

City of San Antonio Fee Waiver Program Guidelines

Effective January 2, 2019

1. Policy Statement

It is the policy of the City of San Antonio to encourage responsible development in the city. The City of San Antonio Fee Waiver Program specifically addresses these goals by encouraging the development and preservation of affordable/workforce housing, the rehabilitation of historic properties, and to foster business development. The policy becomes effective January 2, 2019.

2. Program Description

Eligible projects under this program may receive a full or partial waiver of City development fees and/or SAWS water and sewer impact fees. Fee waivers are funded by annual appropriations from the General Fund and from the San Antonio Water System, respectively. All fee waivers are subject to funding availability and are administered by the Center City Development and Operations Department (CCDO).

3. Program Goals

Fee waivers will support the overall policy goals of the COSA Fee Waiver Program as outlined below:

1. Support the creation and preservation of affordable/workforce housing citywide.
2. Increase redevelopment of underutilized buildings through the rehabilitation, upgrade, and adaptive reuse of existing structures.
3. Encourage the development and expansion of small businesses, legacy businesses, and targeted industry development projects.

4. Eligibility

Fee waivers will support eligible projects through one of four (4) categories: Affordable Housing, Owner-Occupied Rehabilitation, Historic Rehabilitation, and Business Development. In no case shall City fee waivers exceed the total cost of fees incurred by the project. SAWS fee waivers shall not exceed \$150,000.00 per project (\$250,000.00 for projects qualifying under the Affordable Housing category), except where approved by City Council. Unless otherwise noted, criteria and waiver amounts for one category of the Fee Waiver Program will not apply to another category.

1. For the purposes of this program, a project is defined as a development on a contiguous property or properties consisting of new construction, rehabilitation, repair or maintenance of existing structures, or any combination thereof. A project may include multiple structures (e.g. a multifamily complex) or a single structure (e.g. a single-family house). For developments consisting of multiple phases on adjacent or nearby parcels, each phase may be considered one project.
2. The following projects are NOT ELIGIBLE for fee waivers:
 - a. Projects over the Edwards Aquifer Recharge or Contributing Zones that result in additional impervious cover (does not apply to residential projects that include at least 75 percent affordable housing units).
 - b. Projects within a FEMA-designated 100-year floodplain.
 - c. Religious or sectarian facilities.
 - d. Surface parking lots that are not part of a larger development or expansion project.

- e. 100% publicly-funded projects. This includes bond-funded projects and projects on military installations.
 - f. Schools, including all public, private, and charter institutions.
 - g. Hotels, motels, pawn shops, nightclubs, bars, gun shops, liquor stores, tattoo parlors, tanning salons, tobacco/tobacco-like related establishments, specified financial institutions (see UDC Section 35-A101), kiosks, sexually-oriented businesses, and non-permanent structures such as manufactured homes.
 - h. Projects located outside the current city limits, including the extraterritorial jurisdiction and areas of limited-purpose annexation.
3. Projects must be appropriately zoned for the intended use at the time the application is submitted. Fee waivers shall not be used to cover the cost of rezoning a property to allow for its intended use.
 4. For a period of five (5) years following Certificate of Occupancy or other appropriate proof of project completion, projects participating in this program shall not be eligible to receive a Short Term Rental permit that results in an entire unit being offered for rent on STR platforms such as Airbnb or VRBO.

A. Affordable Housing

Project eligibility shall be determined using the criteria below and will be confirmed by the Center City Development and Operations Department with input from the Neighborhoods and Housing Services Department as needed.

1. The project must include at least 25% percent affordable housing units, and an additional 25% of units in the project must either be affordable or workforce housing units. Affordable units and workforce units are defined as follows:

Affordable Rental units reserved for households earning at or below 60% of the Area Median Income (AMI) for the San Antonio-New Braunfels metropolitan area using HUD and/or TDHCA income limits as applicable. To qualify under this policy, rents charged for affordable units shall not exceed approximately 30% of the household's gross monthly income.
 - b. Workforce Housing Rental units reserved for households earning between 61% - 80% of the Area Median Income (AMI) for the San Antonio-New Braunfels metropolitan area using HUD and/or TDHCA income limits as applicable. All affordable rental housing units that receive fee waivers through this program must demonstrate affordability for a minimum of fifteen (15) years or be qualified through a local, state, or federal affordable housing program that includes a minimum affordability term and regular compliance requirements (e.g. Housing Tax Credits, HOME, etc.). For-sale units must demonstrate affordability to a qualified homebuyer at the time of sale and include a resale restriction for a minimum of five (5) years following the initial sale.

3. The unit mix of affordable housing units shall be comparable to the unit mix of any market-rate units provided in the same project (*for example, if 20 percent of market-rate units contain two bedrooms, 20 percent of affordable units shall also contain two bedrooms*).
