

**CITY OF SAN ANTONIO
OFFICE OF THE CITY CLERK
GOVERNANCE CITY COUNCIL COMMITTEE**

TO: Mayor Ron Nirenberg, Chair
Councilmember Roberto C. Treviño
Councilmember Rebecca J. Viagran
Councilmember Rey Saldaña
Councilmember Ana E. Sandoval

FROM: Leticia M. Vacek, City Clerk, TRMC/CMC/MMC

SUBJECT: Consideration of Applicants to San Antonio Water System Board of Trustees (3 slots)

DATE: February 28, 2018

SUMMARY:

The Governance City Council Committee will review the following three candidates for appointment to the San Antonio Water System Board of Trustees for the remainder of unexpired terms of office to expire May 31, 2021:

| <i>First</i> | <i>MI</i> | <i>Last</i> | <i>Quadrant</i> | <i>CD</i> | <i>Appt/Reappt</i> |

| <i>Amy</i> | | <i>Hardberger</i> | <i>SW</i> | <i>7</i> | <i>Appointment</i> |
| <i>Eduardo</i> | <i>J.</i> | <i>Parra Pirela</i> | <i>NW</i> | <i>8</i> | <i>Appointment</i> |
| <i>David</i> | <i>P.</i> | <i>McGee</i> | <i>NE</i> | <i>8</i> | <i>Reappointment</i> |

BACKGROUND INFORMATION:

On April 30, 1992, the City Council created the San Antonio Water System by Ordinance 75686. Section 32 prescribes management of the System by a board of trustees, which includes the Mayor as an ex-officio member. Paragraph D provides that all vacancies on the board shall be filled by majority vote of all members of the City Council then holding office.

The San Antonio Water System Board of Trustees is vested with the complete management, control and operation of the Water System. The Board controls the expenditure and application of the revenues of the System, and makes recommendations to the City Council concerning rates, fees, and changes for services rendered by the System. Members serve a 4-year term of office, and are limited to serving 2 terms.

Per Ordinance 87010 paragraph 4 denotes Trustees are required to be U.S. citizens and reside inside the corporate limits of the City or inside the area served by the system.

ISSUE:

Consideration of appointments to the Southwest, Northwest, and Northeast Quadrants of the city.

FISCAL IMPACT:

There is no fiscal impact.

RECOMMENDATION:

The recommendation of the Governance City Council Committee will be presented to the full City Council on March 8, 2018.

City of San Antonio Boards and Commissions

2/22/2018 1:48:41PM

San Antonio Water System Board of Trustees (SAWS)

The San Antonio Water System (SAWS) Board of Trustees is comprised of six (6) members appointed by the City Council for staggered terms of four (4) years, and one (1) ex-officio member filled by the Mayor of the City of San Antonio. Each of the six (6) members represents a certain sector of the City. Members of the Board must be citizens of the United States and must either reside inside the corporate limits of the City or inside the area served by the System. Members of the Board shall receive annual compensation in the amount of \$2,500 (except the Mayor).

The Board is vested with the complete management, control, and operation of the Water System and controls the expenditure and application of the revenues of the System. The Board determines the rates, fees, and charges for services to be rendered by SAWS.

Regular Board Meetings are held once a month, usually on the first Tuesday at 9:00 AM at the San Antonio Water System Offices, 2800 US Highway 281 North. The Board's Policy and Planning Meeting is also held once a month, usually two weeks prior to a Regular Board Meeting, at 12:30 PM. For more information, please go to http://saws.org/who_we_are/board/.

Term: Four Years Staggered

| Have you had any convictions of criminal offenses other than parking or traffic tickets? | No |
| Describe your Educational history. | BA - Earlham College 1994 MS - UTSA 2001 JD - Texas Tech School of Law 2005 |
| Describe your Professional History & Certification designations (Current and historical). | I am currently the Associate Dean for the School of Law and a Professor at St. Marys School of Law. My classes include Property, Land Use Planning and Water Law. My areas of research are Groundwater Law, Municipal Water Conservation, Energy/Water Nexus, Water Valuation and the Human Right to Water. Before joining St. Marys, I worked with the Texas Office of Environmental Defense Fund where I worked with both the Energy and Water |

