City Council
City of San Antonio

Dear City Council Members:

Please accept this letter as acknowledgement that the Mahncke Park Neighborhood Association Board does not oppose the vacation of Brackenridge Avenue east of Tendick St. along with the vacation of a 12' alley way that runs off of Tendick St. between Brackenridge Avenue and Mulberry St.

Jarred Corbell the Project Manager representing PSW developers has worked with members of our board and community to ensure that this project meets our Neighborhood Design Guidelines. Additionally, the vacancies being requested do not represent any future hardships for the community as both are exceedingly short dead-end streets that currently terminate at the Fort Sam Houston Army Base fence line.

Sincerely.

Polly Hitchcock Noël
2018 MPNA Board President
