Name/Title (Caption as shown on agenda): Annual Contract for Multi-User Flight Information System Maintenance and Support for the San Antonio International Airport 6100007501 MA

Brief Description of Item(s) and Use: This contract will provide the Aviation Department with software, programming and maintenance for the existing Multi-Use Flight Information Display System (MUFIDS) serving both Terminal A and B at the San Antonio International Airport. INFAX, Inc. is the sole source vendor of WinFids which is the proprietary flight information display software which collects information from airline data feeds and displays it through MUFIDS. In addition to programming and maintenance, INFAX will provide equipment, parts, and associated components.

These items are being purchased as Sole Source according to the provisions of Texas Statutes Local Government Code 252.022.07. No other source can supply the items listed nor can any comparable item fulfill the same requirements. Vendor acknowledges, with his/her signature, that all items offered are considered a Sole Source.
