CHRISTOPHER P. ASHCRAFT

SUMMARY

A dynamic problem-solving leader with diverse professional experiences that have built proficiencies in leadership, consensus building, grassroots and elected official stakeholder advocacy development, executive level collaboration, regulatory analysis, knowledge of the energy industry, community involvement, and social responsibility.

PROFESSIONAL EXPERIENCE

South Texas Energy & Economic Roundtable (STEER), Vice President
San Antonio, TX, March 2013 – Present

- Work closely with the President and Board of Directors in establishing the sole South Texas focused oil and gas trade association that connects industry with community stakeholders, supports counties as an educational resource, and partners with government entities to ensure daily operations are not impeded.
- Assist the President in developing the following components needed to build STEER from a concept to a leading trade association: membership campaign, multimedia marketing plan, talent acquisition, educational programs, and stakeholder development with members of the community to grow industry advocates.
- Assist the President in the development of advocacy goals, strategic plans, and topic-focused committees.
- Monitor relevant emerging policy issues and strategize and advocate unified pro-industry responses to public policy, environmental, and social concerns.
- Develop and maintain relationships with key third-parties including environmental, media, tech, businesses, trade associations, and community organizations to support policy and industry goals.
- Work through the Chambers of Commerce to develop and support regional/national policies with other groups.
- Represent STEER in media interviews and present at conferences, town-halls, and educational workshops.
- Lead stakeholder efforts with elected officials in San Antonio, Austin, and South Texas to create advocates.
- Supported the President in growing membership by an additional 18 member companies and raising \$1.5 million in funding. STEER retained 100% member participation following the inaugural year for a total of 28 members.
- Developed our Stakeholder Relations, Water, Health Safety and Environment, Operations, and Millennial Committees comprised of the technical experts from 18 major oil and gas operators to advise STEER.
- Led a partnership between 7 national/international energy companies, a groundwater conservation district, a water research firm, and an educational institution to compile millions of dollars of industry water data in order to utilize science to develop water management practices and modeling for a region's future water supply.
- Design and implement an Oil & Gas education module for South Texas school districts to support education, promulgate community value, foster long term education and career goals, and create energy industry advocates.
- Assisted in the founding of the STEER Eagle Ford Excellence Awards to promote the industry's best practices in social investment, environmental stewardship, and safety performance in South Texas.

Alamo Area Council of Governments, Alternative Energy Transportation Manager and Clean Cities Coordinator
San Antonio, TX, August 2009 – February 2013

- Pioneered the establishment of the South Central Texas Natural Gas Vehicle Consortium (SCTNGVC), a 501(c)3 that became the leading regional organization for providing resources to decision makers on the use of natural gas in the transportation marketplace and the development of fueling infrastructure.
- Managed the US DOE Alamo Area Clean Cities Coalition (AACCC) comprised of 198 stakeholders with the mission to replace the consumption of foreign oil with domestic alternative fuel for American energy security.
- Led the SCTNGVC/AACCC strategic planning, staff management, budget management, website development, media outreach, event planning, and partnership development.
- Successfully created a public relations strategy for the SCTNGVC that established it as the lead organization, created positive media coverage, and resulted in outreach to over 355,000 people through media and events.
- Created successful partnerships with Austin Energy, Chesapeake Energy, CPS Energy, Pioneer Natural Resources, the City of San Antonio, and other organizations throughout Texas and North America in order to develop alternative fueling infrastructure for local and national fleets.
- Partnered in multiple efforts that led to over \$1 million in funding for various alternative fuel vehicle projects and wrote the successful CPS Energy grant application that was awarded funding by the Texas Commission on Environmental Quality to build a public natural gas fueling station in San Antonio, Texas.

- Joined with the San Antonio Clean Technology Forum and the University of Texas San Antonio (UTSA) in organizing the Eagle Ford Shale Forum II. Over 450 industry and government leaders attended and the event was aired on PBS KLRN as a one hour special across Texas.
- Founded the first Electrification of Transportation Conference and Car Show at the San Antonio Auto Show in partnership with the Auto Dealers Association, City of San Antonio, CPS Energy, Bexar County, and UTSA.

