RE: File No. 1712001 - Request for review of **Wortham Oaks, Unit 15 (Enclave), Plat No. 170594** located 0.25 miles east of the intersection of Wortham Oaks Blvd. & Carriage Cape.

Dear **Mr. Elseth**:

On December 19, 2017 the Aquifer Protection & Evaluation Section of the Edwards Aquifer and Watershed Protection Division of the San Antonio Water System (SAWS) received a request to review a plat for the property referenced above. Staff reviewed the documentation submitted and conducted field observations of the referenced plat to ensure compliance with applicable requirements for development over the Edwards Aquifer Recharge Zone (EARZ). The land use of the subject plat is for residential, and consists of approximately 9.776 **acres** located entirely within the EARZ. No sensitive features were observed. The property is **not** within the 100-year floodplain preservation area.

The proposed development is a **Category 1** property under the provisions of Aquifer Protection Ordinance No. 81491-File No. 304. Certain changes to the project may create a substantial alteration to the provision of the Water Quality Ordinance and alter its category.

A Water Pollution Abatement Plan (WPAP) has been submitted to the Texas Commission on Environmental Quality (TCEQ) and approved in their letter dated December 10, 2014.

After careful review of the project and the documentation submitted by the applicant, the Aquifer Protection & Evaluation Section of the Edwards Aquifer and Watershed Protection Division of the San Antonio Water System (SAWS), recommends the **approval** of Wortham Oaks, Unit 15 (Enclave), **Plat No. 170594**.

If you have any questions regarding this matter, please contact the Aquifer Protection & Evaluation Section at (210) 233-3516.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew Wiatrek", is written over a faint, larger signature.

Andrew Wiatrek, Manager
