**NOTICE OF PUBLIC HEARING**  
*Notificación para audiencia pública*  
**BUILDING STANDARDS BOARD**

As the owner, lienholder, mortgagee of record, or person responsible for the above property, you are hereby notified that pursuant to Article VIII, Chapter 6 of the City Code of San Antonio, Texas, a public hearing will be held before the City of San Antonio Building Standards Board (BSB) on **March 9, 2017** at 9:00 a.m. at the Cliff Morton Development and Business Services Center, One Stop Building, located at 1901 S. Alamo St.

An investigation by the Code Enforcement Section has found the referenced property to be in violation of the San Antonio Property Maintenance Code (SAPMC). The specific violations observed are listed below:

| Sub-Section     | Section Description                                                                                                                                                                              | Violation Detail                   |
|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| 505.1.1 General | Every sink, lavatory, bathtub or shower, drinking fountain, Toilet or other plumbing fixture shall be properly connected to either a public water system or to an approved private water system. | Property does not have water meter |

Notice of the violation and a correction order was provided to the person responsible. The Code Enforcement Section has initiated a hearing before the BSB. The purpose of this hearing is to determine whether the above property has been in violation of the SAPMC. If at the conclusion of the hearing the BSB finds that a violation existed, it may order action to be taken to abate the violation, assess a civil penalty up to \$1,000 per day, or both.

You or a designated representative may present testimony and evidence on your behalf at the hearing for the BSB's consideration. The Code Enforcement Section will present evidence regarding the condition of the property and will recommend actions to abate any violations found by the BSB. For more information, please contact the Building Standards Board Liaison at (210) 207-5422.

Sincerely,

Amanda M. Almaraz  
Building Standards Board Liaison  
Development Services Department
