## 003 - INSTRUCTIONS FOR RESPONDENTS

### PART A

Submission of Proposals. Respondents may choose to submit proposals in hard copy or electronically.

Submission of Hard Copy Proposals. Submit one (1) **COMPLETE** original proposal signed in ink, six (6) hard copies **WITH ONLY TABS and documents for General Information Form; Experience, Background and Qualifications; Proposed Plan, etc. (NO SBEDA, VOSB AND/OR PRICING TO BE INCLUDED IN THE 6 COPIES)** and one copy of the proposal on compact disk (CD) OR flash drive containing an Adobe PDF version of the entire proposal in a sealed package addressed to the City Clerk at the address and by the due date provided on the Cover Page. The name and address of Respondent, the due date for submission of proposals, RFCSP number and title of the solicitation shall be marked on the outside of the package. All times stated herein are Central Time. Any proposal or modification received after the time and date stated on the Cover Page shall be rejected. Respondents should note that delivery to the P.O. Box address in a timely manner does not guarantee its receipt in the Office of the City Clerk by the deadline for submission. Therefore, Respondents should strive for early submission to avoid the possibility of rejection for late arrival.

Submission of Electronic Proposals. Submit one (1) COMPLETE proposal electronically by the due date provided on the Cover Page. All times stated herein are Central Time. Any proposal or modification received after the time and date stated on the Cover Page shall be rejected.

Proposals sent to City by facsimile or email shall be rejected.

Modified Proposals. Proposals may be modified provided such modifications are received prior to the time and date set for submission of proposals, and submitted in the same manner as original proposals. For hard copy proposals, provide a cover letter with the proposal, indicating it is a modified proposal and that the original proposal is being withdrawn. For electronic proposals, a modified proposal will automatically replace a prior proposal submission. See below for information on submitting Alternate Proposals.

City shall not be responsible for lost or misdirected proposals or modifications.

#### Forms Requiring Signatures.

Signature Page. Respondents must sign the Signature Page on hard copy proposals and return the RFCSP document to City. For electronic proposals, Respondent's electronic submission constitutes a binding signature for all purposes.

All Other Documents. All other forms in this solicitation which require a signature must have a signature affixed thereto by manually signing the document. If submitting, electronically, sign the document prior to scanning it and uploading it with your submission.

Respondents are cautioned that they are responsible for the security of their log-on ID and password, since unauthorized use could result in Respondent's being held liable for the submission.

Certified Vendor Registration Form. If Respondent has not completed City's Certified Vendor Registration (CVR) Form, Respondent is required to do so prior to the due date for submission of proposals. The CVR form may be accessed at: <http://www.sanantonio.gov/purchasing/>. Respondents must identify the correct name of the entity that will be providing the goods and/or services under the contract. No nicknames, abbreviations (unless part of the legal title), shortened or short-hand names will be accepted in place of the full, true and correct legal name of the entity.

Alternate Proposals. Alternate proposals may be allowed at the sole discretion of City.

Hard Copy Alternate Proposals. Alternate proposals must be submitted in separate sealed envelopes in the same manner as submission of other proposals. Alternate proposals must be marked consecutively on the envelope as Alternate Proposal No. 1, 2, etc. Failure to submit alternate proposals in separate envelopes may result in rejection of a proposal.

Electronic Alternate Proposals. All alternate proposals submitted electronically are recorded with original proposals when submitted electronically.

Catalog Pricing. (This section applies to proposals using catalog pricing.)

The proposal will be based on manufacturer's latest dated price list(s). Said price list(s) must denote the manufacturer, latest effective date and price schedule.

Respondents shall be responsible for providing one copy of the manufacturer's catalog for each manufacturer for which a proposal is submitted. Respondent shall provide said catalog at the time of submission of its proposal. Manufacturers' catalogs may be submitted in any of the following formats: paper copy or CD ROM for proposals submitted on paper, or PDF file for proposals submitted electronically.

Respondents may submit price lists other than the manufacturer's price list. Said price list(s) must denote the company name, effective date and price schedule. These price lists are subject to approval of City's Finance Department, Purchasing Division.

Specified items identified herein, if any, are for overall proposal evaluation and represent the commonly and most used items. Net prices entered for those specified items must reflect the actual price derived from quoted price list less all discounts offered.

