii) entering into the New Frost Lease; (iv) entering into the construction contract for the New Tower at a price reasonably acceptable to Weston Urban; (v) determining that all Permits reasonably required by Weston Urban and necessary to construct the New Tower will be timely issued and obtained by Weston Urban; and (vi) entering into an agreement pursuant to which Weston Urban will be reimbursed through the Houston Street TIRZ for public infrastructure enhancements that are required in connection with the New Tower (the “**Infrastructure Agreement**”).

B. At such time as Weston Urban determines that all Weston Urban Closing Conditions have been satisfied and that Weston Urban is prepared to commence construction of the New Tower, Weston Urban shall deliver written notice to the City and Frost (the “**Closing Notice**”) setting forth an anticipated New Tower Closing Date such that the City and Frost will be prepared to close on the conveyance of the Existing Frost Facilities from Frost to the City on the Existing Tower Closing Date; *provided, however*, in no event may the New Tower Closing Date designated by Weston Urban be sooner than sixty (60) days or later than ninety (90) days from the date of the Closing Notice unless other dates are mutually agreed to by the Parties. As a courtesy, Weston Urban shall provide the City and Frost with a “Pre-Closing Notice” signaling its expectation that the Closing Notice will be issued by an approximate date not less than thirty (30) days following the date upon which such “Pre-Closing Notice” is given. If for any reason the Closing Notice is not issued within twenty-four (24) months following the Effective Date of this Agreement, subject to extensions for any delays caused by Force Majeure and any delays caused by the City or Frost, then the City or Frost may deliver written notice to Weston Urban requiring

that Weston Urban elect within five (5) business days of receipt of such notice to either (i) terminate this Agreement pursuant to Section 6.04, or (ii) schedule the New Tower Closing Date on a date not more than ninety (90) days from the date such notice is received by Weston Urban or such longer period as the Parties may mutually agree upon with the City Manager acting on behalf of the City (the “**Outside Closing Deadline**”). If the New Tower Closing Date does not occur on or before the Outside Closing Deadline, then either the City or Frost may terminate this Agreement pursuant to Section 6.03 below. In addition, if Weston Urban determines that construction of the New Tower is not feasible at any point during the Pre-Construction Phase, then Weston Urban may terminate this Agreement pursuant to Section 6.04 below.

C. Additionally, Weston Urban shall notify Frost and the City in writing upon completion and satisfaction of each of the following as they occur (collectively, the “**Initial Closing Conditions**”): (i) it and Frost having entered into the New Frost Lease, (ii) it having finalized a schematic architectural design for the New Tower, and (iii) it having received a lender commitment letter for the construction loan for the New Tower. If Weston Urban has not delivered notice of the completion and satisfaction of the Initial Closing Conditions within twelve (12) months following the Effective Date of this Agreement, subject to extensions for any delays caused by Force Majeure and subject to any extensions that may be mutually agreed upon between the Parties with the City Manager acting on behalf of the City, then either the City or Frost may deliver written notice to Weston Urban requiring that such conditions be satisfied within sixty (60) days from the date such notice is received or deemed received by Weston Urban or such longer period as the Parties may mutually agree upon with the City Manager acting on behalf of the City (the “**Initial Conditions Deadline**”). If the Initial Closing Conditions have not been completed and satisfied prior to the Initial Conditions Deadline, then either the City or Frost shall have the option of terminating this Agreement pursuant to Section 6.03 below.

D. In the event that (i) an Infrastructure Agreement has not been agreed to by the applicable parties, in form and substance acceptable to Weston Urban in its sole discretion, on or before August 31, 2015, subject to extension until November 2, 2015 by the City, with the City Manager acting on behalf of the City delivering written notice of such extension to Weston Urban or (ii) the City does not appropriate funds for the fee waivers provided for under the Tower Economic Development Agreement on or before November 2, 2015 ((i) and (ii) collectively

referred to herein as the “**Primary Governmental Approval Conditions**”), then Weston Urban shall have the option of terminating this Agreement pursuant to Section 6.05A below.

E. In the event that (i) Weston Urban is unable to obtain, or satisfy itself that it will be able to obtain any Permit required in connection with the New Tower on or before the end of the Pre-Construction Phase, or (ii) the City does not agree to grant a construction staging license agreement granting Weston Urban the right to use, during a temporary closure period, Camaron Street between Houston Street and Travis Street for construction staging during construction of the New Tower ((i) and (ii) collectively referred to herein as the “**Ancillary Governmental Approval Conditions**”), then Weston Urban shall have the option of terminating this Agreement pursuant to Section 6.05B below.

