#### H. Definitions

**Affirmative Procurement Initiatives (hereafter referred to as "API")** – refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (hereafter referred to as "S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater prime contract and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance).

**Centralized Vendor Registration System (hereafter referred to as “CVR”)** – refers to a mandatory electronic system wherein City requires all prospective Consultants, Sub-Consultants, Contractors and Subcontractors ready, willing and able to sell goods or services to City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices and for receiving payments from City. The CVR-assigned identifiers also are used by City’s Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE (as defined herein) firms by Industry or commodity codes and for establishing annual aspirational Goals and contract-by-contract Subcontracting Goals.

**Certification or “Certified”** – refers to the process by which City’s Small Business Office (hereafter referred to as “SBO”) staff determines a firm to be a bona-fide small, minority-, women-owned or emerging small business enterprise. Emerging Small Business Enterprises (hereafter referred to as “ESBEs”) automatically are eligible for Certification as SBEs. Any firm may apply for multiple Certifications covering each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm that is certified by local government entities and/or other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

**Commercially Useful Function** – means a S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm also must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it actually is performing, the S/M/WBE credit claimed for its performance of the work and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation when, in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by Grantee to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by City as fraudulent, if Grantee attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, Grantee shall not be given credit for the participation of its S/M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers or joint venture partner towards attainment of S/M/WBE utilization goals, and Grantee and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

- 14.8 Upon termination of this CONTRACT, the CITY may immediately commence an audit of the CONSULTANT'S books, accounts, and records. The City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as “SBEDA” or “the SBEDA Program”), which is posted on the City’s Economic Development Department (EDD) website page and is also available in hard copy format upon request to the City. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of the SBEDA Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the City pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

14.2 DEFINITIONS.

Affirmative Procurement Initiatives (API) – Refers to various S/M/WBE Program tools and Solicitation Incentives that are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE Program tools, see Section III.D of Attachment A to the SBEDA Ordinance). To be eligible for the benefits of race- and gender-conscious APIs as provided in the SBEDA Ordinance, M/WBE firms must also satisfy the size standards for being a Small Business Enterprise or SBE as defined herein.

Annual Aspirational Goal – a non-mandatory annual aspirational percentage goal for overall M/WBE Prime and subcontract participation in City of San Antonio contracts is established each year for Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contract Industry Categories. This Annual Aspirational Goal is to be set (and thereafter adjusted) by the Goal Setting Committee (GSC) based upon the M/WBE availability by industry in accordance with the City’s 2015 Disparity Study findings, along with relative M/WBE availability data to be collected by the City through its CVR system, and the utilization of

M/WBEs. Any adjusted Annual Aspirational Goals for a given industry should not exceed the Expected Availability for award dollar weights as found in the 2015 Disparity Study. Annual Aspirational Goals are not to be routinely applied to individual contracts, but are intended to serve as a benchmark against which to measure the overall effectiveness of the S/M/WBE Program on an annual basis, and to gauge the need for future adjustments to the mix and to the aggressiveness of remedies being applied under the Program. Percentage Goals for S/M/WBE participation may be established by the GSC on a contract-by-contract basis based upon similar data and analysis for the particular goods and services being purchased in a given contract.

Award – the final selection of a Respondent for a specified Prime Contract or subcontract dollar amount. Contract awards are made by the City to Prime Contractors or vendors and by Prime Contractors or vendors to Subcontractor or sub-vendors, usually pursuant to a solicitation process. (Contract awards are to be distinguished from contract payments in that they only reflect the anticipated dollar amounts instead of actual dollar amounts that are paid to a contractor under an awarded contract).

Best Value Contracting – a purchasing solicitation process through which the Originating Department may evaluate factors other than price. Evaluation criteria for selection may include a Respondent's previous experience and quality of product or services procured, and other factors identified in the applicable statute.

Centralized Vendor Registration System (CVR) – a mandatory electronic system of hardware and software programs by which the City recommends all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. All businesses awarded a City contract shall be required to register in the CVR. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Certification – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City may accept any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6.

City – refers to the City of San Antonio, TX.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with

respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.

Control – the authority of a person or business owner to sign responses to solicitations and contracts, make price negotiation decisions, sell or liquidate the business and have the primary authority to direct the day-to-day management and operation of a business enterprise without interference from others.

The City Manager or designee may also appoint two ex-officio members of the Small Business Advocacy Committee to serve on any GSC purely in an advisory and non-voting capacity. The GSC establishes S/M/WBE Program Goals for the City of San Antonio (e.g., Annual Aspirational Goals, Contract-by-Contract Subcontracting Goals, and determining which M/WBE segments are eligible for Segmented Subcontracting Goals annually) based upon Industry Categories, vendor availability, project-specific characteristics, and M/WBE utilization. Joint ventures are manifested by written agreements between two or more Independently Owned and Controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture. Such subcontracting goals may be set and applied by the GSC on a contract-by-contract basis to those types of contracts that provide subcontract opportunities for performing Commercially Useful Functions wherein:

- (1) There have been ongoing disparities in the utilization of available M/WBE Subcontractors; or
- (2) Race-Neutral efforts have failed to eliminate persistent and significant disparities in the award of prime contracts to M/WBEs in a particular Industry Category or industry segment (e.g., Construction contracts, Professional Services contracts, and Architectural and Engineering contracts), and subcontract opportunities are limited outside of City contracts.

When specified by the GSC, the M/WBE Subcontracting Program may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for M/WBE firms.

M/WBEs that submit responses for these kinds of solicitations are awarded additional Points in the scoring of their responses when evaluating and ranking their responses against those submitted by non-minority firms. ### **XIV. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA)**

- 14.1 **SBEDA PROGRAM.** The City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the City's Economic Development Department (EDD) website page and is also available in hard copy format upon request to the City. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of the SBEDA Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the City pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.
- 14.2 **DEFINITIONS.**  
**Affirmative Procurement Initiatives (API)** – Refers to various S/M/WBE Program tools and Solicitation Incentives that are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE Program tools, see Section III.D of Attachment A to the SBEDA Ordinance). To be eligible for the benefits of race- and gender-conscious APIs as provided in the SBEDA Ordinance, M/WBE firms must also satisfy the size standards for being a Small Business Enterprise or SBE as defined herein.

**Annual Aspirational Goal** – a non-mandatory annual aspirational percentage goal for overall M/WBE Prime and subcontract participation in City of San Antonio contracts is established each year for Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contract Industry Categories. This Annual Aspirational Goal is to be set (and thereafter adjusted) by the Goal Setting Committee (GSC) based upon the M/WBE availability by industry in accordance with the City's 2015 Disparity Study findings, along with relative M/WBE availability data to be collected by the City through its CVR system, and the utilization of M/WBEs. Any adjusted Annual Aspirational Goals for a given industry should not exceed the Expected Availability for award dollar weights as found in the 2015 Disparity Study. Annual Aspirational Goals are not to be routinely applied to individual contracts, but are intended to serve as a benchmark against which to measure the overall effectiveness of the S/M/WBE Program on an annual basis, and to gauge the need for future adjustments to the mix and to the aggressiveness of remedies being applied under the Program. Percentage Goals for S/M/WBE participation may be established by the GSC on a contract-by-contract basis based upon similar data and analysis for the particular goods and services being purchased in a given contract.

**Award** – the final selection of a Respondent for a specified Prime Contract or subcontract dollar amount. Contract awards are made by the City to Prime Contractors or vendors and by Prime Contractors or vendors to Subcontractor or sub-vendors, usually pursuant to a solicitation process. (Contract awards are to be distinguished from contract payments in that they only reflect the anticipated dollar amounts instead of actual dollar amounts that are paid to a contractor under an awarded contract).

**Best Value Contracting** – a purchasing solicitation process through which the Originating Department may evaluate factors other than price. Evaluation criteria for selection may include a Respondent's previous experience and quality of product or services procured, and other factors identified in the applicable statute.

**Centralized Vendor Registration System (CVR)** – a mandatory electronic system of hardware and software programs by which the City recommends all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. All businesses awarded a City contract shall be required to register in the CVR. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

**Certification** – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City may accept any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those

followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6.

**City** – refers to the City of San Antonio, TX.

**Commercially Useful Function** – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.

**Control** – the authority of a person or business owner to sign responses to solicitations and contracts, make price negotiation decisions, sell or liquidate the business and have the primary authority to direct the day-to-day management and operation of a business enterprise without interference from others.

The City Manager or designee may also appoint two ex-officio members of the Small Business Advocacy Committee to serve on any GSC purely in an advisory and non-voting capacity. The GSC establishes S/M/WBE Program Goals for the City of San Antonio (e.g., Annual Aspirational Goals, Contract-by-Contract Subcontracting Goals, and determining which M/WBE segments are eligible for Segmented Subcontracting Goals annually) based upon Industry Categories, vendor availability, project-specific characteristics, and M/WBE utilization. Joint ventures are manifested by written agreements between two or more Independently Owned and Controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture. Such subcontracting goals may be set and applied by the GSC on a contract-by-contract basis to those types of contracts that provide subcontract opportunities for performing Commercially Useful Functions wherein:

- (1) There have been ongoing disparities in the utilization of available M/WBE Subcontractors; or
- (2) Race-Neutral efforts have failed to eliminate persistent and significant disparities in the award of prime contracts to M/WBEs in a particular Industry Category or industry segment (e.g., Construction contracts, Professional Services contracts, and Architectural and Engineering contracts), and subcontract opportunities are limited outside of City contracts.

