

**EARLY HEAD START – CHILD CARE PARTNERSHIP AGREEMENT
FOR CHILD CARE SERVICES
BETWEEN THE CITY OF SAN ANTONIO
&
YOUNG WOMEN’S CHRISTIAN ASSOCIATION OF SAN ANTONIO, TEXAS**

This Agreement between the City of San Antonio (“City”), a Texas Municipal Corporation acting by and through its Director of the Department of Human Services (“DHS”) pursuant to Ordinance No. _____ dated _____, 2019, and Young Women’s Christian Association of San Antonio, Texas (“Center”), (individually "the Party" and collectively "the Parties") sets forth the objectives, understandings, and agreements between the Parties in connection with the use of Early Head Start– Child Care Partnership (“EHS-CCP”) grant funds.

WITNESSETH:

WHEREAS, the City has received a grant (“Grant”) from the U.S. Department of Health and Human Services (“HHS”) Administration for Children and Families (“ACF”) pursuant to the Head Start Act (42 U.S.C. §9831 *et seq.*, as amended) for the purpose of providing EHS-CCP services in the San Antonio and Edgewood Independent School district areas of Bexar County; and

WHEREAS, the City is authorized and desires through its Department of Human Services (“DHS”) to execute an agreement with Center to provide full day, full year child care services to children and their families (hereinafter referred to as the “Project” or “Program”); and

WHEREAS, Center desires, and is appropriately licensed and qualified, to enter into this Agreement with City and agrees to deliver the services described in accordance with applicable Head Start Performance Standards and other federal, state and local requirements;

NOW THEREFORE, City and Center agree as follows:

I. SCOPE OF WORK

- 1.1 The Center will provide all activities and services in a manner satisfactory to the City and in compliance with the Center’s attached Scope of Work (“**Attachment I**”), this Agreement, and the Terms of the Grant (as defined in this Article). If the terms of this Agreement are inconsistent or in conflict with applicable Terms of the Grant, the terms imposing the most stringent requirements upon the Center will control.
- 1.2 For purposes of this Agreement, the terms listed below will have the following meanings:
 - (A) “Allowable Costs” are those costs, which are necessary, reasonable and allowable under applicable federal, state, and local law, including but not limited to those laws referenced in Article XII hereof, for the proper administration and performance of the services to be provided under an agreement.
 - (B) “Business day” means every day of the week except all Saturdays, Sundays and those scheduled holidays officially adopted and approved by the City for City employees.
 - (C) “Cost Allocation Plan” is a plan that identifies and distributes the cost of services provided by staff and/or departments or functions. It is the means to substantiate and support how the costs of a program are charged to a particular cost category or to the Program so as to assure the provided Grant funds do not subsidize other program(s), and ensures that the City is paying only its fair share of the costs solely devoted to the Project or funded pursuant to this Agreement.
 - (D) “Equipment” and “property” means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit, and includes not only furniture and other durable property but also vehicles, although will not include supplies and consumables.
 - (E) “Expenditure Report” is a report that details all programmatic expenditures from all revenue sources that the Center expensed in the previous month.

