| Describe your Professional History & Certification designations (Current and historical). | My primary background and expertise is in business development, sales and marketing based on my 17 years experience working for high tech companies across the US. I have been a mentor and led cross functional remote teams for the past 10 years. My experience spans from working for Silicon Valley startups to Global Fortune 500 companies. I was recently given the opportunity to make a career change and follow my true passion as an entrepreneur. Shifting my priorities has given me the opportunity to make a greater impact in the local community as the Co-Founder of Revolucion Coffee Juice and the San Antonio Running Company: both of which are focused on fitness, health and improving the overall wellness of our customers and the community. This will only happen with a increased awareness and a focus around making San Antonio a more live-able and healthy city for generations to come.