When specified by the GSC, the M/WBE Subcontracting Program may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for M/WBE firms.

**M/WBE Evaluation Preference** – an API that the City may apply to requests for proposals or qualifications (RFPs or RFQs) on City Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contracts that are issued pursuant to a Best Value Contracting method or other methods of procurement wherein criteria other than lowest price are factored into the selection process. M/WBEs that submit responses for these kinds of solicitations are awarded additional Points in the scoring of their responses when evaluating and ranking their responses against those submitted by non-minority firms. ### **XIV. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA)**

- 14.1 **SBEDA PROGRAM.** The City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the City's Economic Development Department (EDD) website page and is also available in hard copy format upon request to the City. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of the SBEDA Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the City pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

- 14.2 **DEFINITIONS.**

**Affirmative Procurement Initiatives (API)** – Refers to various S/M/WBE Program tools and Solicitation Incentives that are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE Program tools, see Section III.D of Attachment A to the SBEDA Ordinance). To be eligible for the benefits of race-

and gender-conscious APIs as provided in the SBEDA Ordinance, M/WBE firms must also satisfy the size standards for being a Small Business Enterprise or SBE as defined herein.

**Annual Aspirational Goal** – a non-mandatory annual aspirational percentage goal for overall M/WBE Prime and subcontract participation in City of San Antonio contracts is established each year for Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contract Industry Categories. This Annual Aspirational Goal is to be set (and thereafter adjusted) by the Goal Setting Committee (GSC) based upon the M/WBE availability by industry in accordance with the City's 2015 Disparity Study findings, along with relative M/WBE availability data to be collected by the City through its CVR system, and the utilization of M/WBEs. Any adjusted Annual Aspirational Goals for a given industry should not exceed the Expected Availability for award dollar weights as found in the 2015 Disparity Study. Annual Aspirational Goals are not to be routinely applied to individual contracts, but are intended to serve as a benchmark against which to measure the overall effectiveness of the S/M/WBE Program on an annual basis, and to gauge the need for future adjustments to the mix and to the aggressiveness of remedies being applied under the Program. Percentage Goals for S/M/WBE participation may be established by the GSC on a contract-by-contract basis based upon similar data and analysis for the particular goods and services being purchased in a given contract.

**Award** – the final selection of a Respondent for a specified Prime Contract or subcontract dollar amount. Contract awards are made by the City to Prime Contractors or vendors and by Prime Contractors or vendors to Subcontractor or sub-vendors, usually pursuant to a solicitation process. (Contract awards are to be distinguished from contract payments in that they only reflect the anticipated dollar amounts instead of actual dollar amounts that are paid to a contractor under an awarded contract).

**Best Value Contracting** – a purchasing solicitation process through which the Originating Department may evaluate factors other than price. Evaluation criteria for selection may include a Respondent's previous experience and quality of product or services procured, and other factors identified in the applicable statute.

**Centralized Vendor Registration System (CVR)** – a mandatory electronic system of hardware and software programs by which the City recommends all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. All businesses awarded a City contract shall be required to register in the CVR. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

**Certification** – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the

City may accept any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6.

**City** – refers to the City of San Antonio, TX.

**Commercially Useful Function** – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.

**Control** – the authority of a person or business owner to sign responses to solicitations and contracts, make price negotiation decisions, sell or liquidate the business and have the primary authority to direct the day-to-day management and operation of a business enterprise without interference from others.

The City Manager or designee may also appoint two ex-officio members of the Small Business Advocacy Committee to serve on any GSC purely in an advisory and non-voting capacity. The GSC establishes S/M/WBE Program Goals for the City of San Antonio (e.g., Annual Aspirational Goals, Contract-by-Contract Subcontracting Goals, and determining which M/WBE segments are eligible for Segmented Subcontracting Goals annually) based upon Industry Categories, vendor availability, project-specific characteristics, and M/WBE utilization. The GSC also makes determinations about which Affirmative Procurement Initiatives (APIs) are to be applied to specific contracts based upon various criteria.

**HUBZone Firm** – a business that has been certified by U.S. Small Business Administration for participation in the federal HUBZone Program, as established under the 1997 Small Business Reauthorization Act. To qualify as a HUBZone firm, a small business must meet the following criteria: (1) it must be owned and Controlled by U.S. citizens; (2) at least 35 percent of its employees must reside in a HUBZone; and (3) its Principal Place of Business must be located in a HUBZone within the San Antonio Metropolitan Statistical Area. [See 13 C.F.R. 126.200 (1999).]

**Independently Owned and Operated** – ownership of an SBE firm must be direct, independent and by Individuals only. Ownership of an M/WBE firm may be by Individuals and/or by other businesses provided the ownership interests in the M/WBE firm can satisfy the M/WBE eligibility requirements for ownership and Control as specified herein in Section III.E.6. The M/WBE firm must also be Independently Owned and Operated in the sense that it cannot be the subsidiary of another firm that does not itself (and in combination with the certified M/WBE firm) satisfy the eligibility requirements for M/WBE Certification.

**Individual** – an adult person that is of legal majority age.

**Industry Categories** – procurement groupings for the City of San Antonio inclusive of Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies (i.e., manufacturing, wholesale and retail distribution of commodities). Joint ventures are manifested by written agreements between two or more Independently Owned and Controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture. Incentives under this API may include Evaluation Preferences that are tied to the percentage of SBE or M/WBE participation in the joint venture, expedited issuance of building permits and extra contract option years in certain Other Services and Goods & Supplies contracts.

**M/WBE Directory** – a listing of M/WBEs that have been certified for participation in the City’s M/WBE Program APIs.

**M/WBE Subcontracting Program** – an API in which Prime Contractors or vendors are required to make Good Faith Efforts to subcontract a specified percentage of the value of prime contract dollars to certified M/WBE firms. Such subcontracting goals may be set and applied by the GSC on a contract-by-contract basis to those types of contracts that provide subcontract opportunities for performing Commercially Useful Functions wherein:

- (1) There have been ongoing disparities in the utilization of available M/WBE Subcontractors; or
- (2) Race-Neutral efforts have failed to eliminate persistent and significant disparities in the award of prime contracts to M/WBEs in a particular Industry Category or industry segment (e.g., Construction contracts, Professional Services contracts, and Architectural and Engineering contracts), and subcontract opportunities are limited outside of City contracts.

When specified by the GSC, the M/WBE Subcontracting Program may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for M/WBE firms.

**M/WBE Evaluation Preference** – an API that the City may apply to requests for proposals or qualifications (RFPs or RFQs) on City Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contracts that are issued pursuant to a Best Value Contracting method or other methods of procurement wherein criteria other than lowest price are factored into the selection process. M/WBEs that submit responses for these kinds of solicitations are awarded additional Points in the scoring of their responses when evaluating and ranking their responses against those submitted by non-minority firms. Where specified in contract specifications as approved by the Goal Setting Committee, the M/WBE Evaluation Preference may be limited to Emerging M/WBE firms.

event it is the intention of the parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

## **XIX. NONWAIVER OF PERFORMANCE**

Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. In case of City, such changes must be approved by the City Council, as described in Article XVI. Amendments. 2.3 Grantee acknowledges that City has designated its World Heritage Office (“WHO”), acting for its City Manager, responsible for the evaluation and monitoring of this Funding Agreement. The Department of Finance, Center City Development and Operations, Planning, Economic Development and Neighborhood and Housing Services and other City departments will function in a supporting role and may negotiate with Grantee in arriving at a Scope of Services.

### **III. FUNDING**

3.1 City has committed and agrees to pay Grantee no more than ONE HUNDRED THOUSAND DOLLARS AND ZERO CENTS (\$100,000.00) in connection with the Programming Scope of Services laid out as Exhibit "A" and herein incorporated by reference in its entirety for all purposes.

3.2 These funds shall be distributed to SOUTHSIDE FIRST in four equal amounts of TWENTY-FIVE THOUSAND DOLLARS AND ZERO CENTS (\$25,000.00). The first of these payments will be distributed upon execution of this Agreement. The remaining payments of \$25,000.00 each will be issued upon the submission of quarterly reports to City and City's acceptance of each quarterly report as satisfactory based solely on City's discretion. City reserves its right to provide the quarterly report formatting it requires to Grantee. Further, City reserves its right to request additional information, supporting documents, and further information as necessary from Grantee. The Grantee is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Grantee’s general contractor and all subcontractors for construction of each Phase. Grantee is responsible for and shall collect and monitor weekly certified payrolls and perform site visits to ensure the prevailing wage is being paid to all workmen. City will audit certified payroll records as necessary in accordance with this Funding Agreement.

C. Upon audit of the records and certified payrolls under this section, should the City or its auditors find any violations, the Grantee shall cause its construction contractor to forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by the contractor or any subcontractor. "Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

C. Notwithstanding any other provisions of this Agreement, in the event that the City Council of the City of San Antonio fails to appropriate funding to pay for any of CITY'S obligations under the terms of this Agreement and as a result CITY does in fact fail to meet its obligations under this Agreement, CONSERVANCY'S sole remedy shall be to terminate the Agreement and neither CITY nor CONSERVANCY shall have any further obligations hereunder.

