This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

The San Antonio Fire Department is requiring the purchase of Hurst Extrication Tools. These tools are commonly referred to as the "Jaws of Life". These tools are used during emergency responses for extrication. Vehicle extrication is the process of removing a vehicle from around a person who has been involved in a motor vehicle accident, when conventional means of exit are impossible or inadvisable. The Fire Tool and Equipment Committee has tested and endorsed the use of this brand of rescue equipment in the San Antonio Fire Department.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with MES, Inc which will cost approximately \$ 188,965.00.
