

EXHIBIT "A-6"

Route Description

The Project will replace approximately 835 linear feet of existing 4-inch with 12-inch potable water pipeline along Hume Rd, just east of the Union Pacific Railroad (UPRR) Tracks to end on the west end of the Hume Road and Pleasanton/Old Pleasanton Road intersection. The Project extends approximately 105 linear feet east of UPRR, 130 linear feet installed under UPRR using a trenchless installation method, then 545 linear feet along SAWS easement, to a trenchless installation of approximately 55 linear feet across Pleasanton/Old Pleasanton Road. The Project involves the installation of a portion of the proposed potable water pipeline through a tunnel beneath Hume Road and Union Pacific Railroad tracks.