## **VI. ASSIGNMENT AND SUBLETTING**

**6.1** CONSERVANCY shall not assign this Agreement, or allow same to be assigned by operation of law or otherwise, or sublet/subcontract Main Plaza or any part thereof without the prior written consent of CITY which may be given only by or pursuant to an ordinance enacted by the City Council of San Antonio, Texas. ## **VII. LIENS PROHIBITED**

**7.1** CONSERVANCY shall not cause or permit any mechanics liens or other liens to be filed against the fee title of Main Plaza or any buildings or improvements on Main Plaza by reason of any work, labor, services, or materials supplied or claimed to have been supplied to CONSERVANCY or to anyone holding Main Plaza or any part thereof through or under CONSERVANCY.

CONSERVANCY further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND IN THE NAME OF THE CITY, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.**

6.3 Consultant shall notify City, immediately, in the event Consultant receives any requests for information from a third party, which pertain to the documentation and records referenced herein. Consultant understands and agrees that City will process and handle all such requests.

## VII. TERMINATION

7.1 For purposes of this Agreement, "termination" of this Agreement shall mean termination by expiration of the Agreement term as stated in Article II. Term, or earlier termination pursuant to any of the provisions hereof.

7.2 Termination Without Cause. This Agreement may be terminated by City upon 15 days written notice, which notice shall be provided in accordance with Article VIII. Notice.

7.3 Termination For Cause. Upon written notice, which notice shall be provided in accordance with Article VIII. Notice, City may terminate this Agreement as of the date provided in the notice, in whole or in part, upon the occurrence of one (1) or more of the following events, each of which shall constitute an Event for Cause under this Agreement:

7.3.1 The sale, transfer, pledge, conveyance or assignment of this Agreement without prior approval, as provided in Article XII. Assignment and Subcontracting.

7.4 Defaults With Opportunity for Cure. Should Consultant default in the performance of this Agreement in a manner stated in this section 7.4 below, same shall be considered an event of default. City shall deliver written notice of said default specifying such matter(s) in default. Consultant shall have fifteen (15) calendar days after receipt of the written notice, in accordance with Article VIII. Notice, to cure such default. If Consultant fails to cure the default within such fifteen-day cure period, City shall have the right, without further notice, to terminate this Agreement in whole or in part as City deems appropriate, and to contract with another Consultant to complete the work required in this Agreement. City shall also have the right to offset the cost of said new Agreement with a new Consultant against Consultant's future or unpaid invoice(s), subject to the duty on the part of City to mitigate its losses to the extent required by law.

7.4.1 Bankruptcy or selling substantially all of company's assets

7.4.2 Failing to perform or failing to comply with any covenant herein required

7.4.3 Performing unsatisfactorily

7.5 Termination By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.

7.6 Regardless of how this Agreement is terminated, Consultant shall affect an orderly transfer to City or to such person(s) or firm(s) as the City may designate, at no additional cost to City, all completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced as a result of or pertaining to the services rendered by Consultant, or provided to Consultant, hereunder, regardless of

storage medium, if so requested by City, or shall otherwise be retained by Consultant in accordance with Article VI. Records Retention. Any record transfer shall be completed within thirty (30) calendar days of a written request by City and shall be completed at Consultant's sole cost and expense. Payment of compensation due or to become due to Consultant is conditioned upon delivery of all such documents, if requested.

7.7 Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Agreement, Consultant shall submit to City its claims, in detail, for the monies owed by City for services performed under this Agreement through the effective date of termination. Failure by Consultant to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of City and constitute a **Waiver** by Consultant of any and all right or claims to collect moneys that Consultant may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

7.8 Upon the effective date of expiration or termination of this Agreement, Consultant shall cease all operations of work being performed by Consultant or any of its sub Consultants pursuant to this Agreement.

7.9 Termination not sole remedy. In no event shall City's action of terminating this Agreement, whether for cause or otherwise, be deemed an election of City's remedies, nor shall such termination limit, in any way, at law or at equity, City's right to seek damages from or otherwise pursue Consultant for any default hereunder or other action.

## VIII. INSURANCE

8.1 Prior to the commencement of any work under this Agreement, Consultant shall furnish copies of all required endorsements and an original completed Certificate(s) of Insurance to the City's Economic Development Department, which shall be clearly labeled "Economic Development Consultant" in the Description of Operations block of the Certificate. The original Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. The City will not accept Memorandum of Insurance or Binders as proof of insurance. The original certificate(s) or form must have the agent's original signature, including the signer's company affiliation, title and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer's authorized representative to the City. The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the City. No officer or employee, other than the City's Risk Manager, shall have authority to waive this requirement.

8.2 The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereupon City may incur increased risk.

8.3 A Consultant's financial integrity is of interest to the City; therefore, subject to Consultant's right to maintain reasonable deductibles in such amounts as are approved by the City, Consultant shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Consultant's sole expense, insurance coverage written on an occurrence basis, by companies authorized and admitted to do business in the State of Texas and with an A.M Best's rating of no less than A- (VII), in the following types and for an amount not less than the amount listed:

8.4 Consultant agrees to require, by written contract, that all subcontractors providing goods or services hereunder obtain the same insurance coverages required of Consultant herein, and provide a certificate of insurance and endorsement that names the Consultant and the CITY as additional insureds. Consultant shall provide the CITY with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the contract for all purposes.

8.5 The City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page and all endorsements thereto as they apply to the limits required by the City, and may require the deletion, revision, or modification of particular policy terms, conditions, limitations or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Consultant shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to City at the address provided in Article X. Notice within 10 days of the requested change. Consultant shall pay any costs incurred resulting from said changes.

8.6 Consultant agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:

- Name the City, its officers, officials, employees, volunteers, and elected representatives as additional insureds by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with the City, with the exception of the workers' compensation and professional liability policies;
- Provide for an endorsement that the "other insurance" clause shall not apply to the City of San Antonio where the City is an additional insured shown on the policy;
- Workers' compensation and employers' liability policies will provide a waiver of subrogation in favor of the City.
- Provide thirty (30) calendar days advance written notice directly to City of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance notice for nonpayment of premium.

8.7 Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Consultant shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Consultant's performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

8.8 In addition to any other remedies the City may have upon Consultant's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Consultant to stop work hereunder, and/or withhold any payment(s) which become due to Consultant hereunder until Consultant demonstrates compliance with the requirements hereof.

8.9 Nothing herein contained shall be construed as limiting in any way the extent to which Consultant may be held responsible for payments of damages to persons or property resulting from Consultant's or its subcontractors' performance of the work covered under this Agreement.

8.10 It is agreed that Consultant's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

8.11 It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. In case of City, such changes must be approved by the Director. Amendments.

## **XXIII. NON-DISCRIMINATION**

Non-Discrimination. As a party to this contract, Consultant understands and agrees to comply with the Non-Discrimination Policy of the City of San Antonio contained in Chapter 2, Article X. of the City Code and further, shall not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein.

## **XXIV. ASSIGNMENT**

24.1 Except as otherwise stated herein, Consultant may not sell, assign, pledge, transfer or convey any interest in this Agreement, nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the consent of City. As a condition of such consent, if such consent is granted, Consultant shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor Consultant, assignee, transferee or subcontractor.

24.2 Any attempt to transfer, pledge or otherwise assign this Agreement without said written approval, shall be void ab initio and shall confer no rights upon any third person. Should Consultant assign, transfer, convey, delegate, or otherwise dispose of any

This Agreement ("AGREEMENT") is hereby made and entered into by and between the CITY OF SAN ANTONIO (hereinafter referred to as "CITY"), a Texas municipal corporation acting by and through its City Manager or designee pursuant to Ordinance No. 2018-09-13-\_\_\_\_ dated September 13, 2018 and the Westside Development Corporation (the "WDC"), a Texas non-profit corporation; collectively, the "Parties".

**WHEREAS**, the City Council (the "Council") of the CITY has recognized the community revitalization efforts and mission of WDC to serve historically underutilized areas of the City; and

**WHEREAS**, the WDC Loan Program (the "Program") is one of those efforts designed to provide loans to small businesses, not-for-profit organizations, landlords, developers, property owners and other entities involved in the revitalization of the West sector of the city, and applicants must demonstrate financial need, repayment ability, credit and capacity to manage pursuant to the Program Guidelines and Procedures in ATTACHMENT III; and

**WHEREAS**, CITY has provided certain funds from its Inner City Incentive Fund (the "ICIF") and General Fund for use by WDC as a one-time allocation from the CITY's adopted budget; and

**WHEREAS**, CITY designates its Center City Development and Operations, acting for its City Manager, responsible for the evaluation and monitoring of this AGREEMENT (hereinafter referred to as "CCDO"). The Department of Finance and other City departments will function in a supporting role; and

**WHEREAS**, CITY now wishes to engage WDC in meeting such objectives and following such procedures as described in this AGREEMENT and in ATTACHMENT I of this Contract pursuant to the Program; **NOW THEREFORE:**

The Parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described:

## I. GENERAL PROVISIONS

1. WDC is a non-profit corporation governed by a Board of Directors with a mission of advocating and working for the area business community toward the building and sustaining of a diverse and prosperous economy.
2. WDC, in furtherance of its mission, provides loans, grants and other assistance to small, diverse businesses that are unable to obtain full or partial financing through standard banking institutions.
3. WDC agrees by the execution of this AGREEMENT to comply with any and all provisions of this AGREEMENT and accept administrative and fiscal responsibility for

the use and documentation of expenditures of funds provided by CITY.

