Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	The trust between public servants and the citizens they serve is sacred. Anyone who attempts to jeopardize that trust, be it citizen or public servant, puts our whole community in danger. My experience in the business sector, the public sector, and as a husband and father lends itself to being sensitive to liabilities and weighing the cost and value of systematic outcomes. I believe I can be an asset in carrying out the mission of this board.
