Contract Summary Sheet

Date: 4/11/2019
Agenda Item: 19-2531

Name/Title (Caption as shown on agenda): Annual Contract for Drilling Wood & Steel Pole Foundations 6100011202 DS	
Brief Description of Item(s) and Use: This contract will provide the Transportation and Capital Improvements Department, Traffic Management Division with the supply and installation of wood poles and down-guy anchor rods at traffic signal intersections located throughout the City. The Contractor will furnish equipment and labor to drill cylinder holes, set and tamp wood poles and anchor rods and remove drilling debris from the work site. The contractor will also be responsible for obtaining underground and overhead utility clearances and surface break-up.	
Total \$:	\$257,000.00 annually
Contract Period:	Upon award through June 30, 2022, with two, one-year renewal options
Method of Procurement:	Competitive (2 bids received)
Price Trend:	9.74% increase due to higher installation cost as a result of increased labor and fuel cost.
Contract Info:	Formal <input type="checkbox"/> Annual <input checked="" type="checkbox"/> Support/Maintenance <input type="checkbox"/> Lease <input type="checkbox"/>
Recommended Contractor(s):	CATO Electric Company, 345 Holmgreen, San Antonio, TX 78220 (Local)
Previous Contractor(s):	Saeco Electric & Utility LTD, 17430 Hwy 16 N. #2, Helotes, TX 78023
Comments:	N/A
Anticipated Future Requirements and Action:	N/A
Procurement Alternative:	Should this contract not be approved, the Transportation and Capital Improvements Department, Traffic Management Division would be required to solicit quotes on an as needed basis, potentially resulting in increased costs and possible delays in completion of City projects.
Using Department (s):	Transportation and Capital Improvements
