Re: 2016 Asphalt Overlay Contract Package 1 – Award Recommendation Letter

Dear Mr. Bayer:

On September 29, 2015, contractor bid proposals for the referenced project were opened and read aloud. Three bid proposals were submitted, with no bid containing errors.

The low bidder for this contract was Clark Construction of Texas, Inc. with a total base bid of \$8,618,595.00. Clark Construction is headquartered in San Antonio, TX and has done a significant amount of asphalt overlay related projects for the City of San Antonio and others in the surrounding area. Clark Construction has been awarded similar contracts in recent years and the City of San Antonio has been pleased with their work. Due to no knowledge of poor performance which would exclude Clark Construction from being recommended for award, LAN recommends the award of this contract to Clark Construction of Texas. Below is a listing of the contractors who bid on the contract and their total base bids:

1. Clark Construction of Texas, Inc.- \$8,618,595.00
2. J&P Paving Co., Inc. - \$8,933,927.96
3. Asphalt Inc, DBA Lone Star Paving - \$10,396,144.00

Attached herewith are the following:

- 1) One (1) pdf copy of the bid tabulations
- 2) One (1) pdf copy of the summary of the low bidder's prices, which 7.5% below the responsive contractor's bid proposal average and 23.1% above the construction budget.
