This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

The San Antonio Police Department is requesting an exemption for the inspection and repair of Police Helicopter N820PM engine that suffered damage due to a hard landing on November 13, 2015. As a result, the engine and modules were sent to the manufacturer, Turbomeca USA, Inc. for inspection to deem if the warranty was applicable to the damage incurred. The inspection determined that the engine and modules were not faulty; therefore, the costs of the inspection and repairs were not covered under the warranty. The City's aerospace insurer covered the cost of the repairs minus depreciation. The total cost of the inspection and repairs is \$104,952.39.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with Turbomeca USA, Inc. which will cost approximately \$ 104,952.39.