4. WDC represents, warrants, assures and guarantees that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this AGREEMENT and to perform the responsibilities herein required.
5. The signer of this AGREEMENT for WDC represents, warrants, assures and guarantees that he or she has full legal authority to execute this AGREEMENT on behalf of WDC and to bind WDC to all terms, performances and provisions herein contained.
6. In the event that a dispute arises as to the legal authority of either WDC, or the person signing on behalf of WDC, to enter into this AGREEMENT, CITY shall have the right, at its option, to either temporarily suspend or permanently terminate this AGREEMENT. Should CITY suspend or permanently terminate this AGREEMENT pursuant to this paragraph, however, WDC shall be liable to CITY for any money it has received from CITY for performance of any of the provisions herein.
7. WDC understands that the funds provided pursuant to this AGREEMENT are funds which have been made available by CITY's ICIF fund and General fund and WDC will, therefore, comply with all rules, regulations, policies and procedures applicable to these funds as directed by CITY.
8. WDC and CITY agree that WDC is an independent contractor, that WDC shall be responsible to all Parties for its respective acts and omissions, and that CITY shall in no way be responsible therefore, and that neither has authority to bind the other, or hold out to third parties that it has the authority to bind the other.
9. WDC understands and agrees that this AGREEMENT is subject to mutual termination. Therefore, either Party shall have the option of terminating this AGREEMENT by giving the other Party no less than thirty (30) days written notice. Such notice shall specify the effective date of termination, which date shall not be sooner than the end of thirty (30) days following the day on which such notice is sent. If either Party exercises the option of terminating this AGREEMENT, any and all unused funds either allocated and in possession of WDC or unallocated and in the possession of CITY shall be the sole property of CITY and CITY shall have the right to: (1) reclaim any and all funds unused but distributed to WDC under the terms of this AGREEMENT; or (2) retain any and all funds allocated but not distributed to WDC.
10. WDC understands and agrees that this AGREEMENT may be revised and updated by and at the discretion of the City Council of the City of San Antonio. Therefore, WDC agrees that, at such time as any revisions are so made during the Term hereof, this AGREEMENT will be amended to include such revisions. In the event that WDC does not agree to any changes, WDC shall have the option of terminating this AGREEMENT by giving thirty (30) days written notice to CITY. WDC shall have the right to exercise such option within thirty (30) days of receipt of notice of any such revisions.
11. WDC understands and agrees that this AGREEMENT is subject to a general reduction in

funding. If and when CITY implements a reduction in the ICIF fund and/or General Fund expenditures, agreements funded by CITY's ICIF fund and/or General Fund, including this AGREEMENT may, at CITY's option, be reduced in a like manner. CITY will attempt to provide WDC with as much advance notice of a potential funding reduction as is possible to allow WDC to make budget adjustments.

12. In no event shall CITY be liable for any expense of WDC not eligible or allowable hereunder.
13. Should WDC fail to fulfill in a timely and proper manner the obligations under this AGREEMENT, as determined solely by the Director of the City's CCDO, or if WDC should violate any of the covenants, conditions or stipulations of this AGREEMENT, CITY shall have the right to terminate this AGREEMENT by sending written notice to WDC of such termination and specifying the effective date thereof, which date shall not be sooner than the end of thirty (30) days following the day on which such notice is sent.
  - A. Previous breach of any of the terms or conditions herein shall not be construed as a waiver of same nor preclude CITY's termination right for successive breach of the same condition.
  - B. Notwithstanding the above, WDC shall not be relieved of liability to CITY for damages sustained by CITY by virtue of any breach of this AGREEMENT and CITY may withhold funds otherwise due as damages.
  - C. In addition to the above provisions, the City Council shall have the right to terminate this Agreement at any time upon a finding by ordinance that WDC's activities, programs or operations no longer are in the best interest of the City of San Antonio or its citizens. Adequate provisions shall be made for WDC to be heard by the City Council prior to voting on such an ordinance. The effective date of the termination shall be set in the ordinance.
14. Should this AGREEMENT be terminated by either Party for any reason and the program objectives not fully completed as stated in Section II of this AGREEMENT as determined solely by CITY after consultation with WDC, WDC shall refund unused funds either allocated and in possession of WDC or unallocated and in the possession of CITY shall be the sole property of CITY and CITY shall have the right to: (1) reclaim any and all funds unused but distributed to WDC under the terms of this AGREEMENT; or (2) retain any and all funds allocated but not distributed to WDC.
15. Except as otherwise provided for pursuant to the provisions hereof, this Agreement shall begin on October 1, 2018 and shall terminate on September 30, 2019. This AGREEMENT may be renewed annually, for up to two (2) years, subject to appropriation of funds by City Council.
16. WDC shall establish and use internal accounting and administrative controls to preclude theft, embezzlement, improper inducement, obstruction of investigation or other criminal action and to prevent frauds and program abuse. CITY shall review, and WDC shall allow review of, WDC's system of internal administrative and accounting controls, as it

deems necessary to ensure financial responsibility.

17. WDC warrants that no person or selling agency has been employed or retained to solicit or secure this AGREEMENT upon any other agreement or understanding for a commission, percentage, brokerage, or contingent fee, and further that no such understanding or agreement exists or has existed, with any employee of WDC or CITY.
18. WDC may leverage funds provided hereunder either directly or indirectly as a contribution in order to obtain any federal funds under any federal program that is consistent with the program objectives herein, upon prior written approval by CITY's CCDO.
19. WDC is authorized to publicly acknowledge that the City of San Antonio is supportive of the objectives as described in this AGREEMENT and ATTACHMENT I and has contributed to the cause of realizing such objectives.
20. WDC acknowledges that this AGREEMENT cannot be assigned without the express written consent of CITY's CCDO.
21. WDC shall not use funds from this AGREEMENT for purposes other than those listed in Section II of this Contract without prior written consent of the CITY's CCDO.

## **II. SCOPE OF SERVICES**

WDC shall utilize up to three hundred fifty-eight thousand six hundred sixty-eight dollars and no cents (\$433,668.00) provided by CITY to WDC for the funding or partial funding of WDC in performing its mission on behalf of the CITY, to be used by WDC in conformance with the approved budget in ATTACHMENT II. The aforementioned funds shall be paid as follows:

1. WDC shall utilize up to one hundred thousand dollars and no cents (\$100,000.00) provided by CITY from its ICIF fund for the funding or partial funding of WDC toward its Loan and Grant Program, in compliance with ATTACHMENT I. All funds utilized shall be in compliance with the CITY's ICIF fund Guidelines and shall be used only for economic development purposes. These funds shall be advanced and distributed to WDC in one amount, to be distributed soon after the effective date of a duly passed ordinance by the City Council of the City of San Antonio authorizing the execution of, and following the execution of, this AGREEMENT.
2. WDC shall utilize up to three hundred thirty-three thousand six hundred sixty-eight dollars and no cents (\$333,668.00) provided by CITY from its General Fund for the funding or partial funding of WDC to undertake the Scope of Services set out in ATTACHMENT II. All funds utilized shall be in compliance with the CITY'S EDIF Guidelines and shall be used only for economic development purposes. These funds shall be advanced and distributed to WDC in one amount, to be distributed soon after the effective date of a duly adopted ordinance by the City Council of the City of San Antonio authorizing the execution of, and following the execution of, this AGREEMENT.
3. WDC shall also fulfill the following requirements:

- a. WDC shall provide CITY's CCDO with proper documentation verifying receipt of year 2018 and 2019 funding commitments from all other specified sources for WDC, if any.
  - b. WDC shall provide CITY's CCDO quarterly budget reports outlining contributions and expenditures (to include all sources of funding).
  - c. WDC shall submit all required and requested documents to CITY's CCDO for proper review of WDC expenditures and activities. Any requests for Fiscal Year 2020 funding must be submitted to CITY's CCDO by June 1, 2019.
4. The CITY's CCDO is assigned monitoring responsibility for this AGREEMENT. WDC will provide City's staff, including internal auditors, EEO officers and other persons as designated by CITY, such as independent public accountants, access during regular business hours, as deemed necessary by CITY for the purposes of auditing, monitoring, evaluating, coordinating, investigating and making excerpts and/or copies of any and all of WDC's books, records and files on the objectives covered by this AGREEMENT. WDC understands that CITY may require any and all books, records and files of WDC necessary to ensure WDC's compliance and use of generally accepted governmental accounting principles.
- a. All such records shall continue to be available for inspection and audit for a period of five (5) years after the termination date hereof. However, if an audit or investigation of WDC begins during the course of this five-year period, then WDC is required to maintain said records until such time as the audit or investigation is completely finished.
  - b. WDC agrees that during the term of this AGREEMENT, any duly authorized representative of CITY's CCDO shall have the right to conduct on-site inspections at reasonable times and to interview personnel and clients for the purposes of evaluating and monitoring the objectives for compliance with this AGREEMENT.
  - c. The submission of falsified information or the failure to timely submit all information by WDC as requested by CITY is grounds for termination of this AGREEMENT.
5. WDC agrees to abide by the CITY's current Ethics Code or any amendment or revisions thereto. WDC will establish safeguards to prohibit anyone whose position is funded or partially funded by this AGREEMENT from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or those with whom they have family, business or other ties. CITY may, at its option, cancel this AGREEMENT for any violation of this section.
6. WDC agrees to establish internal procedures that ensure that employees funded or partially funded by this AGREEMENT have an established complaint and grievance policy.