#### Restrictions on Communication.

Respondents are prohibited from communicating with: 1) City officials, as defined by §2-62 of the City Code of the City of San Antonio, regarding the RFCSP or proposals from the time the RFCSP has been released until the contract is posted for consideration as a City Council agenda item during a meeting designated as an A session; and 2) City employees from the time the RFCSP has been released until the contract is awarded. These restrictions extend to "thank you" letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFCSP and/or proposal submitted by Respondent. Violation of this provision by Respondent and/or its agent may lead to disqualification of Respondent's proposal from consideration.

Exceptions to the restrictions on communication with City employees include:

Respondents may ask verbal questions concerning this RFCSP at the Pre-Submittal Conference.

**Respondents may submit written questions, or objections to specifications, concerning this RFCSP to the Staff Contact Person listed on the Cover Page on or before 7 calendar days prior to the date proposals are due.** Questions received after the stated deadline will not be answered. Questions submitted and City's responses will be posted with this solicitation. All questions shall be sent by e-mail or through the portal.

Respondents may provide responses to questions asked of them by the Staff Contact Person after proposals are received and opened. The Staff Contact Person may request clarification to assist in evaluating Respondent's response. The information provided is not intended to change the proposal response in any fashion. Such additional information must be provided within two business days from City's request. Respondents may also respond to requests by the Staff Contact Person for best and final offers, which do allow respondents to change their proposals. Requests for best and final offers will be clearly designated as such. During interviews, if any, verbal questions and explanations will be permitted. If interviews are conducted, respondents shall not bring lobbyists. The City reserves the right to exclude any persons from interviews as it deems in its best interests.

Respondents and/or their agents are encouraged to contact the Small Business Office of the Economic Development Department for assistance or clarification with issues specifically related to the City's Small Business Economic Development Advocacy (SBEDA) Program policy and/or completion of the SBEDA form, if any. The point of contact is identified on the Cover Page. *This exception to the restriction on communication does not apply, and there is no contact permitted with the Small Business Office regarding this solicitation, after the solicitation closing date.* If this solicitation contains Affirmative Procurement Initiatives, it will be noted on the Cover Page.

If this solicitation contains DBE/ACDBE requirements, respondents and/or their agents may contact the City Department's DBE/ACDBE Liaison Officer for assistance or clarification with issues specifically related to the DBE/ACDBE policy and/or completion of the required form(s). Point of contact is Ms. Lisa Brice, who may be reached via telephone at (210) 207-3505 or through e-mail at [lisa.brice@sanantonio.gov](mailto:lisa.brice@sanantonio.gov). Respondents and/or their agents may contact Ms. Brice at any time prior to the due date for submission of proposals. Contacting her or her office regarding this RFCSP after the proposal due date is not permitted. If this solicitation contains DBE/ACDBE requirements, it will be noted on the Cover Page.

Respondents may contact the Vendor Support staff at (210) 207-0118 or by email at [vendors@sanantonio.gov](mailto:vendors@sanantonio.gov) for assistance with vendor registration and submitting electronic bids.

Upon completion of the evaluation process, Respondents shall receive a notification letter indicating the recommended firm, anticipated City Council agenda date, and a review of the solicitation process.

#### Pre-Submittal Conference.

If a Pre-Submittal Conference is scheduled, it will be held at the time and place noted on the Cover Page. Respondents are encouraged to prepare and submit their questions in writing in advance of the Pre-Submittal Conference in order to expedite the proceedings. City's responses to questions received by this due date may be distributed at the Pre-Submittal Conference and posted with this solicitation. Attendance at the Pre-Submittal Conference is optional, but highly encouraged. Site Tours, if any, will begin at the conclusion of the conference.

This meeting place is accessible to disabled persons. Call the Staff Contact Person for information on the location of the wheelchair accessible entrance, or to request an interpreter for the deaf. Interpreters for the deaf must be requested at least 48 hours prior to the meeting. For other assistance, call (210) 207-7245 Voice/TTY.

**Conference access to the meeting can be achieved by dialing: TOLL FREE (855) 850-2672 and entering the Access Code 993 889 309.**

Any oral response given at the Pre-Submittal Conference that is not confirmed in writing and posted with this solicitation shall not be official or binding on the City.