| | |
|--|--|
| | <p>Programs on state and national policy initiatives regarding water conservation, energy/water nexus, and regional water planning. Prior to joining EDF, I completed a judicial clerkship with the Honorable William Wayne Justice of the Western District of Texas. Before law school, I completed my Masters in Geology and worked as an environmental consultant involved in the remediation of closed Air Force bases around the United States. I am a member of the State Bar of Texas and the Western District of Texas, and a professional registered geologist in the state of Texas.</p> |
| <p>Describe your Volunteer Experience & Community Service</p> | <p>In addition to my current board and commission work listed above I have volunteered extensively with sexual assault survivors as a hospital advocate. In that role, I accompanied a survivor through the sexual assault examination. I am also a former board member of the Greater Edwards Aquifer Alliance and the Rape Crisis Center and a member of the SAWS CCC.</p> |
| <p>Please provide a brief narrative outlining your reasons for seeking</p> | <p>As a water attorney and a San Antonio native, I spend a lot of time thinking about our local</p> |

| | |
|--|--|
| appointment to this board or commission: | water issues. I am very passionate about the ability of San Antonio to have a sustainable water supply that balances our city's needs while still considering the needs of surrounding communities and the natural environment. My most recent academic writings focused on municipal water pricing and cost-stable water utility models. I have worked with and around SAWS for many years and realize the challenges they face every day. I would love the opportunity to be of service to my community in a way that also relates to my field of study. |
| APPLICATION SIGN-OFF | |
| As a board, commission, or committee member, you will be asked to adhere to: Code of Ordinances, City of San Antonio, Part II, Chapter 2, Article IX, Sec.2-534. All board and commission members must file a Financial Disclosure Report with the Office of the City Clerk upon appointment, and annually thereafter, throughout the member's term. Failure to file a Financial Disclosure Report within the time required by the City's Ethics Code will be considered an automatic removal. | |

I understand that if any member of the public makes a request for information included in this Application for Appointment, most of the information must be disclosed under the Public Information Act. I understand that the City of San Antonio will attempt to maintain the confidentiality of highly private matters by seeking an Attorney General's opinion in accordance with the Public Information Act. I understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of San Antonio, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act or any other law requiring its release.

Acknowledged

I recognize that I am an applicant for San Antonio Water System Board of Trustees (SAWS)~Other~Southwest Quadrant~06, as a City of San Antonio board or commission that is more than advisory in nature. As a city officer, I understand that I, my immediate family members, and any business in which I and/or they hold a 10% or greater ownership interest will be prohibited from seeking or accepting contracts with the city for the duration of my service on this

Acknowledged

Amy Hardberger, J.D., P.G.

Education

Juris Doctor, *cum laude* 2005

Texas Tech University School of Law, Lubbock, TX

- Law and Science Certification – Environmental Law
- Texas Tech Law Review, Comment Editor - 2003-2005
- Texas Tech Board of Barristers 2003-2004

M.S. in Geology, 2001

University of Texas at San Antonio, San Antonio, TX

B.A. in Geology, 1994

Earlham College, Richmond, IN

Professional Experience

Associate Dean

June 2016-Present

St. Mary's University School of Law

- Managed day-to-day operations of school with 1,000 faculty, staff & students
- Drafted new policies and procedures to increase efficiency across school
- Created class schedule for academic year
- Supervised 7 staff and 50 adjunct professors

Professor

Aug. 2012-May 2016

St. Mary's University School of Law

- Prepared and taught Property Law (5 hours)
- Prepared and taught Environmental Law (3 hours)
- Prepared and taught Land Use Planning (3 hours)
- Prepared and taught Texas Environmental Law (2 hours)
- Prepared and taught Water Law (3 hours)

Visiting Professor

Jan. 2011-May 2012

Texas Tech School of Law

- Prepared and taught Land Use Planning course (3 hours)
- Prepared and taught International Water Law seminar (2 hours)
- Prepared and taught Water Law course (3 hours)
- Created, prepared and taught Texas Environmental Law course (3 hours)
- Supervised student independent study (2 hours)

Attorney

Oct. 2006-Oct. 2012

Environmental Defense Fund

- National co-leader for the National Petroleum Council Environmental and Regulatory Section Study
- Created and authored blog on Texas water policy www.edf.org/texaswatersolutions
- Team leader for EDF Energy Program, Energy-Water Nexus
- Managed Texas Ogallala terrestrial sequestration project

- Led EDF partnership with cities and interfaced with Texas state agencies on municipal water conservation policies
- Authored policy reports on water conservation and energy/water nexus
- Lead organization's efforts to stop authorization of TXU Energy's proposed coal plants