- a. Such grievance policy shall include procedures to receive, investigate and resolve complaints and grievances in an expeditious manner.
- b. In the event no complaint and grievance policy has been established, WDC shall follow the procedures outlined in the San Antonio Municipal Civil Service rules in regard to employees funded or partially funded by this AGREEMENT.

### III. FISCAL MANAGEMENT

1. An accounting system using generally accepted accounting principles for governmental entities which accurately reflects all costs chargeable (paid and unpaid) to this AGREEMENT is mandatory.
2. WDC will establish an account in a commercial bank as a depository for receipt and expenditure of all funds provided hereunder. A separate account shall be maintained for funds under this AGREEMENT to assure separation of funds, unless otherwise approved by the CITY's CCDO.
3. No fees may be charged to or donations requested from participants in any CITY-funded agreement without the prior written approval of the Director of CCDO.
4. **To the extent allowed by law, WDC covenants and agrees to FULLY INDEMNIFY and HOLD HARMLESS the CITY and the elected officials, employees, officers, directors, volunteers and representatives of the CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature including, but not limited to, personal or bodily injury, death and property damage made upon the CITY directly or indirectly arising out of, resulting from or related to WDC'S activities under this Agreement, including any acts or omissions of WDC, any agent, officer, director, representative, employee, consultant or subcontractor of WDC, and their respective officers, agents employees, directors and representatives while in the exercise of performance of the rights or duties under this Agreement. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death or property damage. IN THE EVENT WDC AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.**

The provisions of this INDEMNITY are solely for the benefit of the Parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity. WDC shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or WDC that is known to WDC, related to or arising out of WDC's activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at WDC's

cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving WDC of any of its obligations under this paragraph.

5. Upon completion or termination of the objectives as described in this AGREEMENT, any unused funds, rebates or credits must immediately be returned by WDC to CITY.
6. WDC shall not be relieved of liability to CITY for damages sustained by CITY by virtue of any breach of this AGREEMENT and CITY may withhold funds otherwise due as damages.
7. Should any expense or charge that has been paid with funds from this AGREEMENT be subsequently disapproved or disallowed as a result of any site review or audit, WDC will immediately refund such amount to CITY. WDC further authorizes CITY, if CITY so elects, to deduct such amount or charge as a claim against future payments, if any. The CITY's CCDO has the express authority to deduct such claims from subsequent reimbursements.
8. Audit Conditions and Requirements:
  - a. CITY, a political entity, unlike a business for profit, is more interested in knowing if agencies have accomplished or achieved the objectives as stipulated in their contracts and/or agreements, as opposed to certifications that the Balance Sheet fairly represents the financial position at a given date. Therefore, it is essential that City is made aware of progress made upon this AGREEMENT. Following 30 days after a written request by City, WDC shall submit a written report stating what has been accomplished to date and the most current percentage of completion of the total contract that has been performed.
  - b. It is imperative any auditor performing an audit of WDC read the entire AGREEMENT, including all attachments, between the CITY and WDC, since the budget and financial compliance of the AGREEMENT is only a portion of the total contractual obligation.
  - c. All CITY-funded contracts and agreements, including this AGREEMENT, are subject to periodic audits at any reasonable hour of the day by CITY auditors. This includes the auditing of both WDC and subcontractors related to this AGREEMENT.
  - d. If WDC expends \$50,000.00 or more in General Fund dollars during the term of this AGREEMENT, then WDC shall furnish the CITY'S CCDO and other City Departments designated by the CCDO with audited financial statements, prepared by an independent auditor (CPA), within one hundred and twenty (120) days of the close of WDC's fiscal year or within thirty days of the completion of any audit performed. In addition to the audited financial statements, a copy of any internal controls review, audit exceptions and management letter should be submitted. The audited financial statements must include a schedule of receipts and disbursements by budgeting cost category and a certification from WDC stating whether or not the terms and conditions of the AGREEMENT were met. If the

CITY determines, in its sole discretion, that WDC is in violation of the above requirements, the CITY shall have the right to dispatch auditors of its choosing to conduct the required audit and to have WDC pay for such audit. In addition, when WDC has expended federal or state funds that exceed the single audit threshold amount in effect during the period of this contract, the audit shall be conducted in accordance with the Single Audit Act Amendments of 1996 and the U.S. Office of Management and Budget Circular A-133 (latest revision), and/or the State of Texas Single Audit Circular.

9. WDC understands and agrees to abide by and adhere to applicable federal, state and CITY provisions regarding financial accounting.

#### IV. INSURANCE REQUIREMENTS

1. Prior to the commencement of any work under this AGREEMENT, WDC shall furnish copies of all required endorsements and completed Certificate(s) of Insurance to the City's CCDO, which shall be clearly labeled "San Antonio for Growth on the Eastside Agreement To Use Funds" in the Description of Operations block of the Certificate. The Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. The CITY will not accept a Memorandum of Insurance or Binder as proof of insurance. The certificate(s) must have the agent's signature and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer's authorized representative to the CITY. The CITY shall have no duty to pay or perform under this AGREEMENT until such certificate and endorsements have been received and approved by the City's CCDO. No officer or employee, other than the City's Risk Manager, shall have authority to waive this requirement.

The CITY reserves the right to review the insurance requirements of this Article during the effective period of this AGREEMENT and any extension or renewal hereof and to modify insurance coverage's and their limits when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this AGREEMENT. In no instance will CITY allow modification whereby CITY may incur increased risk.
3. WDC's financial integrity is of interest to the CITY; therefore, subject to WDC's right to maintain reasonable deductibles in such amounts as are approved by the CITY, WDC shall obtain and maintain in full force and effect for the duration of this AGREEMENT, and any extension hereof, at WDC's sole expense, insurance coverage written on an occurrence basis, unless otherwise indicated, by companies authorized to do business in the State of Texas and with an A.M Best's rating of no less than A- (VII), in the following types and for an amount not less than the amount listed below:

WDC shall provide the CITY with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this AGREEMENT. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the AGREEMENT for all purposes.
5. As they apply to the limits required by the CITY, the CITY shall be entitled, upon request and without expense, to receive copies of the policies, declaration page, and all endorsements thereto and may require the deletion, revision, or modification of particular policy terms, conditions, limitations, or exclusions (except where policy provisions are established by law or regulation binding upon either of the Parties hereto or the underwriter of any such policies). WDC shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to CITY at the address provided below within 10 days of the requested change. WDC shall pay any costs incurred resulting from said changes.

6. WDC agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:
  - Name the CITY, its officers, officials, employees, volunteers, and elected representatives as additional insured by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with the CITY, with the exception of the workers' compensation and professional liability policies;
  - Provide for an endorsement that the "other insurance" clause shall not apply to the City of San Antonio where the CITY is an additional insured shown on the policy;

7. Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, WDC shall provide a replacement Certificate of Insurance and applicable endorsements to CITY. CITY shall have the option to suspend WDC's performance should there be a lapse in coverage at any time during this AGREEMENT. Failure to provide and to maintain the required insurance shall constitute a material breach of this AGREEMENT.
8. In addition to any other remedies the CITY may have upon WDC's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the CITY shall have the right to order WDC to stop work hereunder, and/or withhold any payment(s) which become due to WDC hereunder until WDC demonstrates compliance with the requirements hereof.
9. Nothing herein contained shall be construed as limiting in any way the extent to which WDC may be held responsible for payments of damages to persons or property resulting from WDC's or its subcontractors' performance of the work covered under this AGREEMENT.
10. It is agreed that WDC's insurance shall be deemed primary and non-contributory with respect to any insurance or self-insurance carried by the CITY for liability arising out of operations under this AGREEMENT.
11. It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this AGREEMENT and that no claim or action by or on behalf of the CITY shall be limited to insurance coverage provided.
12. WDC and any Subcontractors are responsible for all damage to their own equipment and/or property.

## **V. EQUAL EMPLOYMENT OPPORTUNITY AND NONDISCRIMINATION POLICY**

1. WDC agrees to post in a conspicuous place available to employees and applicants for employment funded or partially funded under this AGREEMENT, notices to be provided by the contracting officer setting forth the provisions of this Nondiscrimination Clause.
2. WDC will, in all solicitations or advertisements for employees placed by or on behalf of WDC, state that all qualified applicants will receive fair consideration for employment without regard to race, color, national origin, religion, sex, sexual orientation, gender identity, veteran status, age, disability, or political belief or affiliation.

4. WDC agrees to affirmatively abide by and cooperate in the implementation of the policies and practices set forth in this Nondiscrimination Clause and any additional policies as may be required as a result of local, state or federal initiatives. WDC will furnish all information and reports requested by CITY and will permit access to books, records and accounts for purpose of review and investigation to ascertain compliance with such rules and regulations.
5. In the event of WDC's failure or refusal to comply with this Nondiscrimination Clause, this AGREEMENT may be canceled, terminated or suspended in whole or in part, and WDC may be debarred from further contracts with CITY.

- c. No litigation or proceedings are presently pending or threatened against WDC or, if pending, have been disclosed by WDC in writing to CITY;
- d. None of the provisions contained herein contravene or in any way conflict with the authority under which WDC is doing business, or with the provisions of any existing indenture or agreement of WDC;
- e. WDC has the legal authority to enter into this AGREEMENT and accept payments hereunder, and has taken all necessary measures to authorize such execution of AGREEMENT and acceptance of payments pursuant to the terms and conditions hereof; and
- f. None of the assets of WDC are subject to any lien or encumbrance of any character, except as shown in the financial statements provided by WDC to CITY.

