AN ORDINANCE 2017-01-19-0011

APPROVING A FINAL LIST OF \$830 MILLION IN BOND PROJECTS FOR THE FEBRUARY 9, 2017 CALL OF A SPECIAL BOND ELECTION FOR THE PROPOSED \$850 MILLION 2017 – 2022 GENERAL OBLIGATION BOND PROGRAM.

WHEREAS, in March 2016, City Council was presented with a recommendation that the development of the 2017 - 2022 Bond Program follow the 2012 - 2017 Bond Program development model, which included the utilization of Community Bond Committees to serve in an advisory capacity with the responsibility of recommending to the City Council capital improvement projects to consider for possible inclusion within the Bond Program; and

WHEREAS, on September 28 2016, City Council approved the development of the proposed \$850 million Bond Program with the allocation and creation of five committees to review the five infrastructure categories, including 1) Streets, Bridges & Sidewalks; 2) Drainage & Flood Control; 3) Parks & Recreation; 4) Facilities and 5) Neighborhood Improvements in a roughly proportional distribution across Council Districts; and

WHEREAS, each committee consists of co-chairs, appointed by the Mayor and a total of 30 committee members, with each City Council Member appointing three of the members for each committee; and

WHEREAS, this Ordinance will approve the attached list of \$830 million in bond projects for the purpose of calling a Special Bond Election on May 6, 2017 to guarantee sufficient time to meet State and Federal requirements, post the notice of election, and make appropriate translations for all election materials and proceedings in Spanish; NOW THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. A final list of \$830 million in bond projects for the call of a Special Bond Election for the proposed 2017 - 2022 Bond Program on May 6, 2017 is hereby approved. The final list of \$830 million in Bond Projects follows below and is further described by individual project in the attached **EXHIBIT A**.

Committee	Recommendation			
Streets, Bridges & Sidewalks	62 Projects	\$450 Million		
Drainage & Flood Control	19 Projects	\$144 Million		
Parks & Recreation	64 Projects	\$116 Million		
Facilities	28 Projects	\$120 Million		
Total	173 Projects	\$830 Million		

SECTION 2. Some of the Community Bond Committees identified projects that were considered to be consistent with the overall Bond Program objectives but which did not make the final list of recommended projects. These identified projects will be given priority consideration for implementation within the Bond Program if there are approved bond funds remaining within the infrastructure category but only after approved projects have been completed and potential project cost overruns have been addressed. In addition the City Staff may work with the City Council to potentially incorporate these identified projects into the City's budget development, review, and approval process.

SECTION 3. The City's proposed \$850 million general obligation bond election planned for May 6, 2017 is consistent with the City's Debt Management Plan and does not require a debt service tax rate increase for the amortization period of the debt.

SECTION 4. There is no financial impact with this Ordinance.

SECTION 5. This Ordinance shall be effective immediately upon passage by eight or more affirmative votes; otherwise, it shall be effective on the tenth day after passage.

PASSED AND APPROVED this 19th day of January, 2017.
