EXHIBIT A

**Third Articles of Amendment
to the
Articles of Incorporation
of the
Hemisfair Park Area Redevelopment Corporation**

**THIRD ARTICLES OF AMENDMENT
TO THE
ARTICLES OF INCORPORATION
OF THE
HEMISFAIR PARK AREA REDEVELOPMENT CORPORATION**

Secretary of State Filing Number: 801166806

Pursuant to the provisions of Section 431.102, Texas Transportation Code, as amended, Section 394.016, Texas Local Government Code, as amended, the following Third Articles of Amendment to the Articles of Incorporation of the HemisFair Park Area Redevelopment Corporation (the *Corporation*), relating to a change in the structure and organization of the Corporation, were adopted by a majority vote of the City Council of the City of San Antonio (the *Council*) at a regular meeting of the Council on June 30, 2016, at which a quorum was present.

1. The name of the Corporation is the HemisFair Park Area Redevelopment Corporation.

2. Article VIII of the Articles of Incorporation (most recently amended on December 20, 2012) is amended in its entirety to read as follows:

ARTICLE VIII. BOARD OF DIRECTORS

The affairs of the Corporation shall be managed by a board of directors (the *Board*) containing eleven members; provided, however that the number of members of the Board may be increased or decreased by a resolution or ordinance approved by the Council.

(A) Board Composition and Qualifications. Members of the Board shall be at least 18 years of age and may be composed of residents and non-residents of the City; provided, however, that residents of the City must at all times comprise at least a majority of the total members of the Board. Members of the Council and employees and officers of the City are eligible to serve as members of the Board.

It is the intention of the City that the Board shall be composed of individuals with demonstrated expertise and experience in a variety of areas, and that at a minimum, the Board shall include:

(i) at least one member with demonstrated experience or expertise in the development of commercial real estate;

(ii) at least one member with demonstrated experience or expertise in the development of multi-family housing;

(iii) at least one member with demonstrated experience or expertise in real estate investments or finance;

(iv) at least one member expected to represent the interests of downtown neighborhoods;

(v) at least one member expected to represent the interests of downtown business;

(vi) at least one member with expertise in either civil engineering, architecture, landscape design, park design, or urban planning;

(vii) at least one member expected to represent historic preservation interests or demonstrated experience in the redevelopment of historic properties; and

(viii) at least one member expected to represent cultural or artistic interests.

In addition to the eleven Board members, the Board is comprised of two ex officio members, consisting of the City Manager or his/her designee and the City's Chief Financial Officer or his/her designee. The ex officio members shall be entitled to receive notice, participate in meetings, and are authorized to vote on all matters voted upon by the Board, with all votes counting equally. The ex officio members shall not count for purposes of determining the requirement for or presence of a quorum at any Board meeting.

(B) Board Member Terms. The eleven members of the Board shall be divided into four classes based upon the expiration date of each member's term of office, with no more than three director positions expiring in any year. For convenience, each member shall occupy a designated "seat" on the Board. Upon the expiration of the current term for each such seat, the next and all successive terms for that director seat shall run for four years. With the exception of the two Board member terms expiring in the year of this Amendment, each remaining class will consist of three Board members whose terms expire in rotating successive years upon completion of four years of service (with approximately one-fourth of the positions expiring each calendar year).

Any director may serve for additional terms at the discretion of the Council. A director may be removed from office, with or without cause, by the Council. In the event a director is removed, resigns, or otherwise no longer serves on the Board, the Council shall provide for the selection of a replacement director to complete the unexpired term of the departing director.

The directors shall serve without compensation, but shall be entitled to reimbursement for actual expenses incurred in the performance of duties under the Act. The Corporation and the directors shall be subject to Chapter 551, Texas Government Code, as amended, and Chapter 552, Texas Government Code, as amended.

3. Article XV of the Articles of Incorporation is amended in its entirety to read as follows:

ARTICLE XV. MISCELLANEOUS

(A) No dividends will ever be paid by the Corporation, and no part of the Corporation's net earnings remaining after payment of its expenses and other obligations will be distributed to or inure to the benefit of its directors or officers, or any individual, private firm, or private corporation or association, except in reasonable amounts for services rendered.

(B) If, after the close of any fiscal year, the Board determines that sufficient provision has been made for the full payment of all current expenses, together with all amounts payable on the contracts, agreements, bonds, notes, and other obligations of the Corporation, and that all of the terms, provisions, and covenants therein have been met, then any net earnings will be used solely for the purposes permitted by the Act and Article IV(a) of these Articles of Incorporation.

(C) The Corporation's Board retains the right to exercise its discretion to appoint non-Board members to serve on Corporation committees, as deemed advisable and necessary to effectuate the Corporation's purposes, but such committee members, unaffiliated with the Board, are not bestowed with direct managerial powers of the Corporation, as such powers are, and will remain, exclusively reserved to the Board.

(D) If the Corporation ever should be dissolved when it has, or is entitled to any interest in any funds or property of any kind, real, personal, or mixed, such funds or property or rights thereto will not be transferred and delivered to the City after satisfaction of debts and claims.