United States Environmental Protection Agency (EPA), Program Analyst / Associate Designated Federal Officer
Washington, D.C., April 2008 – July 2009

- Co-managed and formed the Farm, Ranch, and Rural Communities Federal Advisory Committee (FRRCC), which was comprised of 30 members with an annual budget of \$375,000.
- Managed the Livestock & Poultry, Climate Change & Renewable Energy, and the Emerging Issues FRRCC workgroups to facilitate the development of their advice for consideration by the EPA Administrator.
- Led strategic planning, membership activities, website maintenance, reporting and records management, and partnerships with EPA program offices, other government agencies, and non-governmental organizations.
- Facilitated the FRRCC in developing an advice letter on the EPA's draft Biofuel Strategy that resulted in significant modifications to the draft document as noted by the Administrator of the EPA.

United States Army, Medical Service Corps, First Lieutenant, Executive Officer and TAC Officer
San Antonio, TX, September 2006 – December 2007

- Served as second in command in the most diverse medical company in the 32nd Medical Brigade with an average census of 120 personnel and 700 annual students.
- Successfully planned, coordinated, and executed an organizational move to a new location while maintaining company operations with 100% accountability of over \$1.2 million dollars of equipment.
- Supervised the unit's operations section overseeing training schedules, weekly briefings, personnel in/out-processing, accountability of over \$1 million property, and all other personnel administrative issues.
- Assisted the commander in managing and planning administrative and training support for the Army Medical Department training of three master's degree producing programs, two Military Occupational Specialties, and seven additional skill identifier courses. Assumed duties of commander in her absence.
- Led coordination of unit training resulting in the improvement of overall training stats from 55% to 98% in a month period resulting in the highest completion percentage of training readiness at Fort Sam Houston.
- Created a digital in-processing informational packet that was provided to recruiting stations across the United States for incoming students, which saved money, resources, and time by preparing the students before arrival.

Jack Downey / Downey Associates LLC

Jack Downey has provided executive coaching to nonprofit executives on leadership, advocacy, board development, fund raising, capital campaigns, mergers and acquisitions and human resources. Clients have included The Gordon Hartman Family Foundation (Morgan's Wonderland), SA AIDS Foundation, ARTS San Antonio, The Children's Shelter, SA Youth Centers, Army Medical Museum Foundation, COIL, Boys & Girls Harbor, Briscoe Western Art Museum, San Antonio Symphony and San Antonio CAN! High School. Nationally, Jack has worked with the Child Welfare League of America and the Alliance for Children and Families on issues involving public policy, staff retention, and national conference planning.

Prior to entering the non-profit world, Jack served for 26 years in the U.S. Air Force where was a distinguished graduate of the Officer Training School, served as President of the Air Force Association World-Wide Junior Officer's Council and was a distinguished graduate of advanced military education. He was selected for accelerated promotion ahead of his peers in recognition of his outstanding performance. Jack holds numerous military decorations including the Legion of Merit, the Bronze Star, Meritorious Service Medal (6 oak leaf clusters), the Airman's Medal, the Vietnam Service Medal with four bronze stars and the Air Force Outstanding Unit Ribbon in every organization to which he was assigned.

Upon leaving the US Air Force, Jack rescued Christian Senior Services, a United Way nonprofit providing Meals-on-Wheels and Alzheimer's Daycare from imminent bankruptcy and closure, doubling the number of daily meals delivered and tripling the Alzheimer's care.

Jack then became the President/CEO of The Children's Shelter and grew the agency from an annual budget of less than \$300,000 to \$15 million and increased staff from 50 to 200+ while increasing services to thousands of at-risk children annually. Through Jack's guidance, The Children's Shelter grew from a single emergency shelter to a nationally-recognized nonprofit leader offering a full service continuum of care to at-risk children. Under the umbrella of The Children's Shelter, Jack incorporated three subsidiary organizations - "The Children's Shelter Foundation", a supporting organization of The Children's Shelter, "Girls Inc of San Antonio" a nonprofit dedicated to making young girls "strong, smart and bold", and "StepStone", a for-profit providing financial services to nonprofits.

Under his guidance, The Children's Shelter successfully undertook a \$14,700,000 capital campaign and built a twenty-four acre campus for offering a full-range of one-stop services to children and families.

Jack holds a Master of Science (Information Systems) from the University of Southern California. He holds the highest possible recognition for human resource professionals - the Senior Professional in Human Resources (SPHR) certification. He taught as an adjunct professor at the University of Texas-San Antonio teaching "Nonprofit Leadership and Management" in the Public Administration Graduate School.