Section 2.02 Construction of the New Tower

As soon as practicable following the Existing Tower Closing Date (as may be extended), Weston Urban shall commence construction on the New Tower and thereafter diligently and continuously (subject to Force Majeure) construct the New Tower to completion in accordance with all Applicable Laws and achieve Substantial Completion of the New Tower within thirty-six (36) months following the Existing Tower Closing Date (as may be extended). The date upon which Substantial Completion of the New Tower is achieved is referred to herein sometimes as the “**Tower Completion Date**.” If the Tower Completion Date has not occurred within thirty-six (36) months following the Existing Tower Closing Date (as may be extended), subject to extensions for any delays caused by Force Majeure or the City and subject to any extensions that may be granted by the City Manager, then the City may deliver written notice to Weston Urban requiring that the Tower Completion Date occur within one hundred eighty (180) days or such longer period as the City Manager may elect to grant (the “**Outside Tower Completion Deadline**”). If the Tower Completion Date has not occurred on or before the Outside Tower Completion Deadline and Frost elects to terminate the New Frost Lease, then the City and Frost shall have the option of terminating this Agreement pursuant to Section 6.09 below unless construction on the New Tower is in progress as of the Outside Tower Completion Deadline in which event the Outside Tower Completion Deadline shall be automatically extended until such time as the New Tower may be completed assuming Weston Urban continues to diligently and continuously proceed with the construction of the New Tower, subject to Force Majeure, but in no event later than sixty (60)

months following the Existing Tower Closing Date (as may be extended). If the Tower Completion Date has not occurred within sixty (60) months following the Existing Tower Closing Date (as may be extended) and Frost elects to terminate the New Frost Lease, then the City and Frost each shall have the option of terminating this Agreement pursuant to Section 6.09 below.

Section 2.03 Fee Waivers and Infrastructure Assistance

Contemporaneously with the execution of this Agreement, the City and Weston Urban are executing that certain Tower Economic Development Agreement attached hereto as **Exhibit “A”** (the “***Tower Economic Development Agreement***”) pertaining to the development of the New Tower. The Tower Economic Development Agreement provides for (i) waiver of certain fees or charges that would otherwise be levied by the City in connection with land development and construction, (ii) waiver of certain impact fees otherwise payable by Weston Urban in connection with construction of the New Tower, and (iii) waiver of certain City fees that would otherwise be levied in connection with temporary closure of rights-of-way (including sidewalks, alleys or roadways) as may be required during construction of the New Tower.

Section 2.04 New Tower Closing

On the New Tower Closing Date, Weston Urban shall (a) close on a construction loan for the New Tower (the “***Construction Loan***”), and (b) acquire the New Tower Property from Frost pursuant to a separate real estate contract to be negotiated between Weston Urban and Frost (the “***New Tower Property Contract***”). The closing of the Construction Loan and the acquisition of the New Tower Property by Weston Urban (collectively, the “***New Tower Closing Obligations***”) shall be conditions to Frost’s obligation to convey the Existing Frost Facilities to the City pursuant to the Existing Tower Contract on the Existing Tower Closing Date. If either of the New Tower Closing Obligations are not satisfied on the scheduled New Tower Closing Date, then the New Tower Closing Date shall be delayed for up to thirty (30) days (such period being the cure period for the default arising out of the failure of Weston Urban or Frost, as the case may be, to perform on the New Tower Closing Date). If the initial failure to satisfy the New Tower Closing Obligations is caused by a default by Weston Urban under the New Tower Property Contract or the Construction Loan, and such New Tower Closing Obligations are not satisfied within such thirty (30) day cure period (except due to a default by Frost under this Agreement, the New Tower

Property Contract, or in relation to the Construction Loan should Frost be the construction lender for the New Tower, or by a default by the City under this Agreement or under any Ancillary Agreement), then Frost or the City shall be entitled to terminate this Agreement pursuant to Section 6.07 below. If the initial failure to satisfy the New Tower Closing Obligations is caused by a default by Frost under the New Tower Property Contract or the Construction Loan should Frost be the construction lender for the New Tower, and such New Tower Closing Obligations are not satisfied within such thirty (30) day cure period (except due to a default by Weston Urban under this Agreement, the New Tower Property Contract, or in relation to the Construction Loan, or by a default by the City under this Agreement or under any Ancillary Agreement), then Weston Urban or the City shall be entitled to terminate this Agreement pursuant to Section 6.08 below; provided, however, that if Weston Urban files an action seeking specific performance under the contract for purchase of the New Tower Property within such thirty (30) day period, then the City may not exercise such termination right so long as Weston Urban is pursuing such action for specific performance and all deadlines under this Agreement shall be tolled during the pendency of such action for specific performance.

ARTICLE 3. EXISTING FROST TOWER

Section 3.01 Existing Tower Contract

The conveyance of the Existing Frost Facilities from Frost to the City will be under the terms, conditions and provisions set forth in that certain Agreement of Sale and Purchase attached hereto as **Exhibit “B”** (the “*Existing Tower Contract*”), which is incorporated herein by reference and is being executed contemporaneously with this Agreement; provided, however, that in the event of any conflict between the provisions of this Agreement and the Existing Tower Contract, the provisions of this Agreement shall control. Notwithstanding any other provision contained in this Agreement or in the Existing Tower Contract, the Parties acknowledge that neither Frost nor the City shall have any right to terminate the Existing Tower Contract except as expressly set forth in this Agreement and that the Existing Tower Contract may not be amended in a manner that provides either the City or Frost with a termination right thereunder unless Weston Urban consents, in its sole discretion, to such an amendment.

