RECEIVED
CITY OF SAN ANTONIO
CITY CLERK
2018 DEC 13 PM 12:04

To: Mayor and Council, City Manager Sheryl Sculley

It is with a heavy but grateful heart that I tender my resignation from my position as District Two City Councilman. For the past eighteen months I have humbly served the citizens of San Antonio and I thank them for this great opportunity. The superb leadership in the COSA offices and the collective focus on creating the best city for our constituents creates a wonderful work environment that I will miss immensely.

Thank you for providing the most enjoyable, rewarding and challenging workplace I have known. Thank you for enhancing my drive to serve the public. I thank you, the residents of District Two for believing in me, for always standing up for your district and for blazing a trail for the rest of the City of San Antonio when it comes to economic development, growth, and progress.

At this time, my career veers into the private sector where I will be the Associate Judge of the 436th Judicial District Court, working with juveniles who have found their way into the criminal justice system. I expect that the lessons and skills I've learned while serving as the District Two City Councilman for the City of San Antonio will serve me very well in my new position. Therefore, my last day of work as part of this city council will be Monday, January, 7th. It has been an honor and a pleasure to work for the citizens of San Antonio.

Warmest Regards,
