Ms. Dodge stated that from a military and economic stand point; the City was in support of SB 751. She stated that the bill would keep Base Realignment and Closure (BRAC) Taskforce Data private. She noted that Port San Antonio and other companies that contracted with the Federal Government were seeking a letter of support from the City for House Bill (HB) 509.

Councilmember Nirenberg asked of any support from local delegates. Tyler Schroeder responded that there was support from the Bexar County Delegation.

Chairman Krier exited the meeting at this time and Councilmember Viagran presided.

Juan Flores stated that Port San Antonio was concerned with SB 407 because it could reverse the 2015 Supreme Court Decision that a private company may protect its competitive sensitive information to refrain from giving its competition a competitive advantage if released.

Ms. Dodge reported that HB 1831 would move the Alamo Account from the State Treasury to the General Land Office and allow flexibility in managing the account. She noted that SB 759 and HB 724 were filed to brand March 6th, Alamo Day, a State Holiday.

Chairperson Viagran stated that it was important that staff find out if Senator Bernal communicated with the Alamo Committee before filing HB 1831.
