

Land Use Plan

Light Industrial includes a mix of manufacturing uses, business park and limited retail/service uses that serve the industrial uses. Industrial uses should be screened and buffered from adjoining non-industrial uses. Any outside storage should be under a roof and screened from public view. Examples of industrial uses include drug laboratories, furniture wholesalers, lumber yards, tamale factories and warehousing.

Corresponding zoning districts: **BP, L, MI-1 and I-1**

Light Industrial

Heavy Industrial Heavy Industrial uses should be located near expressways, arterials, and railroad line. This use is not compatible with residential uses. Examples of heavy industrial uses are functional quarries, oil and gas facilities, as well as large-scale recycling facilities. Residential uses and other less intense uses should be separated with landscape buffers.

Corresponding zoning districts: **I-2**