## **VII. LEGAL/LITIGATION EXPENSES**

1. Under no circumstances will the funds received under this AGREEMENT or any other funds received from CITY be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the CITY. WDC must obtain the written approval of the City Attorney's Office before any funds received under this AGREEMENT may be used in any adversarial proceeding against any other governmental entity or any other public entity.
2. During the term of this AGREEMENT, if WDC files and/or pursues an adversarial proceeding against the CITY then, at the CITY's option, this AGREEMENT and all access to the funding provided for hereunder may terminate if it is found that WDC has violated this Article.
3. WDC, at the CITY's option, could be ineligible for consideration to receive any future funding while any adversarial proceedings against the CITY remains unresolved.
4. For purposes of this Article, "adversarial proceedings" include any cause of action filed by WDC in any state or federal court, as well as any state or federal administrative hearing, but does not include Alternative Dispute Resolution proceedings.

## **VIII. CHANGES AND AMENDMENTS**

2. It is understood and agreed by the Parties hereto that changes in local, state and federal rules, regulations or laws applicable hereto may occur during the term of this AGREEMENT and that any such changes shall be automatically incorporated into this AGREEMENT without written amendment hereto, and shall become a part hereof as of the effective date of the rule, regulation or law.

## **IX. SEVERABILITY OF PROVISIONS**

If any clause or provision of this AGREEMENT is held invalid, illegal or unenforceable under present or future federal, state or local laws including, but not limited to, the City Charter, City Code, or ordinances of the City of San Antonio, Texas then, and in that event, it is the intention of the Parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this AGREEMENT shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the Parties hereto that in lieu of each clause or provision of this AGREEMENT that is invalid, illegal or unenforceable, there be added as a part of this AGREEMENT a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

## **X. NON-WAIVER OF PERFORMANCE**

1. No waiver by CITY of a breach of any of the terms, conditions, covenants or guarantees of this AGREEMENT shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of CITY to insist in any one or more cases upon the strict performance of any of the covenants of this AGREEMENT, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by any Party hereto of any provision of this AGREEMENT shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged.
2. No act or omission of CITY shall in any manner impair or prejudice any right, power, privilege or remedy available to CITY hereunder or by law or in equity, such rights, powers, privileges or remedies to be always specifically preserved hereby.

“Director” shall mean the acting director of City’s Center City Development Office.

“Contractor” is defined in the preamble of this Agreement and includes its successors.

“Event” shall mean the Cesar Chavez March put on by Contractor and to be held in 2019.

### **II. TERM**

2.1 Unless sooner terminated in accordance with the provisions herein, the Term of this Agreement shall be from October 1, 2018 until all obligations are met by the Parties but in no case later than September 30, 2019. After such date, no payment will be made to Contractor or on Contractor’s behalf.

2.2 If funding for the entire Agreement is not appropriated at the time this Agreement is entered into, City retains the right to terminate this Agreement at the expiration of each of the City’s budget periods, and any subsequent contract period is subject to and contingent upon such appropriation.

### **III. SCOPE OF SERVICES**

3.1 The Event will inspire community activism and serve as a point of pride within the greater community and is in accordance with the desire of the City Council as evident by the passage of City Ordinance #90421.

The City is providing funding through this Agreement for the public purpose of supporting the Event as a catalyst for community pride. It is understood that Contractor is not receiving funds for its undertaking or planning of the event; it is only receiving reimbursement for expenses associated with the event and owed to third-parties to include the City.

Contractor agrees to provide the services described in EXHIBIT A, entitled "Scope of Services", in exchange for the compensation described in Article IV below, entitled "Compensation," which is part of the City's contribution to the Event in accordance with City Ordinance #90421.

3.2 City shall provide payment of costs incurred by Contractor in putting on the Event in an amount not to exceed the amount described in Article IV. Such payments shall include payments to the City or City Departments for the services provided by the City or City Departments and other payment to third-party contractors provided that Contractor can provide documentation to City evidencing that a third-party contractor provided services to Contractor directly related to the Event, that such services were adequate and that payment in the amount requested through an itemized invoice is reasonable.

3.3 All work performed by Contractor hereunder shall be performed to the satisfaction of Director. The determination made by Director shall be final, binding and conclusive on all Parties hereto. 4.2 No additional fees or expenses of Contractor shall be charged by Contractor nor be payable by City. The parties hereby agree that all compensable expenses of Contractor have been provided for in the total payment to Contractor as specified in section 4.1 above. ## **VI. RECORDS RETENTION**

6.1 Contractor and its subcontractors, if any, shall properly, accurately and completely maintain all documents, papers, and records, and other evidence pertaining to the services rendered hereunder (hereafter referred to as “documents”), and shall make such materials available to the City at their respective offices, at all reasonable times and as often as City may deem necessary during the Agreement period, including any extension or renewal hereof, and the record retention period established herein, for purposes of audit, inspection, examination, and making excerpts or copies of same by City and any of its authorized representatives.

6.2 Contractor shall retain any and all documents produced as a result of services provided hereunder for a period of four (4) years (hereafter referred to as “retention period”) from the date of termination of the Agreement. If, at the end of the retention period, there is litigation or other questions arising from, involving or concerning this documentation or the services provided hereunder, Contractor shall retain the records until the resolution of such litigation or other such questions. Contractor acknowledges and agrees that City shall have access to any and all such documents at any and all times, as deemed necessary by City, during said retention period. City may, at its election, require Contractor to return said documents to City prior to or at the conclusion of said retention.

6.3 Contractor shall notify City, immediately, in the event Contractor receives any requests for information from a third party, which pertain to the documentation and records referenced herein. Contractor understands and agrees that City will process and handle all such requests.

City shall deliver written notice of said default specifying such matter(s) in default. Contractor shall have fifteen (15) calendar days after receipt of the written notice, in accordance with Article VIII. Notice, to cure such default. If Contractor fails to cure the default within such fifteen (15) day cure period, City shall have the right, without further notice, to terminate this Agreement in whole or in part as City deems appropriate, and to contract with another Contractor to complete the work required in this Agreement. City shall also have the right to offset the cost of said new Agreement with a new Contractor against Contractor's future or unpaid invoice(s), subject to the duty on the part of City to mitigate its losses to the extent required by law.

7.4.2 Bankruptcy or selling substantially all of company's assets

7.4.3 Failing to perform or failing to comply with any covenant herein required

7.5 Termination By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.

7.6 Regardless of how this Agreement is terminated, Contractor shall affect an orderly transfer to City or to such person(s) or firm(s) as the City may designate, at no

additional cost to City, all completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced as a result of or pertaining to the services rendered by Contractor, or provided to Contractor, hereunder, regardless of storage medium, if so requested by City, or shall otherwise be retained by Contractor in accordance with Article VI. Records Retention. Any record transfer shall be completed within thirty (30) calendar days of a written request by City and shall be completed at Contractor's sole cost and expense. Payment of compensation due or to become due to Contractor is conditioned upon delivery of all such documents, if requested.

7.7 Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Agreement, Contractor shall submit to City its claims, in detail, for the monies owed by City for services performed under this Agreement through the effective date of termination. Failure by Contractor to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of City and constitute a **Waiver** by Contractor of any and all right or claims to collect moneys that Contractor may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

7.8 Upon the effective date of expiration or termination of this Agreement, Contractor shall cease all operations of work being performed by Contractor or any of its subcontractors pursuant to this Agreement.

7.9 Termination not sole remedy. In no event shall City's action of terminating this Agreement, whether for cause or otherwise, be deemed an election of City's remedies, nor shall such termination limit, in any way, at law or at equity, City's right to seek damages from or otherwise pursue Contractor for any default hereunder or other action.

10.7 If Contractor fails to maintain the aforementioned insurance, or fails to secure and maintain the aforementioned endorsements, the City may obtain such insurance, and deduct and retain the amount of the premiums for such insurance from any sums due under the agreement; however, procuring of said insurance by the City is an alternative to other remedies the City may have, and is not the exclusive remedy for failure of Contractor to maintain said insurance or secure such endorsement. In addition to any other remedies the City may have upon Contractor's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Contractor to stop work hereunder, and/or withhold any payment(s) which become due to Contractor hereunder until Contractor demonstrates compliance with the requirements hereof.

10.8 Nothing herein contained shall be construed as limiting in any way the extent to which Contractor may be held responsible for payments of damages to persons or property resulting from Contractor's or its subcontractors' performance of the work covered under this Agreement.

10.9 It is agreed that Contractor's insurance shall be deemed primary with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

10.10 Should Contractor obtain insurance through the City, then, notwithstanding the above requirements, the City's Risk Manager shall assess the event and determine, in her sole discretion, the levels of required insurance coverage that the Contractor must obtain.

## **XI. INDEMNIFICATION**

**11.1 CONTRACTOR covenants and agrees to FULLY INDEMNIFY and HOLD HARMLESS, the CITY and the elected officials, employees, officers,**

directors, volunteers and representatives of the CITY, individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to CONTRACTOR's activities under this AGREEMENT, including any acts or omissions of CONTRACTOR, any agent, officer, director, representative, employee, Contractor or subcontractor of CONTRACTOR, and their respective officers, agents, employees, directors and representatives while in the exercise of performance of the rights or duties under this AGREEMENT, all without however, waiving any governmental immunity available to the CITY under Texas Law and without waiving any defenses of the parties under Texas Law. IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS AND REPRESENTATIVES OF CITY, UNDER THIS AGREEMENT. The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. CONTRACTOR shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or CONTRACTOR known to CONTRACTOR related to or arising out of CONTRACTOR's activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at CONTRACTOR's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving CONTRACTOR of any of its obligations under this paragraph.

