

N. Main at E. Evergreen Pride Crosswalk Cost

Transportation Planning & Operations Division

Background:

On August 2, 2017, the City Council Governance Committee approved the City Manager's Office recommendation to install a Pride-themed crosswalk at the intersection of N. Main Avenue and E. Evergreen Street as a pilot program.

- No other artistic crosswalks will be considered or included in the pilot program. The pilot results will be taken to the City Council Transportation Committee for future policy direction

Cost and Funding:

The existing crosswalks at the N. Main Avenue and E. Evergreen Street intersection are past their functional service life and need to be replaced. Therefore, the City of San Antonio will provide the replacement cost of a standard crosswalk (four total for the intersection) towards the installation of a rainbow-themed crosswalk. The privately raised funds will be used to fund added installation expenses from a greater striped area and the costs associated with color used in a rainbow-themed crosswalk.

Table 1 – Crosswalk Cost Differences

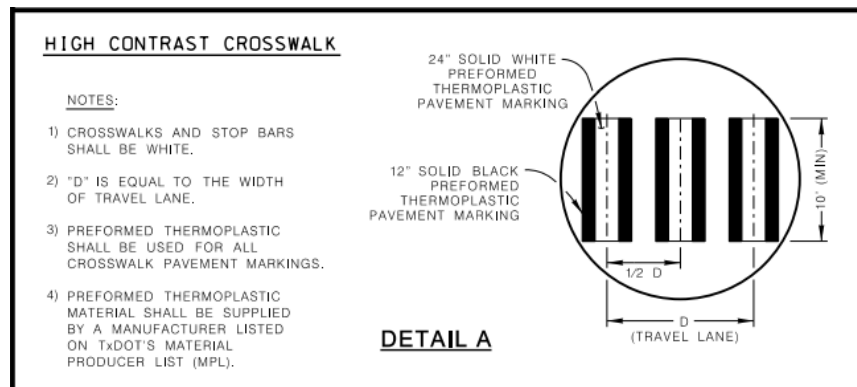

Crosswalk Type	Cost*
Pride-Theme (4)	\$32,501.04
CoSA Standard (4)	\$12,668.80
Difference to be Funded by Pride San Antonio	\$19,832.24

*Estimates using preformed thermoplastic pavement markings for N. Main Ave. at E. Evergreen St. intersection.

Table 2 – CoSA Standard Crosswalk Estimate