Federal Judicial Clerk

Aug. 2005-Aug. 2006

Honorable William Wayne Justice, Eastern District, Austin, TX

- Managed half of docket with approximately 250 criminal and sixty civil actions
- Researched legal issues and drafted orders for federal actions including Title VII, 42 U.S.C. § 1983 and Bankruptcy
- Prepared briefings for criminal sentencing objections using case law and the United States Sentencing Guidelines

Legal Intern

July 2004-Aug. 2004

International Boundary and Water Commission, United States Section

Department of State, El Paso, TX

- Prepared agency record of decision response letters to U.S. Congressmen and agencies
- Examined water appropriation alternatives for the federal Rio Grande Canalization Project
- Represented the legal department in community stakeholder meetings

Environmental Consultant

Nov. 2000-May 2002

Universe Technologies, Inc., Kelly AFB, TX

- Provided technical and management support to the Air Force Base Conversion Agency ("AFBCA") and the Air Force Center for Environmental Excellence ("AFCEE") at Kelly AFB
- Conducted document reviews, cost estimates, and project management including compliance review of all environmental guidelines related to base closure

Project Manager, Western United States

Oct. 1998-Nov. 2000

Universe Technologies, Inc. San Antonio, TX

- Provided project management and technical oversight of Remedial Investigations, Feasibility Studies, Remedial Action, and Environmental Baseline Studies.
- Managed six AFCEE remediation programs totaling over one million dollars in funding.
- Supervised six technical staff members that provided multi-year support in the development of environmental projects in support of Air Force and regulatory objectives
- Served as central point of contact for AFCEE, AFBCA, regulatory agencies, and contractors at Carswell AFB, Naval Air Station Fort Worth, and Air Force Plant 4

RÉSUMÉ

Mr. Parra is a civil engineer with 18 years of experience managing or providing key input to municipal and private infrastructure and development projects. He is very keen at selecting the right team for each project always analyzing the level of difficulty and available budget of each while providing a very personalized service to his clients. Mr. Parra provides overall supervision of each of the design team groups, usually including: architectural, civil, structural, mechanical, electrical, plumbing, permitting, Geotech, surveying as well as coordination with the contractor during construction. Mr. Parra has always made an emphasis on implementation of governmental infrastructure projects in an affordable and timely manner. During his career, he has served as engineer-of-record and engineer-in-responsible charge for the design and construction of water and wastewater utility projects, disaster recovery and preparedness efforts, transit projects, stormwater / drainage / flood control projects, civil and coastal engineering, as well as Energy related projects, both in the U.S. and abroad.

WORK HISTORY

CEO / PRINCIPAL ENGINEER – PARRA & CO - 2016 TO PRESENT; SAN ANTONIO, TX. USA

Mr. Parra is the CEO and co-founder of Parra & Co., LLC a woman-owned, emerging small business in South Texas. Parra & Co is an engineering concierge to its clients, providing tailored consulting engineering solutions with a strong emphasis on project management and client service. Mr. Parra also serves as the Principal Engineer of the firm. As CEO, he has shared responsibility for creating and planning the strategic direction of the firm as well as overall responsibility for implementation and integration of it. As the Principal Engineer, he has overall responsibility for every consulting engineering work product in the areas of Water, Utilities, Land Development, Energy, Transit and Transportation that the firm produces.

Parra & Co currently serves municipal clients, transit agencies, private developers, and architects in Texas. Its main office is located at the historical Rand Building in downtown San Antonio, a block from Municipal Plaza. To better serve clients in South Texas, the firm has also a project office in Laredo, on McPherson Road near Jacaman Road.

Parra & Co is a Texas Board of Professional Engineers Registered Firm number . The firm has been certified by the State of Texas as a Historically Underutilized Business (HUB) and by the South Central Regional Certification Agency as a Women Business Enterprise (WBE), Emergent Small Business Enterprise (ESBE), Small Business Enterprise (SBE), Minority Business Enterprise (MBE), and Hispanic American Business Enterprise (HABE).

