

PARKS & RECREATION
SAN ANTONIO

Funding Agreements with Municipal Golf -San Antonio

City Council

August 30, 2018

Parks and Recreation Department

BACKGROUND

Plant trees at
City-owned golf courses
managed by MGA-SA.

Continuing the
forestation plan which
began in 2014.

Forestation provides
environmental benefits
and enhances City-owned
golf courses.

Utilize the Tree Canopy
and Mitigation Funds.

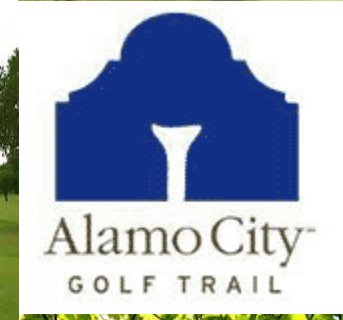

Northern Hills
Golf Course:
estimated 1,000 trees

Olmos Basin
Golf Course:
estimated additional
400 trees

FUNDING AGREEMENTS

- Tree Forestation targeting golf courses situated on public parkland
- Three (3) years, with two (2) one-year administrative extension periods
- Project supports tree purchase, installation, irrigation, maintenance and the tree establishment
 - Northern Hills Golf Course - \$850,000
 - Olmos Golf Course - \$320,000