#### Changes to RFCSP.

Changes to this RFCSP made prior to the due date for proposals shall be made directly to the original RFCSP. Changes are captured by creating a replacement version each time the RFCSP is changed. It is Respondent's responsibility to check for new versions until the proposal due date. City will assume that all proposals received are based on the final version of the RFCSP as it exists on the day proposals are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFCSP.

#### Preparation of Proposals.

All information required by the RFCSP must be furnished or the proposal may be deemed non-responsive and rejected. Any ambiguity in the proposal as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

**Proposal Format.** Each proposal shall be typewritten, single spaced on 8 ½" x 11" white paper. If submitting a hard copy, place proposal inside a three ring binder or other securely bound fashion. The use of recycled paper and materials is encouraged. Unnecessarily elaborate brochures, artwork, bindings, visual aids, expensive paper or other materials beyond that sufficient to present a complete and effective submission are not required. Font size shall be no less than 12-point type. All pages shall be numbered and printed two-sided. Margins shall be no less than 1" around the perimeter of each page. A proposal response to the RFCSP General Information Form may not exceed 10 pages in length. Websites or URLs shall not be submitted in lieu of the printed proposal or electronic submission through City's portal. **ORIGINAL and/or ELECTRONIC** proposals must include ALL the sections and attachments in the sequence listed in the RFCSP, Section 003 - Instructions to Respondents Part B - Submission Requirements, and each section and attachment must be indexed and, for hard copy submissions, be divided by tabs, and indexed in a Table of Contents page. For electronic submissions, whether through the portal, or on a CD/flash drive, each separate section should be attached as a separate file. Failure to meet the above conditions may result in disqualification of the submission or may negatively affect scoring.

**Correct Legal Name.** If Respondent is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the proposal may be rejected.

**Line Item Proposals.** Any proposal that is considered for award by each unit or line item must include a price for each unit or line item for which Respondent wishes to be considered. All proposals are awarded on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

All or None Bid. Any proposal that is considered for award on an "all or none" basis must include a price for all units or line items. In an "All or None" bid, a unit price left blank shall result in the proposal being deemed nonresponsive and disqualified from consideration. An "All or None" bid is one in which City will award the entire contract to one respondent only. City reserves the right to delete line items prior to award.

Delivery Dates. Proposed days for delivery must be shown in the proposal where required and shall include weekends and holidays, unless specified otherwise in this RFCSP. Proposed delivery times must be specific. Phrases such as "as required", "as soon as possible" or "prompt" may result in disqualification of the proposal. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Respondents must not include such taxes in proposal prices. An exemption certificate will be signed by City where applicable upon request by Respondent after contract award.

Description of Supplies.

Any brand names, catalog or manufacturer's reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate quality and capability desired.

Proposals submitted for comparable items must clearly identify the proposed product, model, and type, as applicable, and shall include manufacturer specification sheet(s) for each proposed item with proposal response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit City to determine the item's suitability and compliance with proposal specifications. City shall be the sole judge of equality and suitability of comparable items.

Pro-rata adjustments to packaging and pricing may be allowed at the sole discretion of City.

Samples, Demonstrations and Pre-award Testing. If requested by City, Respondent shall provide product samples, demonstrations, and/or testing of items proposed to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within 7 calendar days of City's request. Failure to comply with City's request may result in rejection of a proposal. All samples (including return thereof), demonstrations, and/or testing shall be at Respondent's expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

Estimated Quantities for Annual Contracts.

Designation as an "annual" contract is found in the contract's title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Respondents shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Respondents shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this RFCSP. No plea of ignorance by Respondent will be accepted as a basis for varying the requirements of City or the compensation to Respondent.

Confidential or Proprietary Information. All proposals become the property of City upon receipt and will not be returned. Any information deemed to be confidential by Respondent should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Respondent may not be considered confidential under Texas law, or pursuant to a Court order.

#### Interlocal Participation.

City may engage in cooperative purchasing with other governmental entities or governmental cooperatives ("Entity" or "Entities") to enhance City's purchasing power. At City's sole discretion and option, City may inform other Entities that they may acquire items listed in this RFCSP. If this contract will be subject to cooperative purchasing, such fact will be indicated in the Supplemental Terms and Conditions portion of this RFCSP. Such acquisition(s) shall be at the prices stated in the proposal, and shall be subject to Respondent's acceptance. Entities desiring to acquire items listed in this RFCSP shall be listed on a rider attached hereto, if known at the time of issuance of the RFCSP. City may issue subsequent riders after contract award setting forth additional Entities desiring to utilize this proposal.

