San Antonio, Texas 78232

RE: File No. 1611004 - Request for review of **Sendero Ridge Commercial, Plat No. 160350**  
located northwest intersection of 1604 and Redland Road.

Dear Ms. Eifling:

On November 7, 2016, the Aquifer Protection & Evaluation Section of the Edwards Aquifer and Watershed Protection Division of the San Antonio Water System (SAWS) received a request to review a plat for the property referenced above. Staff reviewed the documentation submitted and conducted field observations of the referenced plat to ensure compliance with applicable requirements for development over the Edwards Aquifer Recharge Zone (EARZ). The land use of the subject plat is for commercial and consists of approximately 6.17 acres located entirely within the EARZ. One sensitive recharge feature (S-1) a Water Well was observed on the site and will be plugged under SAWS permit. The property is not within a 100-year floodplain area.

The proposed development is a **Category 2** property under the provisions of Aquifer Protection Ordinance No. 81491-File No. 2150. In accordance with Ordinance No. 81491, an Aquifer Protection Plan for all Category 2 and 3 properties is required to be submitted to and approved by the Aquifer Protection & Evaluation Section of the San Antonio Water System. An Aquifer Protection Plan has not been submitted to or approved by SAWS. **No building permit will be released until an Aquifer Protection Plan has been submitted to and approved by SAWS.**

Certain changes to the project may create a substantial alteration the provision of the Water Quality Ordinance and alter its category.

As of the date of this report, the Texas Commission on Environmental Quality (TCEQ) has not approved the Water Pollution Abatement Plan (WPAP) for the property within this plat. **No building permit will be released until a Water Pollution Abatement Plan has been submitted to and approved by TCEQ.**

After careful review of the project and the documentation submitted by the applicant, the Aquifer
