

Drainage easements on Lord Road

(SP #2100)

May 3, 2018 City Council

- The owner, IDEA Public Schools petitioned the release of 15-foot wide drainage easement and the dedication of a replacement 15-foot wide drainage easement to correct erroneous location.
- The existing 48-inch drainage pipe for storm water runoff north of Lord Road was constructed by the City in the wrong location, *alongside* the drainage easement instead of *within* the drainage easement.
- City departments and utilities reviewed and approved the petitioner's request.
- No fiscal impact as an even trade in kind.
- Council District: 2
- Planning Commission will consider this request on April 11, 2018
- City Council: May 3, 2018
