

AN ORDINANCE 2013-06-20-0453

AUTHORIZING NEGOTIATING AND EXECUTING AN AGREEMENT RELATING TO RELEASE OF SIX EASEMENTS CONSISTING OF APPROXIMATELY 0.52 ACRES LOCATED AT 411 EAST CESAR CHAVEZ BOULEVARD WITHIN NCB 179, IN COUNCIL DISTRICT 1, IN WHICH THE CITY RECEIVES COMMITMENTS OF EXPANDED PUBLIC-STREET RIGHT-OF-WAY AND CONSTRUCTION OF APPROXIMATELY 350 HOUSING UNITS FROM UNV TEXAS, LP OR A RELATED ENTITY

* * * * *

WHEREAS, UNV Texas, LP, is the owner of a large parcel at the northwest corner of S. St. Mary's Street and Cesar Chavez Boulevard ("Property").

WHEREAS, the Property is burdened by numerous easements in favor of the City of San Antonio.

WHEREAS, UNV Texas, LP, has asked the City to release the easements and to waive any cash consideration that may otherwise be charged for the release.

WHEREAS, the City is willing to release the easements while forgoing cash consideration if UNV Texas, LP, enters into an agreement with the City on the terms outlined in this Ordinance; **NOW THEREFORE**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. The City Council authorizes and directs the City Manager or her designee to negotiate, execute, and deliver an agreement whereby the City releases certain easements and in exchange receives commitments relating to expanded public-street right-of-way and construction of approximately 350 housing units on the property located at the northwest corner of S. St. Mary's and Cesar Chavez.

SECTION 2. The easements to be released by the City under the agreement should be approximately the easements described as follows:

- A. An approximately 0.060-acre channel improvement easement described by metes and bounds on **Attachment I**.
- B. An approximately 0.028-acre channel improvement easement described by metes and bounds on **Attachment II**.
- C. An approximately 0.014-acre storm-sewer easement described by metes and bounds on **Attachment III**.

D. An approximately 0.063-acre storm-sewer easement described by metes and bounds on **Attachment IV**.

E. An approximately 0.099-acre utility easement described by metes and bounds on **Attachment IV**.

F. An approximately 0.257-acre utility easement described by metes and bounds on **Attachment IV**.

SECTION 3. The property owner will replat the property, vacating all utility easements, and will dedicate an additional fourteen feet of public-street right-of-way along the property's entire boundary with S. St. Mary's Street and Cesar Chavez Boulevard.

SECTION 4. The agreement should further call for the property owner to cause the construction of approximately 350 housing units on the property and to obtain certificates of occupancy therefor on or before December 31, 2015.

SECTION 5. The agreement should call for the City to waive payment for the release of easements referred to in Section 2 of this Ordinance. The agreement must, however, call for the property owner to pay to the City on demand the sum of \$973,000 if the property owner fails to comply with the obligations of Sections 3 and 4 of this Ordinance. Any portion of that amount remaining unpaid 30 days after demand must bear interest at the rate of six percent per annum.

SECTION 6. All attachments to this ordinance are incorporated into it by reference for all purposes as if fully set forth. The City further authorizes and directs the City Manager or her designee to execute and deliver all other documents necessary or convenient to effect the transactions contemplated in the above agreement; and otherwise to do all things necessary or convenient to effectuate the transaction.

SECTION 7. Funds generated by this ordinance will be deposited into Fund 11001000, Internal Order 240000000061 and General Ledger 4202410.

SECTION 8. The disposition of property must be coordinated through the city's Finance Department to assure the removal of these assets out of the City's financial records and to record the proper accounting transactions.

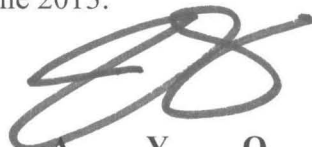

SECTION 9. All presently existing water and wastewater lines and facilities, electric transmission and distribution lines and facilities, gas lines and facilities, communication lines and facilities, or any other public utility lines and facilities, if any, may remain in place despite this Ordinance and may continue to be used, repaired, enlarged, and maintained in the ordinary course of business. Any person wanting removal of an existing utility line or facility must negotiate separately with the pertinent utility. Any person building on the released utility easements without first reaching an agreement with a utility having lines or facilities in the segment does so at his own risk. After the

date of this Ordinance, no utility may add additional utility lines or facilities in the released utility easements.

SECTION 10. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SECTION 11. This ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under City Code of San Antonio § 1-15, in which case it becomes effective immediately.

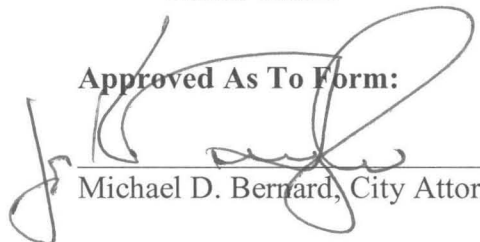

PASSED AND APPROVED this 20th day of June 2013.
