WHEREAS, on April 21, 1994, City Council passed Ordinance No. 80055 authorizing the closing, vacating, abandoning, and quitclaiming of improved Napier Avenue, Mission Road, and Woodhull Drive, as requested by the U.S. Department of the Interior/National Park Service, in exchange for the relocation of Napier Avenue and Mission Road to allow for the construction of a new San Antonio Missions National Historical Park Visitor Center; and

WHEREAS, since the construction of the Visitor Center, the National Park Service has operated the center for over 20 years on the site of the former road alignments and other City-owned property south of Mission San José;

WHEREAS, the National Park Service would like to clear up any issues related to title of these properties since these former road alignments were never conveyed to the National Park Service; and

WHEREAS, this right of way is surplus to the city's needs and will relieve the city from maintenance and other costs while providing an enhanced experience for San Antonio citizens and visitors ; and

WHEREAS, on May 10, 2017, the City's Planning Commission recommended approval; **NOW THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Subject to the reservation below, as an exercise of its discretion, the City Council authorizes the closure, vacation, abandonment and transfer or exchange by quitclaim of the right of way segments ("Right of Way Segments") identified in Section 2 of this Ordinance.

SECTION 2. The detailed description of the Right of Way Segments are set forth on **Attachment I**. Maps and pictures of the Right of Way Segments are set forth on **Attachment II**. Both **Attachments I and II** are incorporated into this ordinance for all purposes as if they were fully set forth. **Attachment I** controls over any discrepancy between it and **Attachment II**.

SECTION 3. In order to allow time for utilities to obtain any necessary permission related to their infrastructure remaining in the Right-of-Way Segments, the Right-of-Way Segments shall remain open until the City Manager or her designee executes, delivers and records in the Bexar County real property records a Certificate of Closure reflecting this ordinance and closing, vacating and abandoning the Right of Way Segments. The City Manager or her designee, severally, are further authorized and directed to execute and deliver all necessary documents, including quit claim deeds approved by the City Attorney's Office and substantially in the form of **Attachment III**, and to do all other things conducive to effect this closure, abandonment, vacation and transfer.

SECTION 4. The Right-of-Way Segments exist by easement. The underlying fee ownership of the Right-of-Way Segments by the owners is now unburdened by the rights closed, vacated, and abandoned.

SECTION 5. All fees and costs associated with this closure, vacation and abandonment are waived.

SECTION 6. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance, may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SECTION 7. The disposition of any surplus property must be coordinated through the city's Finance Department to assure the removal of these assets out of the City's financial records and to record the proper accounting transactions.

SECTION 8. This ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under San Antonio Municipal Code § 1-15, in which case it becomes effective immediately.
