

**CITY OF SAN ANTONIO
GOVERNMENT & PUBLIC AFFAIRS DEPARTMENT
MEMORANDUM**

TO: Intergovernmental Relations Council Committee

FROM: Jeff Coyle, Director of Government & Public Affairs

SUBJECT: Briefing on federal legislative priorities from Toyota and Southwest Research Institute

DATE: December 8, 2017

During the October 30, 2017 Intergovernmental Relations (IGR) Council Committee meeting, committee members received a briefing on collaboration between the City and community partners, including major employers, regarding federal priorities.

In developing the Federal Legislative Program, GPA requests input on priority issues from all City departments as well as local public partners and major employers such as USAA, Valero, HEB, AT&T, Toyota and others. Additionally, GPA conducts ongoing collaboration with public and private partners, including hosting a regular intergovernmental relations “roundtable” with San Antonio stakeholders.

The IGR Committee expressed an interest in regular engagement from major employers and other partners during IGR Committee meetings, to encourage continued collaboration and discussion of shared priorities. During the IGR Committee meeting on December 13, government affairs representatives with Toyota and Southwest Research Institute will provide an overview to the IGR Committee of their key legislative priorities.