Section 3.02 Existing Tower Closing

In the event that the City fails to deliver the Purchase Price (including payment of the Prepaid Purchase Price Portion to Frost on the Existing Tower Closing Date) for the Existing Frost Facilities on the Existing Tower Closing Date or perform any other actions required for its closing on the purchase of the Existing Frost Facilities, then the Existing Tower Closing Date shall be delayed for up to ten (10) days. If the City is unable to close on the purchase of the Existing Frost Facilities within such ten (10) day period, then Frost and Weston Urban shall be entitled to terminate this Agreement pursuant to Section 6.06A below.

Section 3.03 Purchase Price

The Purchase Price to be paid by the City to Frost for the Existing Frost Facilities shall be \$51,000,000.00, which is equal to the amount that the City and Frost have mutually agreed to be the fair market value of the Existing Frost Facilities. Because the City has not designated from lawfully-available funds on hand or funds to which it has immediate access as a source of payment of the Purchase Price, the City’s obligation to pay the balance of the Purchase Price, after payment of the Prepaid Purchase Price Portion to Frost, on the Existing Tower Closing Date shall be subject to and conditioned on the City’s ability to issue the Bonds (as evidenced by payment of purchase proceeds therefor versus delivery of such Bonds); provided, however, that in the event the City does not issue the Bonds or otherwise make available a source of payment of the Purchase Price, then Frost and Weston Urban shall be entitled to terminate this Agreement pursuant to Section 6.06A below.

Section 3.04 Condition of Existing Frost Facilities

Prior to the Effective Date, the City has conducted a complete inspection of the Existing Frost Facilities, and the Purchase Price set forth in Section 3.03 has been agreed to by the City and

Section 3.06 Master Lease

On the Existing Tower Closing Date (as may be extended), the City and Frost shall enter into that certain Master Lease Agreement attached hereto as **Exhibit “C”** (the “*Existing Tower Master Lease*”) pursuant to which Frost will lease back the Existing Frost Facilities from the City until such time as the New Tower has been completed and Frost has vacated the Existing Frost Facilities in accordance with the terms, conditions and provisions of the Existing Tower Master Lease.

Section 3.07 Lease Concessions

As partial consideration from Frost for the City’s participation in the Project and its acquisition of the Existing Frost Facilities, the following is being memorialized in that certain Lease Amendment being entered into by Frost and the City on or about the Effective Date, in the form attached hereto as **Exhibit “L”** (the “*City Lease Amendment*”), which amends the City’s existing lease agreement with Frost pursuant to which the City occupies the 19th floor of the Existing Frost Tower as follows:

(a) Upon closing the purchase of the Existing Frost Facilities, the City’s rent for the currently occupied space in the Existing Frost Tower shall be reduced to operating expenses only, estimated to be \$8.00 per rentable foot, with base rental being \$0.00.

(b) Commencing on the Existing Tower Closing Date (as may be extended) and continuing thereafter until the expiration or earlier termination of the Existing Tower Master Lease, the City will have the option to lease and occupy the 18th floor of the Existing Frost Tower, the training room, and other space in the Existing Frost Facilities as such space becomes vacant and available for lease to third parties at no cost (i.e., no rent or operating costs) to the City; provided, however, the City will be responsible for all finish out expenses required for the use and occupancy of those spaces.

(c) As more thoroughly described in the City Lease Amendment, in the event that the Existing Tower Master Lease is terminated and Frost repurchases the Existing Frost Facilities and the City occupies space in the 18th floor, the training room or elsewhere in the Existing Frost Facilities under the terms of the City Lease Amendment at the time the Existing Tower Master Lease is terminated and Frost repurchases the Existing Frost Facilities, then (a) the rental for such space shall be adjusted to fair market value on that date, and (b) for thirty (30) days thereafter the City shall have the option to extend the terms of the lease of those various spaces, at its election, for up to three (3) years, on a space by space basis, by providing written notice of such extension to Frost.

The execution of this Agreement or the Ancillary Agreements by Weston Urban does not require any consent or approval which has not been obtained.

C. Enforceable Obligations. Assuming due authorization, execution and delivery by each signatory party hereto and thereto, this Agreement, the Ancillary Agreements to which Weston Urban is a party and all obligations of Weston Urban hereunder and thereunder are enforceable against Weston Urban in accordance with their terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditor's rights generally and by general equity principles (regardless of whether such enforcement is considered in a proceeding in equity or at law).

D. No Legal Bar. The execution and delivery of this Agreement and the Ancillary Agreements to which Weston Urban is a party and the performance of its obligations hereunder and thereunder by Weston Urban will not conflict with any provision of any Applicable Laws to which Weston Urban is subject or conflict with, or result in a breach of, or constitute a default under any of the terms, conditions or provisions of any agreement or instrument to which Weston Urban is a party or by which it is bound or any order or decree applicable to Weston Urban.

E. Litigation. There are no legal actions or proceedings pending or, to the knowledge of Weston Urban, threatened against Weston Urban which, if adversely determined, would materially and adversely affect the financial condition, business or prospects of Weston Urban or its ability to fulfill its obligations under this Agreement or the Ancillary Agreements.

