- The current zoning district, if any; and
- The category of permit requested and a brief description of the proposed development including density or building intensity, revised zoning classification (if any), and uses requested.

In Table 403-1, the method for providing notice is provided in column (A) and the types of permits affected are set forth in columns (B) through (J). In Table 403-1, an asterisk (\*) indicates that the type of notice prescribed in column (A) is required for the category of development order prescribed in columns (B) through (L), while a dash (—) indicates that the notice is not required.
