Describe your Educational history.	I grew up in San Antonio and attended Oak Meadow Elementary, Jackson Middle School, Churchill High School. I took college courses at Alamo Colleges and ultimately transferred to and received an undergraduate degree from Schreiner University in Kerrville, TX in 2009. Since then, I've gotten "General Lines" insurance licenses in order to sell insurance products- both 1) Life, Accident and Health insurance, as well as 2)Property and Casualty insurance. Also, I've gotten Securities licenses for selling investment products, by passing the Series 7 and Series 66 exams.

	I wish I had more volunteer experience to list here. In years past, volunteering wasn't necessarily a top priority of mine. However, in more recent years, I've worked a lot on myself, have grown a lot as an individual and it's become far more important to me to

Describe your Volunteer Experience & Community Service	have a larger impact on my community. I look to do far more volunteering and community service in the near and distant future. I am very much a proponent of healthy living through both diet and exercise, and I often counsel friends, co-workers, peers and neighbors on the benefits of both being active and a more plant-based diet in order to help facilitate longevity and a higher quality of life for San Antonians. I believe San Antonio has come a long way in recent years in "turning the corner" towards becoming a more healthy city, and I want to be a part of making sure our city continues to head in the right direction in this regard. I am very much a proponent of the actions that have been taken in recent years to create the Salado Creek and Leon Creek Greenways, as well as the B Cycle bike sharing program.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	My passion for healthy living, fitness, eating whole foods, community health, and the future health of my fellow San Antonians has lead me to want to make an impact on a larger scale. I heard of the opportunity to apply for this position, and thought "this would be a wonderful opportunity for me to help contribute to the health of, and accessibility to health promoting services, of my neighbors across San Antonio." I believe that by being an advocate for fitness, overall health, and access to parks and recreation make me a quality candidate for serving on this board of directors. I've seen how much my own life has improved from having readily available access to parks, bikes, etc., and I want to help ensure the same access to San Antonians going forward. Thank you for your consideration, I very much appreciate it.