F. Knowledge. Weston Urban has no knowledge of any facts or circumstances which presently evidence, or with the passage of time would evidence, that any of the representations made by Weston Urban under this Agreement are in any way inaccurate, incomplete or misleading. As used herein, "knowledge" with respect to Weston Urban means the current actual knowledge of Randal Smith with no duty of investigation being imposed on him and without the knowledge of any other person being imputed to him.

Section 5.02 By Frost

Frost hereby makes the following representations, warranties and covenants to the City and Weston Urban as of the Effective Date:

Frost has provided to City and Weston Urban, on or prior to the Effective Date, a certified copy of a resolution of its board of directors authorizing Frost's execution of this Agreement and the Ancillary Agreements through the undersigned representative, together with documents evidencing Frost's good standing in the State of Texas. Frost has all requisite corporate power to perform all of its obligations under this Agreement and the Ancillary Agreements. The execution of this Agreement or the Ancillary Agreements by Frost does not require any consent or approval which has not been obtained.

C. Enforceable Obligations. Assuming due authorization, execution and delivery by each signatory party hereto and thereto, this Agreement and the Ancillary Agreements to which Frost is a party and all obligations of Frost hereunder and thereunder are enforceable against Frost in accordance with their terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditor's rights generally and by general equity principles (regardless of whether such enforcement is considered in a proceeding in equity or at law).

D. No Legal Bar. The execution and delivery of this Agreement and the Ancillary Agreements to which Frost is a party and the performance of its obligations hereunder and thereunder by Frost will not conflict with any provision of any Applicable Laws to which Frost is subject or conflict with, or result in a breach of, or constitute a default under any of the terms, conditions or provisions of any agreement or instrument to which Frost is a party or by which it is bound or any order or decree applicable to Frost.

E. Litigation. There are no legal actions or proceedings pending or, to the knowledge of Frost, threatened against Frost which, if adversely determined, would materially and adversely

affect the financial condition, business or prospects of Frost or its ability to fulfill its obligations under this Agreement or the Ancillary Agreements.

F. Knowledge. Frost has no knowledge of any facts or circumstances which presently evidence, or with the passage of time would evidence, that any of the representations made by Frost under this Agreement are in any way inaccurate, incomplete or misleading. As used herein, “knowledge” with respect to Frost means the current actual knowledge of Stanley E. McCormick, Robert Goudge and John D. Wittenberg, Jr. with no duty of investigation being imposed on any of them and without the knowledge of any other person being imputed to any of them.

Section 5.03 By the City

The City hereby makes the following representations and covenants to and with Weston Urban and Frost as of the Effective Date unless another date is expressly stated to apply:

A. Existence. The City is a municipal corporation and home rule city of the State of Texas principally situated in Bexar County.

B. Power and Authority. The City has all requisite municipal corporate power and authority to enter into this Agreement and the Ancillary Agreements, and subject to the provisions of Section 8.19, perform all of its obligations hereunder and thereunder. The execution and performance by the City of this Agreement and the Ancillary Agreements have been duly authorized by the City Ordinance and do not require the consent or approval of any other person which has not been obtained, including, without limitation, any Governmental Authority; provided, however, that the issuance of any bonds required for purposes of satisfying the City’s obligations hereunder may require the approval of the Attorney General of Texas.

C. No Legal Bar. Subject to the provisions of Section 8.19, the execution and performance by the City of this Agreement and the Ancillary Agreements does not and will not violate any provisions of any contract, agreement, instrument or Applicable Law to which the City is a party or is subject.

D. Litigation. There are no pending legal actions or proceedings which, if adversely determined, would materially and adversely affect the ability of the City to fulfill its obligations under this Agreement or the Ancillary Agreements.

E. Enforceable Obligations. Assuming due authorization, execution and delivery by each Party hereto and thereto, this Agreement and the Ancillary Agreements and all obligations of the City hereunder and thereunder are enforceable against the City in accordance with their terms.

Section 5.04 Reliance

Each Party agrees and acknowledges that, in entering into this Agreement and the Ancillary Agreements:

A. Each Party is expressly and primarily relying on the truth and accuracy of the foregoing representations, warranties and covenants of each other Party, without any obligation to investigate the accuracy or completeness thereof;

B. Notwithstanding any investigation thereof by any Party, each Party may continue to rely thereon until this Agreement is or shall be terminated according to its terms;

C. Such representations, warranties and covenants are a material inducement to each Party in making this Agreement and agreeing to undertake and accept its terms; and

D. Each Party would not be willing to do so in the absence of any of such representations, warranties and covenants.

ARTICLE 6. DEFAULTS, REMEDIES AND TERMINATION RIGHTS

Section 6.01 Events of Default

Each of the following will be an Event of Default:

A. A Party fails to perform or observe any of the obligations, covenants or agreements to be performed or observed by such Party under this Agreement or one of the Ancillary Agreements and such failure continues for (i) more than thirty (30) days following written notice of such failure to such Party, or (ii) such longer period of time as may be reasonable under the circumstances not to exceed ninety (90) days, if such failure cannot be cured within thirty (30) days because of the nature of the default and during such thirty (30) day period curative action has commenced and is thereafter pursued diligently by such Party.