- (F) “Program Budget Year” or “PBW” means the budget term for the individual grant(s) that comprise the funding source(s) for this Agreement.
- (G) “Program Income” means earnings of Center realized from activities resulting from this Agreement or from Center’s management of funding provided or received hereunder. Such earnings include, but are not limited to, interest income; usage or rental/lease fees; income produced from Agreement-supported services of individuals or employees or from the use of equipment or facilities of Center provided as a result of this Agreement; and if applicable, payments from clients or third parties for services rendered by Center pursuant to this Agreement, but do not include copayments for CCS services.
- (H) “Relevant HHS directives” means oral or written directives of HHS or its subdivision, including the ACF, Head Start Bureau, Program Operations Division and ACF Region VI, including any updates.
- (I) “Terms of the Grant” means all requirements of the Grant, whether contained in the Head Start Act, as amended by the Improving Head Start for School Readiness Act of 2007 (42 U.S.C. §9831, *et seq.*), or other applicable statutes, implementing regulations (e.g., 45 C.F.R. §1301 *et seq.* (the “Head Start Performance Standards” or “Performance Standards”) and 45 C.F.R. Part 75, as amended and as applicable), rules, Executive Orders, the award document from the U.S. Department of Health and Human Services (“HHS”) to the City, relevant HHS directives, including, but not limited to circulars, Program Instructions, Information Memorandums and Policy Clarifications, the City’s policies and procedures and any other directives applicable to the Program, as such requirements exist as of the date of this Agreement and as such requirements may be established or modified (by amendment, deletion, addition or otherwise) during the period of the Agreement.
- 1.3 Center will establish and implement policies and procedures governing personnel, financial management, and programmatic management, as specified more fully in 2 C.F.R. 200 *et seq.*, 45 C.F.R. Parts 1301 *et seq.*, and/or 45 C.F.R. Part 75. Such policies and procedures must be consistent with the Terms of the Grant, the policies and procedures approved by the Grantee’s Policy Council and Governing Body, and content and service plans.
- 1.4 City retains the authority to contract with third-parties for the delivery of other EHS-CCP services in the San Antonio and Bexar County area. Center agrees to allow the City’s other EHS-CCP service providers access to the facilities leased and/or owned by Center, so long as access would not cause disruption of Center’s child care or educational activities or purpose as an educational entity. Center agrees to cooperate with City and third-party EHS-CCP service providers to establish, modify and comply with a set of policies and procedures and/or a program design manual governing the City’s EHS-CCP Program and the protocol for collaboration between EHS-CCP service providers. Center agrees that, notwithstanding the fact that another service provider under the City’s EHS-CCP Program may be contracted to provide a category of service, Center, under the leadership of its EHS-CCP Program Director, will be responsible for coordinating with other Program service providers and working with the City to ensure provision of full array of services to which the children are entitled under the Terms of the Grant.

II. TERM

- 2.1 Except as otherwise provided, this Agreement will begin on August 1, 2019 and terminate on July 31, 2024, the end of the GY 2019-24 project period.
- 2.2 Center understands this Agreement is contingent on the continued award of the EHS-CCP grant, and that should the award be reduced or discontinued, this Agreement may be amended or terminated accordingly.

III. CONSIDERATION

- 3.1 Center agrees and understands that funds are awarded only for each remaining budget period (“budget period”) of the EHS - CCP grant (i.e. period one is August 1, 2019 – July 31, 2020-, period two is August 1, 2020 – July 31, 2021; period three is August 1, 2021 – July 31, 2022, period four is August 1, 2022 – July 31, 2023; and period five is August 1, 2023 – July 31, 2024. In consideration of Center’s services, the City will pay Center a total amount not to exceed \$154,000.00 (“the Federal Share”) for each budget period this Agreement is in effect for Allowable Costs incurred based on the number of slots assigned to Center in

Attachment I. Center agrees to assist City to consistently maintain, replenish, and enroll its assigned number of slots. Should Center not assist City in this process, its payments may be reduced accordingly.

Center's Program Budget is also comprised of the Federal Share and the Non-Federal Share. The Federal Share will be no more than 80% of the total Program Budget. Should Center fail to raise all of the Non-Federal Share funds (20% of the total Program Budget, or \$38,500.00) it is required to raise each budget period of this Agreement, City reserves the right to limit its payments to Center proportionately. For instance, if Center succeeds in raising only fifty percent (50%) of its required Non-Federal Share funds, City may accordingly limit its payments to Center to fifty percent (50%) of City's total obligation to Center. Center may provide additional Non-Federal Share funds if Center, in its discretion, determines such funds are available. To meet the requirements of this Agreement, all claimed Non-Federal Share must meet the requirements of 2 C.F.R. 200 *et seq.* and 45 C.F.R. § 75.306, as applicable.

- 3.2 Prior to commencement of this Agreement and each budget period thereafter, Center must submit, and City approve, Center's proposed monthly budget by line item, for that entire budget period. This budget must include all Program expenditures from all revenue sources. Center understands the budget may not include indirect costs unless the Center already has an existing approved federal indirect cost rate that has been pre-approved by the City.

Until the City receives and approves the initial proposed monthly budget for that entire budget period, including program expenditures from all revenue sources, the City reserves the right to redirect Center's proposed funding under this Agreement. City will notify the Center of the amount redirected and the revised Agreement funding. Center's budgeted development and administrative costs (as defined by 45 C.F.R. Part 1305) may not exceed twelve percent (12%) of the Program Budget, unless the total Program Budget is modified in accordance with this Agreement in which case the amount will be reduced proportionately unless the Parties otherwise agree.

