

AMENDMENT TWO

Municipal Commercial Garbage Collection, Disposal and Recycling Services for the City of San Antonio (RFP 6100001491)

On October 18, 2012, the City Council approved Ordinance 2012-10-18-0817, which selected Waste Management of Texas, Inc., ("Contractor") to provide municipal commercial garbage collection, disposal and recycling services and authorized the execution of a contract pursuant to the City's Request for Proposal for "Municipal Commercial Garbage Collection, Disposal and Recycling Services for the City of San Antonio" (RFP 6100001491) issued by the City on July 26, 2012. The Integration Agreement ("Agreement" or "Contract") was executed by the City on October 29, 2012.

The Term of the Agreement was for a period of two years to November 30, 2014. At the City's sole option the Agreement could be renewed for two additional one year terms, with the same terms and conditions as the original agreement, with the optional terms to commence on December 1st and terminate on November 30th. The City exercised both of the renewal options and the Agreement was to terminate on November 30, 2016.

Amendment One to the Agreement was approved by Ordinance 2016-11-10-0888 and extended the Agreement, under the same terms and conditions save for a five percent increase for the front loader containers, for an additional one year, with a new termination date of November 30, 2017.

The City has issued a Request for Proposals but the final selection and award has not been completed. In order to provide continued services to the City facilities, the City and the Contractor have agreed to extend the current Agreement, under the same terms and conditions, as amended, for an additional 60 day period, with a new termination date of February 1, 2018.

1. This Amendment Two is entered into by and between the City, acting by and through its designated representative, and the Contractor. The undersigned hereby agree to amend said Contract to extend the current Agreement for an additional 60 day period from November 30, 2017, for a new termination date of February 1, 2018. The terms and conditions for the Contract, as amended, will remain as in the current Contract with no price increase.

2. This Amendment Two shall not prejudice any present or future rights, remedies, benefits, or powers belonging to or accruing to the Parties under the terms of the Contract herein amended.

3. Except as provided otherwise herein, the Contract shall remain unaffected, unchanged, and unimpaired by reason of the foregoing Amendment Two.

Amendment Two AGREED to this _____th day of November, 2017.
