

Under 1 Roof

Residential Roof Repair Program

Brought to you by
District 1 Councilman Roberto C. Treviño &
Department of Planning & Community Development

Under 1 Roof, the City of San Antonio's Residential Roof Repair Program, will be replacing worn and damaged roofs in your neighborhood using energy-efficient white shingles.

- ⇒ Under 1 Roof is a needs-based grant program for homeowners in select District 1 neighborhoods
- ⇒ Worn and damaged roofs will be repaired and energy-efficient white shingles installed
- ⇒ Homeowner contribution is \$0
- ⇒ Impact of energy-efficient white shingles will be monitored for a 1-year period to demonstrate the benefits

Call the City of San Antonio at 207– 6459

Benefits of White Shingles

- ✓ Improve Indoor Comfort
- ✓ Reduce Overall Attic Temperature
- ✓ Decrease Roof Maintenance
- ✓ Energy Savings