- 3.3 Center agrees to immediately notify City if its enrollment numbers have fallen below the funded slots in **Attachment A**. Center understands and agrees that should Center fail to work in collaboration with City staff to meet or maintain the Program's funded enrollment level set forth in the Scope of Work, City may reduce Center's funding by an amount equal to the difference between funded and actual enrollment at the per capita rate.

Center further agrees that if services are not provided for enrolled children for a period exceeding 5 business days due to reasons under Center's control, such as loss of licensure or staff, health/safety issues, or other facility concerns (e.g. HVAC, Plumbing) City may reduce Center's funding by an amount equal to the difference between funded and actual enrollment at the per capita rate.

IV. PAYMENT

- 4.1 Center agrees that that the City's liability under this Agreement is limited to paying for Allowable Costs incurred as a direct result of services provided in accordance with the terms of this Agreement. All payment must be consistent with the terms and provisions of the approved budget line items described in **Attachment II** of this Agreement, unless, (a) in cases where the budget for that budget period remains the same, Center's Expenditure Report revises a line item ("revision") which City may direct Center to further revise and Center will follow City's direction; or (b) in cases where there is an increase or decrease to the budget for that budget period, an amendment has been approved and signed by the Director of DHS pursuant to Section 24.1 of this Agreement ("amendment"). Revisions and amendments modify the Budget in Attachment II, and in all cases Center's costs must be consistent with the last modified budget for that budget period. Revisions and amendments supersede prior conflicting or inconsistent agreements with regard to the referenced Project Budget for that period, and all references to the budget will mean the budget as revised through approved budget revisions or amendments.

- (A) Disallowed Costs. City will not be liable for any cost of Center not eligible for payment as defined within the Agreement. The amount of any disallowed costs must be remitted to City within ten (10) business days of City's request, or City may offset against future funding obligations by City.

- (B) Periodic Review. City will conduct periodic reviews of Center's program expenditures to determine whether Center is on pace to utilize Program funds received. If City determines Center is not on pace, City may request Center to submit plans, within 10 days, to reinvest any unspent funds on improvements to program quality.
- 4.2 Payment Process. City will make payments to Center of any undisputed amounts for enrolled children in accordance with established procedures. Center will confirm its enrollment through submission of an Expenditure Report, which City will review for approval.
- (A) On the first (1st) of every month, City will initiate payment based on projected enrollment.
- (B) Save for the first month of this Agreement, Center must submit an Expenditure Report for the prior month no later than the fifteenth (15th) of every month, which City will review for approval.
- (C) Center's failure to meet these deadlines or submit the Expenditure Report is cause to alter payment for the following month; and may subject Center, upon notification by City, to changes in this Payment Process.
- 4.3 Expenditure Reports. Center's Expenditure Report must be submitted in a form prescribed by City, which details all programmatic expenditures from all revenue sources, and detailing federal and nonfederal amounts, that the Center expended in the previous month for the services delivered as described in Article I, including supporting documentation of the costs as may be required by City. The Director of the DHS may require Center's submission of original or certified copies of invoices, cancelled checks, Center's general ledger and/or receipts to verify expenses.
- 4.4 Advance Payments. If specific circumstances require an advance payment on this Agreement, Center must submit to the Director of DHS a written request for approval of such advance payment, including the specific reason for such request in the form prescribed by City. Center understands that the City will not be obligated to approve any advances request. It is understood and agreed by the Parties that (a) each request requires submission to the Director of DHS no less than ten (10) business days prior to the actual ostensible cash need, (b) each request will be considered by the Director of DHS on a case-by-case basis, and (c) the decision by the Director of DHS whether or not to approve an advance payment is final. When advance payments are authorized:
- (A) Center's payment to a vendor using funds advanced by the City must be remitted to the vendors in a prompt and timely manner after services have been performed by a vendor, but not later than ten (10) business days after notification that an advance payment check is available from the City.
- (B) The Center must deposit Agreement funds in an account in a bank insured with the Federal Deposit Insurance Corporation (FDIC) and maintain recordkeeping in a manner that allows City to track expenditures made. In those situations where Center's total deposits in said bank exceed the FDIC insurance limit, Center must arrange to automatically have the excess collaterally secured. A written copy of the collateral agreement must be obtained by Center from the Center's banking institution, be maintained on file and be available for City monitoring reviews and audits. Advanced funds that cause the Center's account balance to exceed the FDIC limit must be deposited in a manner consistent with the Public Funds Investment Act (Chapter 2256 of the Texas Government Code) as amended.
- (C) The City may deduct from monthly payment amounts necessary to offset the amount advanced. Center will maintain a financial management system to account for periodic, or lump sum, deduction from payments.
- 4.5 PBY Closeout. At the end of each PBY, Center will submit to City a full accounting of Program Income, if applicable, and total Program costs incurred from all sources, no later than the forty-fifth (45th) day after the end of that PBY or early termination. These deadlines may be adjusted only if Center receives written authorization from the City.
- (A) Overpayment. Center agrees to reimburse the City for any Center overpayment based upon reconciled adjustments as of the end of each budget period, which is due to the City no later than ten (10) days after the end of that budget period.