Jack served as the President of the Bexar County Master Gardeners for the last three years. He has also served on the National Board of Directors of the Alliance for Children & Families and numerous committees with the Child Welfare League of America. He also served as Comptroller on the board of the Master Leadership Program Alumni Association. He is Past President of the Texas Alliance of Child and Family Services, the United Way Executive Directors Association and the American Humanics Board at the University of Texas-San Antonio. As a member of the Board of Trustees of Union College, he served on the Executive, Finance and Fundraising Committees.

He is the first recipient of the Texas Alliance "Lifetime Achievement Award" for his service to children and families. The San Antonio Police Department awarded him their highest civilian recognition – the "San Antonio Award" – for his service to the community. Jack was also recognized as a "Hometown Hero" by Time Warner Cable Company.

In recognition of his widespread service to his community Jack was inducted into the Union College "Business and Professional Hall of Fame".

HOME ADDRESS:

DATE AND PLACE OF BIRTH:

CITIZENSHIP: USA

MARITAL STATUS: Married; no children

EDUCATION:

1976-1977	Shands Teaching Hospital, Veterans Administration Hospital, Gainesville, Florida; pathology resident (AP-CP)
1971-1974	Shands Teaching Hospital, Veterans Administration Hospital, Gainesville, Florida; pathology resident (AP-CP)
1968-1971	University of Florida Medical School, Degree: MD
1961-1967	University of Paris, Faculte of Science and Faculte of Medicine, Graduate Studies, Applied Mathematics
1961	Lycee Leverrier, Saint-Lo, France, Degree: Baccalaureat (Mathematics Section) with honors

CERTIFICATION:

1982	American Board of Pathology (Blood Banking)
1978	Texas Medical License (registered in Bexar, Comal and Wichita counties)
1977	American Board of Pathology (Anatomic and Clinical Pathology)

1972 National Board of Medical Examiner Diplomate

ACADEMIC APPOINTMENTS:

2014-present	Adjunct Professor, Department of Pathology, University of Texas Center at San Antonio (UTHSA), San Antonio, Texas
1995-2014	Professor, Department of Pathology, University of Texas Health Science Center at San Antonio (UTHSA), San Antonio, Texas
1988-1995	Associate Professor, Department of Pathology, UTHSA
1988-1991	Associate Adjunct Scientist, Department of Virology, Southwest Foundation for Biomedical Research, San Antonio, Texas
1980-1988	Assistant Professor, Department of Pathology, UTHSA
1979-1980	Clinical Assistant Professor, Department of Pathology, UTHSA

CLINICAL ACTIVITIES:

Jul 2010-2014	Associate Medical Director, Blood Bank, University Hospital, San Antonio, Texas
Nov 2010- Feb 2013	Quality Assurance Director, University Health System, Pathology Services, San Antonio, Texas
2006-2008	Medical Director, Blood Bank, VA Hospital, Kerrville, Texas
1980-2010	Medical Director, Blood Bank, University Hospital, San Antonio, Texas
1980-2008	Medical Director, Blood Bank, Audie Murphy Veterans Administration Hospital, San Antonio, Texas
1983-2010	Medical Director, Apheresis Unit, University Hospital, San Antonio, Texas
1983-2000	Medical Director, Histocompatibility Laboratory, University Hospital, San Antonio, Texas
1981-1999	Medical Director, Parentage Testing Laboratory, University Hospital, San Antonio, Texas
1984-1990	Medical Director, Mixed Lymphocytic Culture Laboratory, UTHSCSA, San Antonio, Texas
1980-1983	Assistant Medical Director, Histocompatibility Laboratory, University Hospital, San Antonio, Texas

1977-1979 Locum Tenens Pathologist, Florida and Texas

TEACHING:

1996-2009 Course Co-Director, Review of Currents Topics in Blood Banking and Transfusion Medicine, American Society of Clinical Pathologists

1993-1997 Course Director, Sophomore Pathology Course, Medical School

1987-2010 Program Director, Fellowship in Transfusion Medicine

1985-2014 Program Director, School of Blood Banking

1980-2009 Lecturer, Sophomore Pathology Course, Hematopathology Section, Medical School

1980-Present Laboratory Instructor, Sophomore Pathology Course, Medical School

1974-1976 Teaching Assistant, University of Paris School of Medicine, Hospital Lariboisiere. Professor Jean Roujeau.

