

# 2015 Ozone NAAQS & H.R. 806 Ozone Standards Implementation Act 2017

Government and Public Affairs  
Jeff Coyle, Director - August 9, 2017

# Ozone Pollution

# Ozone Standard

Date	Action
October 2015	EPA promulgates new ozone National Ambient Air Quality Standard (NAAQS)
October 2017	Expected EPA designation (based on Governor's recommendation & 2014, 2015, and 2016 ozone data, 3-year average of 4th-highest values, i.e. design value)
June 2017	EPA delays designation until October 2018
August 2017	EPA rescinds one year delay

# H.R. 806 – Proposed Changes

Implementation of the standard from 2017 to 2025

The timeline to review the standard from every 5 years to every 10 years

The EPA Administrator to consider “technological” feasibility in establishing or revising the standard

Further study foreign sources of air pollution affecting areas’ ability to comply to the standard

# Federal Program

## Air Quality:

*“The City supports policies, programs, and resources which allow the City and region to continue to make improvements to air quality, reduce air quality health impacts and continue to meet federal National Ambient Air Quality Standards”*
