FINDINGS:

- a. The applicant has proposed to change the name of Rio Grande Street, bordered roughly by Larry Street and Martin Luther King Drive, to Mel Waiters Way. Rio Grande Street is located on San Antonio's Eastside in the Arena District neighborhood. The street is not a primary arterial, but connects directly to Commerce Street, which is a key thoroughfare in the area. It is located in the City's original thirty-six square mile boundary, but not in a historic district. The street is one of San Antonio's oldest, with an established date sometime prior to 1884, which was the year it was renamed to Rio Grande. No evidence has been found that defines the historic significance of the name Rio Grande to this specific street location.
- b. The street's proposed name change to Mel Waiters Way is culturally appropriate. Mel Waiters, a prominent Southern soul blues singer, was born on the East Side of San Antonio in 1956. He was raised in the East Terrace Courts off of Rio Grande St, worshipped at Jacobs Chapel United Methodist Church, and graduated from Highlands High School. After releasing several notable tracks, he created a San Antonio based record label called Brittney Records, to which he signed several local and independent acts. He passed away on May 28, 2015. Waiters' contribution to music brings attention to both the community in which he grew up as well as to San Antonio.
- c. The applicant has met and complied with all street name change requirements as outlined in UDC Sections 6-674, 6-675, and 6-676.

RECOMMENDATION:

Staff recommends approval based on findings a through c.

Issue Proposed for Consideration

I ask for your support for the inclusion of the following item on the agenda of the earliest available meeting of the Governance Committee:

As the result of a petition submitted by over 1,000 residents, family and fans, Neighborhoods First Alliance and San Antonio Community Radio, I respectfully request for City Staff to begin the public process of renaming N. Rio Grande and S. Rio Grande bounded by Larry Street to the north and Martin Luther King Drive to the south to Mel Waiters Way.

Brief Background

Being the site of many of the earliest African-American neighborhoods in San Antonio, the Eastside exhibits the human creative and cultural brilliance in both tradition and history. Perhaps most notably is the love and appreciation for the musical arts. Generations of Eastside natives are bound together by the sounds of Rhythm and Blues, Jazz, Gospel, Soul and Hip-Hop. With the changing demographics of the Eastside, it is imperative that we recognize and memorialize native artists, such as Mel Waiters, and his musical contributions known around the world.

Raised by his grandparents Samuel and Vivian Waiters in the East Terrace Courts off of Rio Grande Street, he found love for music in the youth choir, worshiping at Jacobs Chapel United Methodist Church, and later a proud graduate of Highlands High School.

He is perhaps best known for his hits 'Hole in the Wall' and 'I Got My Whiskey'. After blazing the charts with record label Malaco Records, Mel launched San Antonio based record label, Brittney Records, signing several local acts and independently releasing music. In addition to his accomplishments and work, Mel was able to achieve his dream of performing at the world-famous Carnegie Hall in New York City.

COUNCIL CONSIDERATION REQUEST**

He gave back to his community by supporting and donating his time to local non-profits such as the Eastside Economic Development Council, Take Pride in the Eastside Festival, Davis Scott YMCA, and countless more. Mel Waiters was a role model to youth by sharing his musical passion at talent shows, teen clubs, and with aspiring groups. He also supported our troops by providing entertainment for soldiers of the U.S. Military at Ft. Sam Houston and abroad.