11.2 It is the EXPRESS INTENT of the parties to this AGREEMENT, that the INDEMNITY provided for in this section, is an INDEMNITY extended by CONTRACTOR to INDEMNIFY, PROTECT and HOLD HARMLESS, the CITY from the consequences of the CITY'S OWN NEGLIGENCE, provided however, that the INDEMNITY provided for in this section SHALL APPLY only when the NEGLIGENT ACT of the City is a CONTRIBUTORY CAUSE of the resultant injury, death, or damage, and shall have no application when the negligent act of the City is the sole cause of the resultant injury, death, or damage. CONTRACTOR further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND IN THE NAME OF THE CITY, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.

11.3 Defense Counsel - City shall have the right to select or to approve defense counsel to be retained by CONTRACTOR in fulfilling its obligation hereunder to defend and indemnify City, unless such right is expressly waived by City in writing.

CONTRACTOR shall retain City approved defense counsel within seven (7) business days of City's written notice that City is invoking its right to indemnification under this Agreement. If CONTRACTOR fails to retain Counsel within such time period, City shall have the right to retain defense counsel on its own behalf, and CONTRACTOR shall be liable for all costs incurred by City. City shall also have the right, at its option, to be represented by advisory counsel of its own selection and at its own expense, without waiving the foregoing.

11.4 Employee Litigation – In any and all claims against any party indemnified hereunder by any employee of CONTRACTOR, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation herein provided shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for CONTRACTOR or any subcontractor under worker's compensation or other employee benefit acts.

## **XII. ASSIGNMENT AND SUBCONTRACTING**

12.1 Contractor shall supply qualified personnel as may be necessary to complete the work to be performed under this Agreement. 12.3 Any work or services approved for subcontracting hereunder shall be subcontracted only by written contract and, unless specific waiver is granted in writing by the City, shall be subject by its terms to each and every provision of this Agreement. Compliance by subcontractors with this Agreement shall be the responsibility of Contractor. City shall in no event be obligated to any third party, including any subcontractor of Contractor, for performance of services or payment of fees. Any references in this Agreement to an assignee, transferee, or subcontractor, indicate only such an entity as has been approved by the City Council.

12.4 Except as otherwise stated herein, Contractor may not sell, assign, pledge, transfer or convey any interest in this Agreement, nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the consent of the City Council, as evidenced by passage of an ordinance. As a condition of such consent, if such consent is granted, Contractor shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor Contractor, assignee, transferee or subcontractor.

12.5 Any attempt to transfer, pledge or otherwise assign this Agreement without said written approval, shall be void ab initio and shall confer no rights upon any third person. Should Contractor assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of Contractor shall thereupon cease and terminate, in accordance with Article VII. Termination, notwithstanding any other remedy available to City under this Agreement. The violation of this provision by Contractor shall in no event release Contractor from any obligation under the terms of this Agreement, nor shall it relieve or release Contractor from the payment of any damages to City, which City sustains as a result of such violation.

### **XIII. INDEPENDENT CONTRACTOR**

Contractor covenants and agrees that he or she is an independent contractor and not an officer, agent, servant or employee of City; that Contractor shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors and Contractors; that the doctrine of respondent superior shall not apply as between City and Contractor, its officers, agents, employees, contractors, subcontractors and Contractors, and nothing herein shall be construed as creating the relationship of employer-employee, principal-agent, partners or joint venturers between City and Contractor. The parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the Contractor under this Agreement and that the Contractor has no authority to bind the City.

### **XIV. SBEDA (RESERVED)**

### **XV. CONFLICT OF INTEREST**

If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

#### **XIX. COMPLIANCE**

Contractor shall provide and perform all services required under this Agreement in compliance with all applicable federal, state and local laws, rules and regulations.

#### **XX. NONWAIVER OF PERFORMANCE**

Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. In case of City, such changes must be approved by the City Council, as described in Article XVI. Amendments. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

The parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described:

**I. GENERAL PROVISIONS**

A. CONTRACTOR is a non-profit entity established in the State of Texas and located at 131 El Paso Street, San Antonio, TX 78204.

B. CONTRACTOR represents, warrants, assures and guarantees that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement and to perform the responsibilities herein required.

C. The signer of this Agreement for CONTRACTOR represents, warrants, assures and guarantees that he or she has full legal authority to execute this Agreement on behalf of CONTRACTOR and to bind CONTRACTOR to all terms, performances and provisions herein contained. In the event that a dispute arises as to the legal authority of either the CONTRACTOR, or the person signing on behalf of CONTRACTOR, to enter into this Agreement, CITY shall have the right, at its option, to either temporarily suspend or permanently terminate this Agreement. Should CITY suspend or permanently terminate this Agreement pursuant to this paragraph, however, CONTRACTOR shall be liable to CITY for any money it has received from CITY for performance of any of the provisions hereof.

D. The CONTRACTOR understands that the funds provided it pursuant to this Agreement are funds which have been made available by the CITY's General Fund and CONTRACTOR will, therefore, comply with all rules, regulations, policies and procedures applicable to these funds as directed by CITY.

E. CONTRACTOR and CITY agree that CONTRACTOR is an independent contractor, that CONTRACTOR shall be responsible to all parties for its respective acts and omissions, and that CITY shall in no way be responsible therefore, and that neither has authority to bind the other, or hold out to third parties that it has the authority to bind the other.

F. CONTRACTOR acknowledges and agrees that this Agreement is subject to mutual termination. Therefore, either party shall have the option of terminating this Agreement by giving the second party no less than thirty- (30) days written notice. Such notice shall specify the effective date of termination, which date shall not be sooner than the end of thirty (30) days following the day on which such notice is sent.

G. In no event shall CITY be liable for any expense of CONTRACTOR not eligible or allowable for reimbursement hereunder, and in no event shall employees of CONTRACTOR be deemed to be employees of CITY.

H. Should CONTRACTOR fail to fulfill, in a timely and proper manner, obligations under this Agreement, or if CONTRACTOR should violate any of the covenants, conditions, or stipulations of this Agreement, CITY shall have the right to terminate this Agreement by sending written notice to CONTRACTOR of such termination and specifying the effective date thereof, which date shall not be sooner than the end of thirty (30) days following the day on which such notice is sent.

i. A previous breach of any of the terms or conditions herein shall not be construed as a waiver of same nor preclude CITY's termination right for successive breach of the same condition.

ii. Notwithstanding the above, CONTRACTOR shall not be relieved of liability to CITY for damages sustained by CITY by virtue of any breach of this Agreement and CITY shall recover from CONTRACTOR any funds disbursed to CONTRACTOR which have not been used or contracted with a third-party for the Project.

iii. In addition to the above provisions, the City shall have the right to terminate this Agreement at any time upon a finding by ordinance that CONTRACTOR's activities, programs or operations no longer are in the best interest of the City of San Antonio.

I. Should this Agreement be terminated by either party for any reason and the Project, as defined below, is not fully completed as stated in Section II of this Agreement as determined solely by CITY after consultation with CONTRACTOR, CONTRACTOR shall then refund any and all sums of money paid by CITY to CONTRACTOR that are not obligated in a legally binding contract entered into by CONTRACTOR prior to the City's notice to terminate, in accordance with the terms of this Agreement, within thirty (30) working days of CITY's written request thereof.

J. Except as otherwise provided for pursuant to the provisions hereof, this Agreement shall begin on October 1, 2018 and shall terminate on September 30, 2019

N. CONTRACTOR acknowledges that this Agreement cannot be assigned without the express written consent of CITY.

O. CONTRACTOR shall not use funds from this Agreement for purposes other than those listed in Section II of this Agreement without prior written consent of the City's Responsible Department, which is herein defined as the City's Human Resources Department. Specifically, funds from this contract shall not be used for costs associated with environmental clean up, disposing of environmentally hazardous material or soil, or litigation costs from such causes of action.

## **II. PROJECT MANAGEMENT**

A. CONTRACTOR shall undertake the Upgrade Initiative as fully described in Exhibit A to this Agreement.

B. CONTRACTOR shall be solely responsible for establishing an office and meeting space for the Project, and for equipment and supply costs associated with managing the Project. The Parties acknowledge that these costs may be provided by a Third-party at no cost to CITY.

C. CONTRACTOR shall maintain all records associated with the Project and shall make such records available for inspection and audit for a period of four (4) years after the termination date hereof. However, if during the course of this four-year period, an audit or investigation of the CONTRACTOR begins, then CONTRACTOR is required to maintain said records until such time as the audit or investigation is completely finished.

D. CONTRACTOR agrees that during the term of this Agreement, any duly authorized representative of CITY's RESPONSIBLE DEPARTMENT shall have the right to conduct on-site inspections at reasonable times and to interview personnel and clients for the purposes of evaluating and monitoring the Project for compliance with this Agreement.

C. CONTRACTOR shall establish a separate account as a depository for receipt and expenditure of

all funds provided hereunder. A separate account shall be maintained for the combined projects to assure separation of funds, unless otherwise approved by the CITY's RESPONSIBLE DEPARTMENT.