B. Any material representation or warranty of a Party is untrue when made or becomes untrue thereafter and remains untrue after thirty (30) days following written notice to such Party that the material representation or warranty is untrue.

C. A petition under any section or chapter of federal bankruptcy laws or under any similar law or statute of the United States or any state thereof is filed by or against the City, Weston Urban or Frost and is not dismissed, withdrawn or otherwise concluded without adjudication within seventy-five (75) days after being filed.

D. The City, Weston Urban or Frost admits in writing its inability to pay its debts when due.

E. A bill in equity or other proceeding for the appointment of a receiver of Weston Urban or Frost or other custodian for Weston Urban or Frost's business or assets is filed and consented to by Weston Urban or Frost (as applicable).

F. A receiver or other custodian (permanent or temporary) of Weston Urban's or Frost's assets or property, or any part thereof, is appointed by any court of competent jurisdiction.

G. Proceedings for a composition with creditors under any state or federal law have been instituted by or against Weston Urban or Frost.

Section 6.02 General Remedies for Uncured Event of Default

After delivery of any required notice and expiration of any applicable cure period, any non-defaulting Party may pursue against the defaulting party, at its option and without prejudice to any other rights and remedies provided for hereunder or by law, any right or remedy conferred upon or reserved to it under this Agreement and/or at law or in equity. Except where this Agreement or one of the Ancillary Agreements expressly identifies a remedy as a party's sole remedy, the rights and remedies provided in this Agreement shall be in addition to and cumulative of all other rights and remedies available to a Party against a defaulting party, and the pursuit of one remedy will not be an election of a sole remedy and will not preclude the right to pursue any or all other available remedies, whether the same be remedies at law and/or equitable remedies, including injunction and relief in the form of mandamus.

Section 6.03 Termination for Failure to Achieve Initial Closing Conditions or Outside Closing Deadline

If (i) Weston Urban does not satisfy the Initial Closing Conditions by the Initial Conditions Deadline, or (ii) the New Tower Closing Date does not occur (with Weston Urban closing on the Construction Loan and the acquisition of the New Tower Property) on or before the Outside

Closing Deadline (unless due to a default by the City or Frost), then the City and Frost shall each, as their sole remedy, have the option of terminating this Agreement pursuant to this Section 6.03 by delivering written notice to the other Parties, whereupon (a) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall be terminated, (b) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (c) the City Real Estate Earnest Money shall be disbursed to the City in accordance with the Deed Escrow Agreement, and (d) thereafter none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements). Notwithstanding the foregoing, neither the City nor Frost shall be entitled to terminate this Agreement pursuant to this Section 6.03 if it is in default of its obligations under this Agreement.

Section 6.04 Termination by Weston Urban during the Pre-Construction Phase

If Weston Urban determines at any point during the Pre-Construction Phase that the Weston Urban Closing Conditions will not or cannot be satisfied by the New Tower Closing Date (as may be extended), then Weston Urban shall have the option, as its sole remedy (except as provided in Section 6.05A) of terminating this Agreement pursuant to this Section 6.04 by delivering written notice to the other Parties, whereupon (a) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall thereby be terminated, (b) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (c) the City Real Estate Earnest Money shall be disbursed to the City in accordance with the Deed Escrow Agreement, and (d) thereafter none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements).

Section 6.05 Failure to Satisfy Governmental Approval Conditions

A. If either of the Primary Governmental Approval Conditions are not satisfied on or before November 2, 2015 (as such deadline may be extended by mutual agreement between the City and Weston Urban with the City Manager acting on behalf of the City), then Weston Urban shall have the option, as its sole remedy, of terminating this Agreement pursuant to this Section

6.05A by delivering written notice to the other Parties on or before the end of the thirtieth (30th) day following such deadline (as may be extended), whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall thereby be terminated, (ii) a sum out of the Prepaid Purchase Price Portion equal to the New Tower Recoverable Costs incurred prior to the date this Agreement was terminated pursuant to this Section 6.05A shall be disbursed to Weston Urban (up to a maximum of Five Million and No/100 Dollars (\$5,000,000.00)) in accordance with the Escrow Agreement, (iii) the remainder of the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (iv) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, and (v) thereafter none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements Agreement (except as expressly set forth in any Ancillary Agreements). To the extent any portion of the Prepaid Purchase Price Portion disbursed to Weston Urban is attributable to New Tower Recoverable Costs relating to public infrastructure improvements, then the work product related to such public infrastructure improvements (including without limitation any and all designs, plans, permits, renderings, reports, studies) shall be delivered to the City following payment of such Prepaid Purchase Price Portion subject to any and all disclaimers, reservations and other conditions that may apply to such work product.

B. If Weston Urban determines that it has been unable or will be unable to satisfy either of the Ancillary Governmental Approval Conditions on or before the end of the Pre-Construction Phase, then Weston Urban shall have the option, as its sole remedy, of terminating this Agreement pursuant to this Section 6.05B by delivering written notice to the other Parties at any time prior to the Outside Closing Date whereupon (a) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall thereby be terminated, (b) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (c) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, and (d) thereafter none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements Agreement (except as expressly set forth in any Ancillary Agreements).

