APPLICATION SIGN-OFF	
As a board, commission, or committee member, you will be asked to adhere to: Code of Ordinances, City of San Antonio, Part II, Chapter 2, Article IX, Sec.2-534. All board and commission members must file a Financial Disclosure Report with the Office of the City Clerk upon appointment, and annually thereafter, throughout the member's term. Failure to file a Financial Disclosure Report within the time required by the City's Ethics Code will be considered an automatic removal.	
I understand that if any member of the public makes a request for information included in this Application for Appointment, most of the information must be disclosed under the Public Information Act. I understand that the City of San Antonio will attempt to maintain the confidentiality of highly private matters by seeking an Attorney General's opinion in accordance with the Public Information Act. I understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of San Antonio, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act or any other law requiring its release.	Acknowledged
OATH: I have read and understand the guidelines set out in this application. The foregoing statements are true, accurate, and complete. I agree that any misrepresentation or omission of facts may result in my disqualification for appointment.	Acknowledged
Enter Your Name	Anita Ledbetter
Date of submission.	8/24/2015
The Texas Public Information Act provides that each government official may choose whether to allow the public access to the information in the custody of the City that contains your home address, home telephone number, or reveals whether you have family members. Please note that this does not apply to business addresses, which are subject to public disclosure. If an open records request is filed requesting to view or obtain records that contain your personal information, the City will take steps to protect your personal information as authorized by the Texas Public Information Act, but only if you have elected to protect personal information.	

I want the public to have access to my Home Address.	No
I want the public to have access to my Home Telephone Number.	No
I want the public to have access to my Social Security Number.	No
I want the public to have access to my Emergency Contact Information.	No
I want the public to have access to my Family Information.	No
Please attach any additional information, such as a current resume, using the Attachments panel at the bottom of this page.	
Office of the City Clerk P.O. Box 839966 San Antonio, Texas 78283-3966 Phone: (210) 207-7253 (Application will be kept on file with the Office of the City Clerk for 12 months.)

QUALIFICATIONS

- Practical knowledge of Construction processes.
- Project Management, including project timelines, bid packages, estimating, cost tracking, spending plans, resource allocations, reporting requirements, and equipment tracking.
- Qualitative and quantitative research skills including data collection, statistical analysis, questionnaire construction, interview techniques, observation techniques, and archival records and documents assessment.
- Sociological skills for the identification and analysis of specific policy implications on efficiency, sustainability and technology transfer and their social structural effects through organizational analysis, identifying decision-making procedures and leverage points for instituting change.
- Specialized training in social forecasting, indicators, analysis, and change, technology impact, social change, and spatial arrangement effects and appropriated technology

RESEARCH PROJECTS

- “Viability of Commissioning in New School Facility Construction”, a research project for North side Independent School District, funded by the State Energy Conservation Office (SECO). Conducted surveys, interviews, and observational research to identify the impacts of commissioning on the construction process and building performance, while also taking a look at the human and organizational factors associated with energy usage. (Fall, 2001)
- “Developing a Renewable Energy Based Sustainable Economy for South Texas”, a study focused on the feasibility study for Renewable Energy in South Texas for Economic Development Administration (EDA) with the Texas Engineering Experiment Station and the University of Texas San Antonio. Analyzed socio-economic demographics, natural resource availability, technology requirements, Renewable Energy Resources, and economic development attributes to evaluate the feasibility of establishing South Texas as a center of excellence in Renewable Energy technology. (Spring, Summer 2002)

EDUCATION

BA, Sociology, Our Lady of the Lake University,

- Focus on Applied Sociology
- Sociology Student of the Year
