In exchange for the use and occupancy of the Public Right-of-Way, HEB shall be required to pay the fees as set forth in this Agreement and shown in **EXHIBIT B**, which is attached to this License Agreement and made a part hereof for all purposes:

- (a) **Processing Fee.** HEB shall remit to the CITY a one-time processing fee of three thousand five hundred dollars (\$3,500.00) prior to final approval by the director.
- (b) **Right-of-Way Access Fees.**
- (1) The annual consideration amount for use of public Right-of-Way for the purpose of installing aerial and/or subterranean fiber optic and related communications facilities is based on the fair market value of the Right-of-Way used by HEB ("Right of Way Access Fee"). The licensed area must be as wide as HEB will reasonably need to maintain the licensed Facilities but not more than twenty (20) feet. The Chief Information/Technology Officer in his discretion may utilize internal staff or engage an independent professional consultant to conduct an appraisal of the Right-of-Way subject to this License Agreement, based on the appraised values of adjoining properties as assessed by the Bexar County Appraisal District. HEB will be responsible for paying the Right-of-Way appraisal separate from the processing fee. The Chief Information/Technology Officer has determined the fair market value based on a per-linear-foot basis of the Right-of-Way area associated with the HEB's network footprint. An annual escalation factor of four (4) percent has been applied to the consideration amount for year one in order to derive the consideration amount for years two (2) to ten (10) of the license term. At the discretion of the Chief Information/Technology Officer, the CITY may negotiate a discount off the total licensing fee in exchange for in-kind contributions of equivalent value. The Right-of-Way Access Fee has been determined according to the process above and is shown in **EXHIBIT B**.

The Chief Information/Technology Officer may require HEB to sign and deliver an agreement setting out the applicable license fee and conditions imposed by CITY departments and utility agencies. When reasonably conducive to the efficient use of the property on which Facilities are located, the Chief Information/Technology Officer may require HEB to relocate the Facilities, including all related equipment, at HEB'S expense.
- (3) Following termination of this License Agreement for any reason, HEB must remove or otherwise dispose of all Facilities at its' own expense within sixty (60) days. Failure to take this action will result in the Facilities being considered abandoned and the property of the CITY.
- (c) **Right-of-Way Access Fees Due Annually.** HEB shall remit the Right-of-Way access fees on an annual basis. First payment of the Right-of-Way Access Fee shall be due on the first day of the month after the date of execution of this Agreement by both parties and shall be due on the same date annually thereafter. Each payment shall be accompanied by a statement explaining that the payment is

made pursuant to this License Agreement.

Any such consent by the CITY shall not be unreasonably withheld.

SECTION 11. FUTURE CONTINGENCY

Notwithstanding anything contained in this License Agreement to the contrary, in the event that this License Agreement, in whole or in part, is declared or determined by a judicial, administrative or legislative authority exercising its jurisdiction to be excessive, unrecoverable, unenforceable, void, unlawful, or otherwise inapplicable, HEB and the CITY shall meet and negotiate an amended License Agreement that is in compliance with the authority's decision or enactment and, unless explicitly prohibited, the amended License Agreement shall provide the CITY with a level of compensation comparable to that set forth in this License Agreement.

SECTION 12. VENUE AND GOVERNING LAW

- (a) **VENUE OF ANY COURT ACTION BROUGHT DIRECTLY OR INDIRECTLY BY REASON OF THIS LICENSE AGREEMENT SHALL BE IN BEXAR COUNTY, TEXAS. THE PROVISIONS OF THE LICENSE AGREEMENT SHALL BE CONSTRUED UNDER, AND IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS, AND ALL OBLIGATIONS OF THE PARTIES CREATED HEREUNDER SHALL BE PERFORMED IN BEXAR COUNTY, TEXAS.**
- (b) This License Agreement shall be construed in accordance with the CITY Charter and Municipal Code(s) in effect on the date of passage of this License Agreement, and as may be subsequently amended, to the extent that such Charter and Code(s) are not in conflict with or in violation of the Constitution and laws of the United States or the State of Texas.

SECTION 13. LICENSE AGREEMENT VIOLATIONS AND TERMINATION

The Director shall have the right to declare this License Agreement terminated at any time for failure of HEB to comply with any term, condition, or provision of the License Agreement, including a challenge of this License Agreement, as further provided below.

- (c) The CITY may remove any of HEB's Facility that remain in or around Public Right-of-Way or CITY facility or property on or after the 61st day following HEB'S challenge without incurring liability for the removal.

- (f) HEB shall not be excused from complying with any of the terms and conditions of this License Agreement by the previous failure of the CITY to insist upon or seek compliance with such terms and conditions.

SECTION 14. NON-BINDING MEDIATION

- (a) Prior to filing suit, the parties to this License Agreement shall use non-binding mediation to resolve any controversy, claim or dispute arising under the License Agreement, expressly excluding disputes involving the applicability or effect of

superior laws, the constitutionality of any requirement in this License Agreement or the preemptive effect of federal law.

- (b) To initiate non-binding mediation, a Party shall give written notice to the other Party. In the mediation process, the Parties will try to resolve their differences voluntarily with the aid of an impartial mediator, who will attempt to facilitate negotiations. The mediator will be selected by agreement of the Parties. If the Parties cannot agree on a mediator, a mediator shall be designated by JAMS at the request of a Party. Any mediator so designated shall be acceptable to both Parties.
- (c) The mediation will be conducted as specified by the mediator and agreed upon by the Parties.
