PETITION FOR VOLUNTARY ANNEXATION

TO THE CITY OF SAN ANTONIO

PURSUANT TO SECTION 43.0671 OF THE TEXAS LOCAL GOVERNMENT CODE

The undersigned, being the owner (hereinafter, the "Property Owner"), in fee simple, of approximately six (6) acres of property, described in **Exhibit "A,"** by the attached metes and bounds and survey map (hereinafter, the "Subject Property"), submits this "Petition," by its signature below, to the City of San Antonio ("City"), for the full purpose, voluntary annexation of the Subject Property, into the City's corporate limits, in accordance with the provisions of the City Charter and Chapter 43 of the Texas Local Government Code (*see Exhibit "B"* for Exhibits of the Subject Property; *see Exhibit "C"* for Deed; *see Exhibit "D"* for Secretary of State Information).

Specifically, the Property Owner submits this Petition, pursuant to Section 43.0671 of the Texas Local Government Code, whereby the City (a "Tier 2 Municipality") has the authority to annex an area if each owner of land in the area requests the annexation. The Property Owner is the full and entire owner of the Subject Property and requests the City's annexation of the Subject Property, in accordance with Section 43.0671 of the Texas Local Government Code. Additionally, the Subject Property meets the statutory requirements for full purpose annexation, by the City, as it: (1) is within the City's extraterritorial jurisdiction; and (2) is adjacent and contiguous to the City's corporate limits. Further, pursuant to Section 43.016 of the Texas Local Government Code, if the Subject Property is determined to qualify for agricultural or wildlife management use or timber land, the Property Owner waives the requirement of the City to offer a development agreement or declines to make such agreement with the City (but, only in conjunction with the City's approval of this Petition).

The Subject Property is currently undeveloped and generally located at the northwest intersection of Galm Road and Culebra Road, in City Council District No. 6. The Property Owner would like to develop the Subject Property with an adjacent "14.9-Acre Tract," which is located within the City's corporate limits (*see Exhibit "E"* for Exhibits of the 14.9-Acre Tract). The "Overall Project" is a total of approximately 20.9 acres, including the Subject Property (*see Exhibit "F"* for Bexar County Appraisal District Information). In accordance with the Preliminary Overall Area Development Plan No. 433 (the "POADP," approved December 2, 1994), the Overall Project (including the Subject Property) will be developed for commercial uses (*see Exhibit "G"* for the POADP). A zoning application (Zoning Case No. 2018025) was submitted for the 14.9-Acre Tract (which, as mentioned above, is within the City's corporate limits) to rezone it from "R-6" (Residential Single-Family District with up to seven (7) units per acre) to "C-2" (Commercial District), with Zoning Commission consideration scheduled for December 19, 2017, and City Council consideration scheduled for January 18, 2018. Upon annexation of the Subject Property (and concurrently therewith), the Property Owner also requests the City (but, such request is not meant to make this Petition in any way contingent or conditional, such being unconditional and absolute) to provide "C-2" (Commercial District) zoning for the Subject Property, which is consistent with its intended land use and zoning for the 14.9-Acre Tract.

In other words, "C-2" (Commercial District) zoning is required for the commercial development of the Overall Project (including the Subject Property). Additionally, the proposed utility purveyors, of the Subject Property, are San Antonio Water System, CPS Energy (electric), and Grey Forest Utilities (gas), which are the same utility purveyors as the 14.9-Acre Tract. Therefore, in order for the Overall Project to be cohesive and provide the same City services and benefits to the entire commercial development, the Property Owner is requesting the City's full purpose, voluntary annexation of the Subject Property (with "C-2" (Commercial District) zoning).

The Property Owner requests that any correspondence regarding this Petition be forwarded to the Property Owner at the address noted on the subsequent signature page.
