RE: 2017-2018 Task Order Contract for Flatwork and Street Improvements  
Package 22 #23-01534, Contract Award Recommendation

Dear Mr. Benavidez:

On January 10, 2017, bids for the referenced project were opened and read aloud. The low bidder was MCOR Construction Company with a Base Bid of \$401,831.00. In MCOR's bid submission documents, which you forwarded to us from the Contract Officer, the 020 Bid Form contained a blank Base Bid amount, and the 025 Unit Pricing Form contained three mathematical errors, highlighted in yellow on the attached bid tabulation. Our recommended Base Bid amount of \$401,831.00 is the result multiplying the unit prices shown on Form 025 by the respective estimated quantities shown in the proposal, and then totaling all of the extended amounts. To the best of our knowledge and belief, the lowest and best qualified bid is that of MCOR Construction Company, and we recommend the award of the contract to MCOR Construction Company in the amount of \$401,831.00.

Attached herewith is a copy of the bid tabulation. Please contact me or Fernando Camarillo, P.E. at (210)349-3273 if you have any questions or require additional copies of the Specifications.

Sincerely,

Crystal Benavides, P.E.
