RE: File No. 2261 -Request for Category Determination for **Birdwell Stone Oak Unit 5, Approximately 20.18 Acres**, located southeast of the intersection of Blanco Road and West Oak Estates Drive.

Dear Mr. Mangum:

On February 15, 2018, the Aquifer Protection and Evaluation Section of the San Antonio Water System (SAWS) received a letter issued by your office requesting a category determination for the above-referenced project. Based on a review of the documentation submitted and in accordance with Chapter 34, Article VI, Division 6, Section 34-925 of the City Code, **Category 3** classification of **Birdwell Stone Oak Unit 5, Approximately 20.18 Acres** is confirmed.

In accordance with Ordinance No. 81491, an Aquifer Protection Plan for all Category 2 and 3 properties is required to be submitted to and approved by the Aquifer Protection & Evaluation Section of the San Antonio Water System prior to the release of Plats and/or Building Permits.

Should any documentation become available that would alter this Category designation, the documentation may be submitted to the San Antonio Water System for review and possible Category redesignation.

If you have any questions regarding this matter, please contact Bruce Keels at (210) 233-3173.

Sincerely,

Andrew Wiatrek, Manager
Edwards Aquifer and Watershed Protection Division