D. A statement of expenditures must be submitted by CONTRACTOR within thirty (30) days of said activity; such statement is subject to audit verification.

The CITY shall have the right, at its option and at CONTRACTOR's expense, to participate in such defense without relieving CONTRACTOR of any of its obligations under this paragraph 8. Furthermore, CONTRACTOR will, by separate contract or lease restrictions, require any of its subcontractors, consultants and/or future commercial tenants to indemnify the CITY against the consequences of any of said subcontractor's, consultant's and/or future commercial tenant's negligent actions or omissions.**

**It is the EXPRESS INTENT of the parties to this AGREEMENT, that to the extent allowed by law, the hold harmless clause provided for in this Paragraph 8, is a protection extended by CONTRACTOR to PROTECT AND HOLD HARMLESS the INDEMNITEES FROM THE CONSEQUENCES OF THEIR OWN NEGLIGENCE, provided however, it SHALL APPLY only when the NEGLIGENT ACT of the Indemnatee(s) is a CONTRIBUTORY CAUSE of the resultant injury, death, or damage, and shall have no application when the negligent act of the Indemnatee(s) is the sole cause of the resultant injury, death, or damage. CONTRACTOR further AGREES TO DEFEND, AT ITS OWN EXPENSE, and ON BEHALF OF THE INDEMNITEES AND IN THE NAME OF INDEMNITEES, any claim or litigation brought against the INDEMNITEES and their agents, elected officials, employees, officers, directors and representatives in connection with any such injury, death or damage for which this hold harmless protection shall apply, as set forth above.**

Any unresolved disputes will be referred to the CITY Council for final determination. The CITY and its officers, employees and elected representatives individually or collectively will be named as "Additional Insureds" on the CONTRACTOR's commercial general liability policy.

## **EXHIBIT A: UPGRADE INITIATIVE**

San Antonio Education Partnership (SAEP), as contractor to the City, agrees to provide the services described below:

SAEP agrees to provide a job position titled Upgrade Program Director. The Director will provide Upgrade services accessible to the entire San Antonio community. The Director will also be responsible for Upgrade operational duties to include growing and sustaining the Upgrade program in San Antonio. The Director will be evaluated by the Director of the San Antonio Education Partnership.

SAEP agrees to provide a job position titled City of San Antonio Liaison – Upgrade Program that will be provided exclusively for the benefit of City of San Antonio employees as coordinated by the City of San Antonio Human Resources department.

Upgrade San Antonio, a program of the San Antonio Education Partnership located at café college, in cooperation with SA Works, is pleased to offer the following services to help adult learners meet their educational goals of completing a degree or a certificate.

The total cost of the program is \$84,100 and shall be in effect from October 1, 2018 through September 30, 2019..

Upgrade will provide:

- A bundled package of college advising, enrollment and success services that leverages benefits available to employees through their human resources packages.
- 1-2 onsite workshops at a location chosen by the employer per month. Workshops will be facilitated by experts within their respective fields from Upgrade's consortium of universities. Upgrade will work with the human resources liaison to outreach to potential participants and to organize and promote onsite and online activities related to the goals stated herein.
- Upgrade management will provide a dedicated Liaison to the City of San Antonio. Upgrade management will provide oversight of the Liaison and the program, and will submit quarterly company-specific reports and in-person updates.
- Upgrade Liaison will have monthly meetings with HR contact and Upgrade program director. Liaison and director will provide a quarterly update to Department of Economic Development and Human Resources.
- The City of San Antonio Liaison – Upgrade Program will provide advising dedicated to the City of San Antonio employees, at the company's multiple locations. The Liaison will also communicate with participating employees through email, phone, and office hours at café college, located at 131 El Paso Street.
- Upgrade will outreach to new employees at Employee New Experience every other month, providing a 5-10 minute introduction to Upgrade and program materials.

Upgrade (along with college personnel) will provide the onsite support and expertise to ensure that these activities are easy and effective for participating employees/adult learners, as follows:

### **Pre-enrollment Advising**

- Upgrade will provide one (1) advisor October 1, 2018 to September 30, 2019 on a schedule developed in coordination with the City of San Antonio Human Resources department, to provide initial and ongoing individual advising sessions for the identified participants. Liaison will provide pre-enrollment advising via appointment (preferred) at employer site(s) or at cafecollege. (No sessions will be provided the week between Christmas and New Year's and during regularly scheduled city/café college holidays. An Upgrade Advisor will also be available during regular business hours to the participating associates via phone, email, or at the café college location, and non-business hours can be scheduled based on need.
- The employer will provide the Upgrade Liaison with access to an onsite office or cubicle with privacy measures, a desk and two chairs, and an electric outlet accommodating at least two plugs, for individual advising sessions and for storing program materials for the on-site scheduled advising days (optional).
- Upgrade liaisons will provide their own laptop computers.
- Upgrade will provide brochures and flyers and printed materials as necessary.
- A 30-60 minute initial advising session is designed to collect and provide important information and establishes a personal connection between the adult learner and the City of San Antonio Liaison – Upgrade Program. Trust is a critical factor in the advising relationship; a good advising relationship is directly linked to student success in college. Pre-enrollment advising sessions focus on exploring barriers and identifying strategies to counter them, forming a customized degree completion plan, reviewing credit accumulation and exploring testing and prior learning portfolio options for maximizing the number of credits for transfer, optimizing human resource benefits such as but not limited to tuition reimbursement, and collecting and submitting academic and financial aid documents.
- After the initial advising session, the City of San Antonio Liaison – Upgrade Program will continue to work with each of the identified associate program participants as needed. Ongoing advising is tailored to the need and progress of each adult learner. Upgrade's evidence-based benchmarks and indicators help Liaisons calculate and monitor barrier removal, intensity, and speed of progress. On average, Comebackers require 8 hours of advising in their first year, most of it in the pre-enrollment phase and 5 hours in subsequent years to support retention/persistence. Upgrade will make a good faith effort to get newly participating associates re-enrolled within 2-4 months from the start date.
- Allowing associates time for accessing Upgrade's advising services. Upgrade would appreciate consideration in allowing associates to schedule advising sessions throughout the working day. Upgrade Liaisons will work with management to track, limit, or reduce the number of associate work hours spent on advising, shifting associates to other hours and increased email/phone communication as soon as possible after the initial session.
- Advisor will become familiar with job families within the City of San Antonio, in order to best advise students.

### **In-Person Workshops**

- 1-2 workshops per month will be delivered throughout the year.
- Workshops may be delivered by an Upgrade staff or affiliated college staff member. If the latter, Upgrade guarantees the quality and college-neutrality of the content and delivery.
- Workshop participation is capped at 100 to ensure participants have a chance to ask questions

and participate.

### **Retention and Persistence**

After enrollment, Upgrade liaisons stay in touch with the individual until graduation, to help solve issues that are outside the scope of college advisors, review choices, provide reminders of upcoming deadlines, help sustain momentum during difficult periods, to cheerlead and for early identification of potential derailing behaviors or difficulties.

- Ongoing access to the City of San Antonio Liaison – Upgrade Program . After enrollment, the Upgrade Liaison will continue to work with program participants. Ongoing advising is tailored to the need and progress of each associate. Upgrade’s evidence-based benchmarks and indicators help Liaisons calculate and monitor barrier removal, intensity, and speed of progress. Upgrade’s retention advising complements the college’s own retention and student services, augmenting the college’s services in areas that universities do not often provide services, such as stress management. Liaisons are fluent and current with Upgrade partner college structures, offices, deadlines, and policies and serve as expert guides and connectors even for students who are making good independent progress toward their degrees.
  - The Liaisons will actively seek out participating associates at recommended intervals and critical junctures in their degree completion program.
  - The associates participating in the program may initiate an advising session at any time.
  - A City of San Antonio Liaison – Upgrade Program will be present onsite at the employer one day a week for advising sessions with the associates. The same dedicated advisor will also be available (during café college operating hours) to these participating associates via phone, email, or in person.
  - It is important to allow associates time for accessing Upgrade’s advising services. Upgrade Liaisons will work with management to track, limit, or reduce the number of associate work hours spent on advising, shifting associates to other hours and increased email/phone communication as soon as possible after the initial session.

Through this process, Upgrade-assisted students have good retention rates in college and follow the shortest path to degree completion. On average, this is a three-year process for an adult working full time.

### **Metrics**

Upgrade management will work with the employer liaison to set annual program metrics, including determining the desired number of participants, but specifically about optimizing their success and measuring progress toward degree completion. Potential metrics include:

- Associates Served: The most basic area of measurement.
- Total Number of Workshops Held and Time Required: Demonstration of hours committed and learning experiences offered; qualitative assessments of workshops from participants.
- Credit Received: All employees that receive prior learning assessment credit, or bundle past coursework into approved transfer credit, will be recorded to demonstrate these improvements.
- Financial Assistance: Upgrade will document to the extent costs can be minimized for the employee through financial aid, scholarships, tuition reimbursement and other benefits.
- Persistence and Completion: As the partnership expands, Upgrade will have the ability to capture the number of employees that persist, achieve key milestones and complete a degree or certificate.

- Retention and Training: While Upgrade will have limited (if any) access to this information, this will be a critical piece of information to work to obtain in partnership with human resources so as to determine the benefit of participation to employee job satisfaction. It will also be important to document any wage or position improvements resulting from degree attainment.
