

**CITY OF SAN ANTONIO
OFFICE OF MAYOR IVY R. TAYLOR
INTERDEPARTMENTAL CORRESPONDENCE**

TO: Members of City Council; Sheryl Sculley, City Manager

FROM: Mayor Ivy R. Taylor 

COPIES TO: City Clerk

SUBJECT: Transportation Network Companies

DATE: May 2, 2016

As we move forward with the review of the of the regulatory framework under which Transportation Network Companies (TNCs) are operating in San Antonio, I would like to reiterate the next steps with regard to the evaluation of the City's MOUs with the TNCs. You will recall that our intent last summer was to provide rider choice and strike a balance between encouraging needed transportation solutions and protecting public safety.

In May, the Governance Committee will be reviewing the TNC MOU's in preparation for two community meetings to gather input on rider experience, safety/security, accessibility and other key ground transportation topics. On June 15, 2016, a B Session will be held to give the full City Council an opportunity to receive the public feedback and provide input to the staff on a permanent TNC authorization. Councilman Treviño will continue to play a lead role in coordinating and communicating on this issue.