C. Notwithstanding any provision herein to the contrary, the failure of Weston Urban to exercise either or both of the termination rights described in Sections 6.05A and Section 6.05B shall not affect Weston Urban's right to terminate this Agreement under Section 6.04 even if the underlying condition(s) giving rise to Weston Urban's determination that the Weston Urban Closing Conditions will not or cannot be satisfied by the New Tower Closing Date are directly or indirectly related to a Primary Governmental Approval Condition or an Ancillary Governmental Approval Condition.

Section 6.06 Termination under Existing Tower Contract

A. Default by City. If the City defaults in its obligations under the Existing Tower Contract to acquire the Existing Frost Facilities from Frost on the Existing Tower Closing Date (as may be extended) for any reason whatsoever other than a default by Frost or Weston Urban under the Agreement or an Ancillary Agreement (including (x) the City's obligations being held unenforceable or void, or (y) the City failing to provide the funds necessary to consummate the transaction contemplated by the Existing Tower Contract), then either Weston Urban or Frost shall each have as its sole remedy for such default the option of terminating this Agreement by delivering written notice thereof to the other Parties, whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (ii) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, (iii) Five Hundred Ten Thousand and No/100 Dollars (\$510,000.00) of the Prepaid Purchase Price Portion shall be disbursed to Frost pursuant to the Existing Tower Contract, (iv) a sum out of the balance of the Prepaid Purchase Price Portion equal to the New Tower Recoverable Costs incurred prior to the date this Agreement was terminated pursuant to this Section 6.06A shall be disbursed to Weston Urban (up to a maximum of Five Million and No/100 Dollars (\$5,000,000.00)) in accordance with the Escrow Agreement, and (v) the remainder of the Prepaid Purchase Price Portion (if any) shall be refunded to the City in accordance with the Escrow Agreement, and (vi) none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements) thereafter. To the extent any portion of the Prepaid Purchase Price Portion disbursed to Weston Urban is attributable to New Tower Recoverable Costs relating to public infrastructure improvements, then the work product related to such public

infrastructure improvements (including without limitation any and all designs, plans, permits, renderings, reports, studies) shall be delivered to the City following payment of such Prepaid Purchase Price Portion subject to any and all disclaimers, reservations and other conditions that may apply to such work product.

B. Default by Frost. If Frost defaults in its obligations under the Existing Tower Contract to convey the Existing Frost Facilities to the City on the Existing Tower Closing Date (as may be extended) for any reason (other than a default by the City under the Existing Tower Contract) whatsoever, then either Weston Urban or the City shall each have as its sole remedy for such default, the option of terminating this Agreement by delivering written notice thereof to the other Parties, whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (ii) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, (iii) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (iv) Frost shall pay to the City the City Pre-Closing Unwind Payment, (v) Frost shall pay to Weston Urban a sum equal to all New Tower Recoverable Costs incurred by Weston Urban up to a maximum of Five Million and No/100 Dollars (\$5,000,000.00) within thirty (30) days following receipt from Weston Urban of a demand for such payment along with reasonable documentation confirming the incurrence of such costs by Weston Urban, and (vi) none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements) thereafter.

C. Title Issues. On or before July 15, 2015 (the “***Title Review Deadline***”), the City and Frost shall agree upon those matters presently affecting the title to Existing Tower Facilities whereupon such list of permitted exceptions shall be delivered to Weston Urban and attached to this Agreement as **Exhibit “M”** (the “***Permitted Exceptions***”). If the City and Frost do not agree upon the Permitted Exceptions on or before the Title Review Deadline (as such deadline may be extended by written agreement among all the Parties with the City Manager acting on behalf of the City), then any of the Parties may terminate this Agreement by delivering notice to the other Parties on or before the expiration of the tenth (10th) Business Day following the Title Review Deadline, whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (ii) the City Real Estate Earnest Money shall be refunded to Weston

Urban in accordance with the Deed Escrow Agreement, (iii) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, and (vi) none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements) thereafter. If the City and Frost do not agree upon the Permitted Exceptions on or before the Title Review Deadline and no Party elects to terminate this Agreement before the expiration of the tenth (10th) Business Day following the Title Review Deadline, then the City shall be deemed to have accepted as Permitted Exceptions all matters shown on the Schedule B of the most recent title commitment issued to the City in regard to the Existing Tower Facilities prior to the Title Review Deadline. If after the date the Authorizing Ordinance is approved by the San Antonio City Council Frost causes any new matter to affect title to the Existing Tower Facilities that is not included among the Permitted Exceptions or not otherwise consented to by the City and Frost does not cure such matter to the City's reasonable satisfaction within thirty (30) days following receipt of written notice delivered by the City to Frost and Weston Urban, then the City shall have as its sole remedy for such default, the option of terminating this Agreement by delivering written notice thereof to the other Parties within fifteen (15) days following the expiration of such thirty (30) day period, whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (ii) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, (iii) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (iv) Frost shall pay to Weston Urban a sum equal to all New Tower Recoverable Costs incurred by Weston Urban up to a maximum of Five Million and No/100 Dollars (\$5,000,000.00) within thirty (30) days following receipt from Weston Urban of a demand for such payment along with reasonable documentation confirming the incurrence of such costs by Weston Urban, (v) in the event that Weston Urban has issued the Closing Notice, Frost shall pay to the City either the City Unwind Payment (if the City is not yet bound to counter-parties to deliver debt instruments for payment of the Purchase Price) or the City Pre-Closing Unwind Payment (if the City is bound to counter-parties to deliver debt instruments for payment of the Purchase Price), as applicable, and (vi) none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements)

