Dear Mayor Nirenberg and City Council Representatives:

The nominee for the Medina County representative on the Edwards Aquifer Protection Venue Project's Conservation Advisory Board (CAB) to fill the open position resultant from the resignation of Clayton Binford is Russell A. Persyn. Mr. Persyn has a long history of interest in preservation and conservation of the Edwards Aquifer. Mr. Persyn has served as the chief civil engineer for the San Antonio River Authority for several years and currently leads the regional office of the civil engineering firm, RESPEC, located in Castroville, Texas. Mr. Persyn is well qualified to serve in this vitally important role.

Thank you for your consideration of this nomination, as well as for allowing Medina County to be involved in such a significant conservation effort for San Antonio and the State of Texas.

Sincerely,

A handwritten signature in blue ink that reads "Chris Schuchart". The signature is written in a cursive, flowing style.