Respondent must sign and submit the rider, if attached to this RFCSP, with its proposal, indicating whether Respondent wishes to allow other Entities to use its proposal. Respondent shall sign and return any subsequently issued riders within ten calendar days of receipt. Respondent's decision on whether to allow other Entities to use the proposal shall not be a factor in awarding this RFCSP.

Costs of Proposing. Respondent shall bear any and all costs that are associated with the preparation of the Proposal, attendance at the Pre-Submittal conference, if any, or during any phase of the selection process.

#### Rejection of Proposals.

City may reject any and all proposals, in whole or in part, cancel the RFCSP and reissue the solicitation. City may reject a proposal if:

Respondent misstates or conceals any material fact in the proposal; or

The proposal does not strictly conform to law or the requirements of the solicitation;

The proposal is conditional; or

Any other reason that would lead City to believe that the proposal is non-responsive or Respondent is not responsible.

City, in its sole discretion, may also waive any minor informalities or irregularities in any proposal, such as failure to submit sufficient proposal copies, failure to submit literature or similar attachments, or business affiliation information.

Variances and Exceptions to Proposal Terms. In order to comply with State law, respondents must submit proposals on the same material terms and conditions. Proposals that contain material variances or exceptions to the terms and conditions, including additional terms and conditions, will be rejected.

Changes to Proposal Form. Proposals must be submitted on the forms furnished, where forms are provided. Proposals that change the format or content of City's RFCSP will be rejected.

Withdrawal of Proposals. Proposals may be withdrawn prior to the due date for submission. Written notice of withdrawal shall be provided to the City Clerk for proposals submitted in hard copy. Proposals submitted electronically may be withdrawn electronically.

Proposal Opening. Proposals will be opened publicly and the names of the respondents read aloud at 2:30 P.M. on the day the proposals are due. Proposal openings are held at the Finance Department, Purchasing Division, Riverview Tower, 11<sup>th</sup> floor, 111 Soledad, Suite 1100, San Antonio, Texas 78205. However, in accordance with state law, the contents will not be revealed until after the contract is awarded.

#### Evaluation and Award of Contract.

Per Section §252.043 of the Texas Local Government Code, the contract will be awarded to the responsible offeror whose proposal is determined to be the most advantageous to City, considering the relative importance of price and the other evaluation factors included in this RFCSP.

City reserves the right to make an award on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

A written award of acceptance (manifested by a City Ordinance) and Purchase Order furnished to Respondent results in a binding contract without further action by either party. City shall not be liable for any costs, claims, fees, expenses, damages or lost profits if no Purchase Order is issued.

City reserves the right to utilize historical usage data as a basis for evaluation of proposals when future usages are unable to be determined.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

#### Inspection of Facilities/Equipment.

Depending on the nature of the RFCSP, Respondent's facilities and equipment may be a determining factor in making the proposal award. All respondents may be subject to inspection of their facilities and equipment.

Prospective respondents must prove beyond any doubt to the City that they are qualified and capable of performing the contract's requirements.

#### Prompt Payment Discount.

Provided Respondent meets the requirements stated herein, City shall take Respondent's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the proposal price, either per line item or total proposal amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in proposal evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the proposal price during proposal evaluation, and City will take the 2% discount if the invoice is paid within the 10 day time period.

#### Prohibited Financial Interest.

The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any contract with City or any City agency such as City-owned utilities. An officer or employee has a "prohibited financial interest" in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: the City officer or employee; his parent, child or spouse; a business entity in which he or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; or a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

Unfair Advancement of Private Interests. Pricing and discounts contained in this contract are for use by City departments conducting City business. City employees may not use their positions to obtain special treatment or prices that are not available to the general public.

#### State of Texas Conflict of Interest.

Questionnaire (Form CIQ). Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed Form CIQ with the City Clerk if those persons meet the requirements under §176.006(a) of the statute.

By law this questionnaire must be filed with the City Clerk not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Texas Local Government Code.

City shall provide Vendor advance written notice if such occasion arises.

Acceptance of Vendor's bid for the purposes of award of a temporary contract does not constitute award of the full contract with the Original Contract Term.