1966-1967 Research and Teaching Assistant, The University of Paris, School of Medicine, Center for Calculation and Statistics. Dr. Denise Salmon and Professor Francois Gremy.

1965-1966 Mathematics Teacher, Lycee Moliere, Paris, France.

RESEARCH

04/01/02 to 09/01/04 Co-investigator
Evaluation of removal of DE-310 by plasma exchange
Daiishi Corporation
Principal Investigator: Chris Takimoto, MD, PhD, Department of Medicine, Division of Medical Oncology

04/01/99 to 03/31/03 Co-investigator
Epidemiology of KSHV Infection in Blood Donors of South Texas
Principal Investigator: Shou-Jiang Gao PhD, Department of Pediatrics

07/1/90 to 06/30/95 Co-Investigator (Parentage Analysis)
Genetic Epidemiology of NIDDM in Mexican-Americans
Principal Investigator: Michael Stern, MD, Department of Medicine

9/01/81 to 12/01/85 Principal Investigator
Blood Groups in Mexican-Americans
Blood Centers of Minnesota Co-investigator Herbert Polesky, MD

1968 Research Assistant, Department of Microbiology, College of Medicine, University of Florida, Dr. Ira Rosen. Research experience in bacterial genetics.

INTRAMURAL COMMITTEES

2010- 2013	Chemical Safety Committee, Member
2001-2004	Presidential Clinical Excellence Award Committee, Member
2001-2004	Clinical Promotion Committee, Medical School, Member
2007-present	Pre-Clinical Promotion Committee
1999-2003	Student Health Advisory Committee, Member
1999-2005	Radioactive Drug Research Committee, Chair
1995-1999 and 2006-2008	Radioactive Drug Research Committee, Member
1997-2013	University Physicians Group Quality Assurance Committee, Member
1995-1996	Educational Resources Committee, Chair
1993-1997	Curriculum Review Committee, Medical School, Member
1993-1995	Educational Resources Committee, Member
1992-1999	Radioactive Drug Research Committee, Member
1991-2014	Expert Panel on HIV and HBV Transmission, University Hospital, Member
1990-1992	Clinical Promotion Committee, Medical School, Member
1987-1995	Steering Committee on Laboratory Computer, University Hospital, Chair
1987-1991	Institutional Review Board, Alternate
1984-1991	International Relations Committee, Member
1980-2014	Blood Utilization Committee, University Hospital, Member
2000-2014	Auto Transfusion Service Subcommittee, University Hospital, Member
1980-2014	Blood Utilization Committee, Audie Murphy VA Hospital, Member
1980-2014	Operating Room Committee, University Hospital, Member

Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	<p>I grew up in San Antonio in the Beacon Hill neighborhood not far from the once and future location of Chris Madrids. I graduated from Edison High School as valedictorian in 1994 and attended U. T. Austin. After obtaining my undergraduate degree in music, I was a teacher at Whitter and Harris Middle Schools (S.A.I.S.D.) for six years. I was also an Algebra tutor at St. Philips College for a few semesters during that time. I left the teaching field for law school at St. Marys University in 2005 and graduated first in my law school class. For nearly 10 year, my law practice has been focused in the fields of natural resources, real estate, land use and courtroom practice. I am often called upon to settle disputes among competing land uses and other matters. I also have extensive experience with contract negotiation, drafting, interpretation and dispute resolution. Puro San Antonio is hard to define. For those of us who grew up in it and have always been surrounded by it, there is a shared passion for the unique culture of the city we love. The challenge of the next few years will be working to maintain that culture while addressing the challenges surrounding equity, affordable housing, air quality, climate, and traffic congestion, all of which will be exacerbated by tremendous population growth. A city of near 450 square miles</p>

	<p>spreads our limited resources thinly. We must turn our focus to growth opportunities within our current boundaries to create sustainable growth for the future. We must work to create an environment that is fair, just, clean, enjoyable and that provides a stable economic platform for residents from all walks of life. No single issue addresses all of these challenges as much as public transportation and mobility. I firmly believe that the course of the next fifty years for San Antonio will be decided in the next five. To enable the denser development that will be necessary to foster sustainable growth, ease traffic congestion, improve air quality, reduce the effects of gentrification, and facilitate meaningful affordable housing initiatives, I believe that San Antonio needs a world-class public transportation system built around the present VIA Corridors initiative. We cannot afford to wait any longer, or the formidable obstacles to implementation will become overwhelming. This sense of urgency will require an intense effort towards improving the funding mechanisms for public transportation and public transportation infrastructure in the VIA service area. That will be my primary focus as a member of the VIA board if I am appointed. Thank you.</p>

Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	Since moving to the downtown area over 7 years ago and traveling to cities with great public transportation during that time, I've become very interested in using the VIA bus system as often as possible and encourage others to do so. Unfortunately many people I encounter don't seem to have VIA on their radar and there are reasons that I think can be overcome. Some have to do with the system itself and improvements needed. And some have to do with mindset that I feel can be changed. VIA and its plans for the future are so important to our city. With traffic getting heavier every day, with housing and transportation needs for not only the disadvantaged but also those who want to use public transportation, VIA's future plans can lead our city into an even brighter future. I believe in public transportation and I'd like to be part of that planning.

PERSONAL STATEMENT

Nursing education is my passion. I was the first Faculty Development Coordinator for Galen College of Nursing, in three years, I have developed this position along with a training curriculum based on the National League of Nursing nurse educator competencies and current education best practices. Drawing upon my extensive and vigorous background in science; I objectively allow data to indicate where there are needs in faculty development and curriculum design. My objective is to ensure that students receive the best possible education. I have chosen to study Curriculum, Instruction, and Assessment along with faculty development as my subject for study in my Doctoral degree and research. As a person, I am energetic, creative, and most importantly driven to continue to evolve as the educational landscape continues to advance.

<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>I am seeking appoint to the VIA Board to help San Antonio reimagine and redefine the future of public transportation. People see various aspects of transportation as critical for livability but overlook the true costs of different modes of transportation. Public transportation is vital to livability which is difficult to define and subject to implicit bias. Without safe and convenient transportation options, families lack equitable access to opportunities, face higher rates of hypertension, diabetes, depression, asthma, some cancers, and pedestrian injuries and fatalities and are disproportionately cost- and time-burdened. I am particularly interested in VIA's role to improve mobility and air quality and reduce VMTs, fuel use and greenhouse gas emissions across our city.</p>

Deborah Valdez, Ed.D.
Executive Direct

Deborah joined the San Antonio Youth Literacy (SAYL) staff in May of 2016. As Executive Director, she has found a perfect fit for her thirty plus years experience in education and five years in the non-profit arena. Deborah is a military brat, coming to Texas when her father was stationed at Laughlin AFB in Del Rio, Texas as a squadron commander. Having lived here longer than anywhere else in the world, she now considers herself a Texan. Deborah holds a B.S. in Education from Texas A&I, Kingsville (now Texas A&M, Kingsville), an M.S. in Educational Leadership from the University of Texas San Antonio, and a Doctorate from Texas A&M University, College Station in Educational Management. She takes pride in her civic and community involvement serving as, a member of the Can High School of San Antonio Development Board, the George Gervin Foundation Board of Directors, a member of The International Women's Forum, Texas Women's Forum and the strategic planning committee of the Girl Scouts of Southwest Texas. She has served as an adjunct professor at Texas A&M San Antonio since 2005 when it was still associated with Texas A&M Kingsville and feels privileged to have been a part of the evolution of the university into the fastest growing campus in the Texas A&M system. Having been an early childhood educator, Deborah believes strongly in the vision of SAYL that every child in South Texas enter 3rd grade reading on level and is dedicated to the continued success of SAYL and its mission. Deborah has one son, Dr. Patrick J. Valdez, Ph.D., Director of the Academy of Creative Education in NEISD and a granddaughter, Samantha, a senior at the University of Texas in Austin. Her daughter-in-law, Deborah, is a 5th grade teacher in NEISD.

PROFESSIONAL EXPERIENCE:

HJD Capital Electric, Inc.,

Contact: Henry Davila, President

01/17/2013 – 09/22/2017; Deputy Program Manager / Government Affairs Manager

The initial focus with Capital was to mimic activity from the previous employer where I served as the state level Government Affairs consultant to Capital along with 4 other companies. I met regularly with key community leaders, company owners and decision-makers within the region to enhance each company's position for continued partnership opportunities, and growth. Measurement of market dynamics and competitor trending was necessary to keep all activities in motion. Due to the nature of my job I currently hold a Top Secret Diplomatic Security Clearance.

