

## **Elizabeth Stephens**

Elizabeth has a Bachelor of Science in Human and Organizational Development with a concentration in Leadership Development from Vanderbilt University. Her expertise is in leadership development, team building and training, management consulting, program development, strategic planning, comparative analysis, and performance strategy development.

Elizabeth is the Founder of Gus Owen Stephens Memorial Foundation, a non-profit organization that creates fundraising opportunities for continuing education in nursing and mission-based scholarships. Ms. Stephens also is the Owner of The Clarity Collective which specializes in brand consulting, and she serves on the Board of Directors for the Children's Bereavement Center.

Previously, Elizabeth created an Employee Development program for Don Strange of Texas, Inc. based on her observations of leadership development and growth efficiency, with the goal of establishing best practices throughout the organization. Elizabeth has worked with Southwest Airlines, the Children's Bereavement Center, Saint Luke's Episcopal Church, and various Vacation Bible Schools and summer camps.

Elizabeth is a lifelong citizen of San Antonio and has spent most of her career working with young children through college students. Elizabeth is dedicated to placing an importance on providing support and education services for all young children as these are critical years of cognitive and emotional development. Elizabeth wants to give back to the city that has always been and continues to be good to her and her family.