thereafter. If during the term of this Agreement, the City discovers any matter affecting title to the Existing Tower Facilities that (x) was not included as a Permitted Exception, (y) was not caused by Frost after the date the Authorizing Ordinance is approved by the San Antonio City Council, and (z) would materially and adversely impact the City's intended use of the Existing Tower Facilities, and Frost does not cure such matter to the City's reasonable satisfaction within thirty (30) days following receipt of written notice delivered by the City to Frost and Weston Urban, then the City shall have as its sole remedy for such default, the option of terminating this Agreement by delivering written notice thereof to the other Parties within fifteen (15) days following the expiration of such thirty (30) day period, whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (ii) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, (iii) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, and (iv) none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements) thereafter. With respect to any title matter that gives rise to a termination right under this Section 6.06C (excluding those matters included among the initial list of Permitted Exception), if the City does not terminate this Agreement within the applicable fifteen (15) day period referenced above, then such title matter shall be deemed to constitute a Permitted Exception hereunder; provided, however, that the Parties may extend the duration of any such fifteen (15) days period by mutual agreement with the City Manager acting on behalf of the City.

D. Condemnation.

(1) Except as provided below with respect to an Excluded Condemnation, if all or any portion of the Existing Tower Facilities are taken or condemned on or before the Existing Tower Closing Date, then the City may terminate this Agreement by providing written notice to the Frost and Weston Urban prior to the earlier of (x) the Existing Tower Closing Date, or (y) ten (10) days after receipt by the City of notice of such taking or condemnation, whereupon (i) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (ii) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, (iii) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, and (vi) none of the

Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements) thereafter.

(2) Notwithstanding anything to the contrary herein, the City shall not have a right to terminate this Agreement or the Existing Tower Contract (but rather the City shall be obligated to close on the acquisition of the Existing Tower Facilities under the Existing Tower Contract and take an assignment of any award resulting from such Excluded Condemnation) if a taking or condemnation satisfies one or both of the following criteria (referenced herein as an “**Excluded Condemnation**”): (i) the eminent domain or condemnation proceeding is instituted (or notice of same is given) by the City or any agency or subsidiary of the City; or (ii) the Existing Tower Facilities could still be used following such taking or condemnation in substantially the same manner as prior to such taking or condemnation.

Section 6.07 Termination for Failure of Weston Urban to Satisfy New Tower Closing Obligations after Issuing Closing Notice.

If Weston Urban issues the Closing Notice and then fails to satisfy the New Tower Closing Obligations on or before the expiration of the thirty (30) day cure period identified in Section 2.04 above (except due to a default by Frost under this Agreement or the New Tower Property, a default by Frost on its obligations under the documents governing the Construction Loan should Frost be the construction lender for the New Tower, or by a default by the City under this Agreement or under any Ancillary Agreement), then either the City or Frost shall have the option as its sole remedy for such default, of terminating this Agreement by delivering written notice thereof to the other Parties, whereupon (a) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (b) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (c) the City Real Estate Earnest Money shall be disbursed to the City in accordance with the Deed Escrow Agreement, (d) Weston Urban shall pay to the City the City Pre-Closing Unwind Payment within thirty (30) days following notice received from the City along with such reasonable documentation evidencing the amount of such Pre-Closing Unwind Payment, and (e) none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the

terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements) thereafter.

Section 6.08 Termination for Failure of Frost to Satisfy New Tower Closing Obligations

If Weston Urban issues the Closing Notice and then Frost defaults on its obligations to close under the New Tower Property Contract or fails to fulfill any obligations it has assumed as a construction lender in connection with the Construction Loan on or before the expiration of the thirty (30) day cure period identified in Section 2.04 above (except due to a default by Weston Urban under this Agreement, the New Tower Property Contract, or with respect to its obligations under the documents governing the Construction Loan, or by a default by the City under this Agreement or under any Ancillary Agreement), then either the City or Weston Urban shall have the option as its sole remedy for such default of terminating this Agreement by delivering written notice thereof to the other Parties, whereupon (a) this Agreement and all Ancillary Agreements other than the City Lease Amendment shall terminate, (b) the Prepaid Purchase Price Portion shall be refunded to the City in accordance with the Escrow Agreement and the Existing Tower Contract, (c) the City Real Estate Earnest Money shall be refunded to Weston Urban in accordance with the Deed Escrow Agreement, (d) Frost shall pay to the City the City Unwind Payment within thirty (30) days following notice received from the City along with such reasonable documentation evidencing the amount of such City Unwind Payment, (e) Frost shall pay to Weston Urban a sum equal to all New Tower Recoverable Costs incurred by Weston Urban up to a maximum of Five Million and No/100 Dollars (\$5,000,000.00) within thirty (30) days following receipt from Weston Urban of a demand for such payment along with reasonable documentation confirming the incurrence of such costs by Weston Urban, and (f) thereafter none of the Parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements).

