

HISTORIC AND DESIGN REVIEW COMMISSION

September 06, 2017

HDRC CASE NO: 2017-417
ADDRESS: 514 N PINE ST
LEGAL DESCRIPTION: NCB 1370 BLK 2 LOT 6
ZONING: RM-4
CITY COUNCIL DIST.: 2
DISTRICT: Dignowity Hill Historic District
APPLICANT: Aaron Retersdorf
OWNER: Aaron Retersdorf
TYPE OF WORK: Historic Tax Certification
REQUEST:

The applicant is requesting Historic Tax Certification for the property at 514 N Pine.

APPLICABLE CITATIONS:

UDC Section 35-618. Tax Exemption Qualification.

(d) Certification.

(1) Historic and Design Review Commission Certification. Upon receipt of the owner's sworn application the historic and design review commission shall make an investigation of the property and shall certify the facts to the city tax assessor-collector within thirty (30) days along with the historic and design review commission's documentation for recommendation of either approval or disapproval of the application for exemption.

FINDINGS:

- a. The primary structure located at 514 N Pine St is a 1-story single family home constructed in the Craftsman style. The home features several elements of the architectural style, including a primary hipped roof with side gable, asymmetrical front porch, dominant front chimney, and woodlap siding. The house is a contributing structure in the Dignowity Hill Historic District. The applicant is requesting Historic Tax Certification.
- b. The scope of work largely consists of restoration work that is eligible for administrative approval, including the reopening of an enclosed front porch, removal of non-original siding and rehabilitation of siding beneath, roof replacement, painting, construction of a rear addition, and interior upgrades and modifications.
- c. Staff conducted a site visit on August 29, 2017, to examine the conditions of the property. Staff commends the applicant for undertaking its rehabilitation in a way that returns the original structure back to its historic configuration.
- d. The applicant has met all the requirements for Historic Tax Certification outlined in UDC Section 35-618 and has provided evidence to that effect to the Historic Preservation Officer.

RECOMMENDATION:

Staff recommends approval based on findings a through d.