PRINCIPAL ENGINEER – CDM SMITH –2005 TO 2015; HOUSTON, TX – MANDEVILLE, LA – SAN ANTONIO, TX. USA

Mr. Parra served as a Principal Engineer to Boston's based consulting firm CDM Smith in San Antonio. Prior to that he was a Project Manager in Mandeville, LA and Project Engineer in Houston, TX. During his tenure with the firm, Mr. Parra oversaw business development and operations in South Texas. He was responsible for \$5MM+ of Engineering Portfolio, encompassing Water, Transportation, Energy, and Facilities. His duties extended to business development, client service, and overall project performance. For three years, he also assisted with government relations for more than ten Governor offices throughout the United States.

Mr. Parra also served as one of eight members of CDM Smith's Sustainability Delivery Team from 2007 to 2010 in charge of the Civil Engineering-Sustainability Discipline, where he coordinated research about green stormwater infrastructure, rain gardens, and pervious pavement. Mr. Parra was also part of the Emergent Leaders Program of CDM Smith, where he worked hand in hand with the Executive Leadership of the firm planning how to create and implement new corporate policies to remain as the employer of choice.

During his time in Louisiana, Mr. Parra served as a Deputy Project Manager assisting the community of St Tammany Parish in recovering from the destruction that Hurricane Katrina left in 2005. For almost three years, in a \$20+ million recovery effort, Mr. Parra managed two disaster recovery field offices, while training and supervising a team of ten people on the structural, legal, ticketing/invoicing, and customer service departments while collaborating with the field staff of 150+ monitors. Mr. Parra's team was able to help the community by processing nearly 5000 applications for debris removal, over 500 for home demolitions, and more than 3000 notices for blighted houses. Mr. Parra also served as the liaison between the municipal client and regulatory & funding agencies, including FEMA and the State of Louisiana.

RÉSUMÉ

PRIOR WORK HISTORY

- + 2002 to 2005 – Project Manager – INSALCA – Maracaibo, ZU. Venezuela
- + 2001 to 2002 – Graduate Engineer II – CDM Smith (formerly Camp, Dresser & McKee) - Houston, TX. USA
- + 2001 to 2001 – Graduate Engineer II – CABE Associates – Dover, DE. USA
- + 1997 to 1998 – Civil Engineer – INSALCA – Maracaibo, ZU. Venezuela

VOLUNTEER EXPERIENCE

- + 2009 to Present – Energy & Sustainability Committee Member of the Greater San Antonio Chamber of Commerce
- + 2014 to Present – Board Member – The Opera San Antonio
- + 2015 to Present – Board of Trustees – The World Affairs Council of San Antonio
- + 2017 to Present – Board of Directors – Brackenridge Park Conservancy
- + 2010 to 2015 – Board Member & Member of the Architectural Committee – Eagles' Bluff Home Owners Association
- + 2009 to 2011 – Board Member – U.S. Green Building Council (USGBC) Texas Balcones Chapter

ACADEMIA

- + **Assistant Professor, Instituto Universitario de Tecnología Maracaibo - IUTM (Maracaibo, ZU. Venezuela)** Mr. Parra taught courses of Fluid Mechanics, Water Distribution, Sewer, and Drainage Systems in the Civil Construction Department. He also was the Coordinator of the group for Technological Improvement and member of the Institutional Evaluation Team. Mr. Parra also directed research about Visualization of Turbulent and Laminar Flow using ink traces.
- + **Assistant Professor, Universidad José Gregorio Hernández - UJGH (Maracaibo, ZU. Venezuela)** Mr. Parra taught courses of Mathematics I, II, and Geometry for the Engineering Department.
- + **Research Assistant, Department of Civil Engineering, The Pennsylvania State University (State College, PA. USA)** Mr. Parra proved by the use of scientific lab experiments the relationship between the mixing efficiency in stirring stratified flows and the Overall Richardson Number. He also participated at the 53rd annual meeting of the American Physical Society, Fluid Dynamic Division.
- + **Instructor, Politécnico Santiago Mariño (Maracaibo, ZU. Venezuela)** Mr. Parra taught Fluid Mechanics, Static Mechanics, and Mechanics of Solids.

EDUCATION

- + **The Pennsylvania State University, State College, PA, USA — M.S. Civil Engineering, 2001** (World Bank Sponsorship; Graduate Student Representative of the Society of Hispanic Professional Engineers - SHPE).
- + **RICE University, Houston, TX (USA) — English as a Second Language Program (ESL), 1999**
- + **Universidad Rafael Urdaneta, Maracaibo, ZU (Venezuela) - B.S. Civil Engineering, 1997** (Top 10 percentile of graduating class, completing a five-year program in four years, Teacher Assistant of Fluid Mechanics).
