# Chapter 3 (Airports) of the San Antonio Municipal Code

Sets forth the standards that all persons, businesses, and tenants conducting operations at San Antonio International Airport and Stinson Municipal Airport must abide by and provides the Aviation Department the authority to enforce these standards.

Since January 2011, the Department provides a comprehensive review every 2-3 years to ensure the document reflects current local, state and federal guidelines and is inclusive of the best practices and standards

# Proposed Revisions--General

- Clerical revisions for clarity and precision
- Updates language and policies to reflect current compliance with local, state and federal policies and regulations
- Captures enhancements and additional services offered since last revision, i.e.:
  - General Aviation Federal Inspection Station
  - Pet relief areas

General Aviation Federal Inspection Station

# Revises Language On 'Rideshare' (TNCs)

- New definitions (Sec. 3-17)
  - Geo-Fence
  - Transportation Network Company
  - Transportation Network Company Operator (Sec. 3-17)
- New Section added for TNC Airport Operations (Sec. 3-33)
- Revision to Sec. 180 that the Aviation Director may change the per trip fee amount for TNCs using the methodology approved in the Texas Administrative Code.

# Fee Structure

- Restructures guidelines for establishment of certain fees to allow sufficient pricing agility, based upon evolving market conditions, in order to meet City Council-approved revenue projections
  - Establishes parking rate parameters based upon a maximum amount, versus fixing rates for every time increment by ordinance
- Allows for graduated employee and tenant parking terms to allow optional 'purchase' of improved parking experience at a greatly reduced rate
- Adjusts fees for lost or unreturned security badges and electronic keys, missed appointments and various permitting charges commensurate with industry-standard rates
- Establishes option for limited public facility/meeting space rental at San Antonio International