Section 6.09 Termination for Failure to Achieve Outside Tower Completion Deadline

If the Tower Completion Date does not occur on or before the Outside Tower Completion Deadline (as may be extended by the City Manager or automatically as set forth in Section 2.02

above), or if the Tower Completion Date does not occur within sixty (60) months following the Existing Tower Closing Date (as it may be extended), and in either case Frost elects to terminate the New Frost Lease as a result, then the City, as its sole remedy, and Frost, in addition to, and cumulative of, any remedies under the New Frost Lease, shall have the option of terminating this Agreement pursuant to this Section 6.09 by delivering written notice of such termination to the other parties. Upon termination of this Agreement: (a) Frost shall have the option of either (i) exercising its right to compel a sale of the Existing Frost Facilities to Frost pursuant to the Options Agreement (so called herein) attached to the Existing Tower Contract for the purchase price set forth in the Options Agreement, in which case, Frost would be obligated to pay the City the City Post-Closing Unwind Payment at the closing of the sale as described in the Options Agreement or (ii) notifying the City that it is electing to extend the term of the Existing Tower Master Lease until the earlier of (A) the expiration of the 120th full calendar month of the term thereof or (B) such date as Frost shall subsequently exercise its rights to compel a sale of the Existing Frost Facilities to Frost pursuant to the Options Agreement (in which event, Frost shall pay to the City the City Post-Closing Unwind Payment, calculated as of the date of the closing of the repurchase); (b) this Agreement and all Ancillary Agreements other than the Existing Tower Master Lease, the City Lease Amendment, and the Options Agreement shall be terminated; (c) the City Real Estate Earnest Money shall be disbursed to the City in accordance with the Deed Escrow Agreement; and (d) none of the parties hereto shall have any continuing rights or obligations under this Agreement or under any of the terminated Ancillary Agreements (except as expressly set forth in any Ancillary Agreements). If Frost fails to notify the City of whether it elects to proceed under subclauses (i) or (ii) of clause (a) above within sixty (60) days of the date this Agreement is terminated by City or Frost, Frost will be deemed to have elected to proceed under subclause (ii).

Section 6.10 Mediation

In the event of a dispute by the Parties to this Agreement which cannot, within a reasonable time, be resolved, the Parties agree to submit the disputed issue to non-binding mediation. The Parties shall participate in good faith, but in no event shall they be obligated to pursue mediation that does not resolve the issue within three (3) days after the mediation is initiated or ten (10) days after mediation is requested. The Parties participating in the mediation shall share the costs of the

mediation proportional to the number of Parties participating. The provisions hereof shall survive any termination of this Agreement.

ARTICLE 7. FORCE MAJEURE

Section 7.01 Mitigation

Each Party shall use commercially reasonable efforts to mitigate any delay in performance by such Party under this Agreement caused by Force Majeure.

Section 7.02 Notice

Each Party whose performance under this Agreement is prevented by Force Majeure shall provide notice to the other Parties within ten (10) Business Days after the Party becomes aware of the occurrence of the Force Majeure. The notice shall describe the facts and circumstances of the Force Majeure and the anticipated effect thereof on the performance of such Party's obligations, duties, covenants and agreements under this Agreement, which notice shall be supplemented from time to time upon request. Such Party shall also give notice to the other Parties of its ability to resume performance under this Agreement within a reasonable time following termination of the Force Majeure.

Section 7.03 Effect of Force Majeure

For so long as a Party is unable to perform a duty, obligation or covenant under this Agreement because of the existence or the effect of Force Majeure, the performance of such duty, obligation or covenant will be suspended on a day by day basis during the continuation of the relevant occurrence.

ARTICLE 8. MISCELLANEOUS PROVISIONS

Section 8.01 Term

Unless earlier terminated pursuant to the terms, conditions and provisions hereof, the Term of this Agreement shall extend from the Effective Date until the later of (a) the date upon which the last of the City Real Estate being conveyed to Weston Urban under this Agreement has been

conveyed by the City to Weston Urban, and (b) the date upon which the Existing Tower Master Lease terminates; provided, however, that the term of some of the Ancillary Agreements may extend beyond such Term as set forth in such Ancillary Agreements.

Section 8.02 Notices

The Parties contemplate that they will engage in informal communications with respect to the subject matter of this Agreement. However, any formal notices or other communications required or permitted to be given by one Party to another by this Agreement shall be given in writing addressed to the Party to be notified at the address set forth below for such Party, (a) by delivering the same in person, (b) by depositing the same in the United States mail, certified or registered, return receipt requested, postage prepaid, addressed to the Party to be notified, or (c) by depositing the same with a nationally recognized courier service guaranteeing “next day delivery,” addressed to the Party to be notified. Notice deposited in the United States mail in the manner hereinabove described shall be deemed effective on the date of such deposit.