Additional successes came from the development and execution of my written business development, public relations and marketing/advertising plan along with the upgrade of software and company website all in an effort to connect Capital with potential contracting partners while increasing the connection to the community.

Category skills include: Act as spokesperson for the company; Deputy Program Manager for State Department and GSA projects; Regional business development; Project management support; Oversight and management during project start-ups and negotiation representation for City and County type projects; Media management, government affairs and marketing outreach; Counseling for corrective action related to all proposal team and estimating team member efforts as needed; Creates, writes, develops and oversees the production of communications and publications of all collateral material in a marketing; communications and public relations role for the Construction Division; Electrical Division and 24 Electrical Sales/Service Department.

CRG - Community Resource Group,

Contact: Rudy F. Rodriguez, President

01/07/2012 – 01/07/2014; Government Affairs / Public Relations Director

This position allowed me to capture new client needs/wants, develop an all-encompassing strategic plan, public relations outreach plan and assist in implementation of the blueprint to achieve measurable goals for each individual client. The second tier of opportunity was to consult with upper management of those same companies to target specific government affairs, public relations and policy development/compliance activities as needed. Finally, general fundraising for ongoing campaign efforts within the regional community.

I regularly met with key decision-makers to enhance each company's public position within the industry in addition to meeting with new customers to collect value-added information that strengthened each client's proposal strategies.

Category skills include: Maintain an awareness of market dynamics; Act as spokesperson for the company; Monitor state level government activities related to water and desalination within South Texas; Contribute to legislative material in conjunction with other state level lobbying entities; Assist clients navigate sensitive political environments; On-site reviews of all clients to ensure quality service; Recommend corrective action to the operations team as appropriate; Develops/implements approved strategies and activities to increase account penetration & satisfaction to ensure profitable client retention; Facilitate self-development workshops for client teams in order to better improve the company's positioning from the inside out; Vet all sponsorship and community activities for effectiveness and time management. *Employment overlapped with HJD Capital Electric Inc.*

**Better Business Bureau of Central, Coastal, Southwest Texas & Permian Basin,
Contact: Erin Dufner, Sr. VP of Communications**

12/07/10 – 01/06/2012; Regional Public Relations Manager

Oversee all activities in the San Antonio office; Act as full time spokesperson for the San Antonio and Laredo areas; Contribute and translate (Spanish) to all media releases in the 79 county service area; Business Relations- research and target high level individuals and their associated organizations for sponsorship / partnership activities in order to secure contracts and program monies; Provide reliable sales leads weekly; participate in a multitude of community organizations as a committee member and volunteer; Maintain a substantial presence in both the English and Spanish media markets to provide trending information weekly. Professionally and effectively carry out media outreach, program incentives and partnerships to increase top of mind BBB brand recognition and brand loyalty to result in the BBB's brand market saturation. My position focused in on community education and business outreach in English/Spanish, corporate program management and strong keeping strong media relationships in the assigned markets of San Antonio, Corpus Christi, Austin, Laredo and general South Texas Region.

I wish to be on the VIA board to help Veterans needing VIA bus passes. I am a disabled veteran and a retired social worker. About two years ago I found out that many veterans, being discharged either from an inpatient ward or from the Emergency Room, do not have the funds for a bus pass home. I researched this searching for the head social worker at the VA.

Johnnie Davis, Chief of VA Social Work Services, stated that the VA gives only \$200 worth of these VIA bus passes a month to some veterans who are being discharged from the VA Hospital. The \$200 is from General Funds allotted for transportation. The VA only funds \$200 a month! The need is double the \$200 i.e. \$400 a month! Only half the veterans needing passes receive them. I try to supply \$60 most months for nearly 2 years. but that's still quite a shortfall for people who served our country!

An extra \$200 A month for bus passes from VIA or the City Council a year seems small! San Antonio is "**Military City**" after all!

San Antonio unveils 'Military City, USA' trademark logo

"For years many have referred to San Antonio as Military City, USA and now we are officially a registered trademark, a name that no other city can claim. Our relationship with the military is one of the many reasons our City continues to prosper and we are proud to celebrate this historic announcement," said Mayor-Elect Ron Nirenberg. "Thank you to the entire military community, their families, and the service men and women who call San Antonio home."