- (B) Written Notification by City. Reimbursement will be made within twenty (20) calendar days of receipt of written notification to Center of the need for reimbursement.
- 4.6 Center agrees that City will not be obligated to any subcontractors or third party beneficiaries of the Center.
- 4.7 Financial Management System. Center will maintain a financial management system, and acceptable accounting records with City's assistance and to City's satisfaction, in accordance with this Agreement and applicable HHS and Head Start regulations and federal directives such as 2 C.F.R. 200 *et seq.* or 45 C.F.R. § 75.302 *et seq.*, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" and must provide:
- (A) accurate, current, and complete disclosure of financial support from each federal, state and locally sponsored project and program in accordance with the reporting requirements set forth in Article VIII of this Agreement. If accrual basis reports are required, the Center will develop accrual data based on an analysis of the documentation available;
 - (B) records that adequately identify the source and application of funds for City-sponsored activities. Such records will contain information pertaining to City awards, authorizations, obligations, un-obligated balances, assets, equity, outlays, and income;
 - (C) effective control over and accountability for all funds, property, and other assets. The Center must adequately safeguard all such assets and ensure that they are used solely for authorized purposes. Center will maintain a separate numbered account for all funds received and disbursed through this Agreement;
 - (D) comparison of actual outlays with budget amounts for each award. Whenever appropriate or required by the City, financial information should be related to performance and unit cost data;
 - (E) procedures to minimize the time elapsing between the transfer of funds from the City and the disbursement of said funds by the Center;
 - (F) procedures for determining reasonable, allowable, and allocable costs in accordance with the provisions of any and all applicable cost principles, including but not limited to the cost principles referenced in Article XII, and the terms of the award, Grant, and Agreement, with the City;
 - (G) accounting records that are supported by source documentation (i.e., timesheets, employee benefits, professional services agreements, purchases, and other documentation as required by City). Center will maintain records and meet necessary requirements under Generally Accepted Accounting Principles [GAAP]; and
 - (H) an accounting system based on generally acceptable accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project. A Receipts and Disbursements Ledger must be maintained. A general ledger with an Income and Expense Account for each budgeted line item is necessary. Paid invoices revealing check number, date paid and evidence of goods or services received are to be filed according to the expense account to which they were charged.
- 4.8 Center agrees that Center costs or earnings claimed under this Agreement may not be claimed under another contract or grant from another agency, organization, business entity or governmental entity.
- 4.9 Cost Allocation Plan. Center must establish and abide by a cost allocation methodology and plan, to ensure that costs allocated and charged to the Grant are not charged to other federal, state or local awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the federal awards, or for other reasons. Center will provide to City prior to the beginning of the Agreement Term, and each budget period thereafter, (i) a matrix identifying the shared use of such facilities and/or program services; and (ii) the Cost Allocation Plan and supporting documentation, along with its Budget, financial statements and audit that are applicable to Center's Project. City will have the right to approve the Cost Allocation Plan.
- 4.10 All unused funds, rebates, advances exceeding Allowable Costs, or credits on-hand or collected thereafter relating to the Project, will be returned to the City within twenty (20) days of receipt of written notice.

- 4.11 Upon execution of this Agreement or at any time during its Term, a person designated by the City may review and approve Center's systems of internal accounting and administrative controls prior to the release of funds.

V. PROGRAM INCOME

- 5.1 At the sole option of the Director of the DHS, if Center obtains program income under the Agreement, Center will either (a) be required to return Program Income funds to City through DHS, or (b) upon prior written approval by the Director of DHS, Center may be permitted to retain such funds to be:
- (A) added to the Project and used to further eligible Project objectives, in which case proposed expenditures must first be approved by the City; or
 - (B) deducted from the total Project cost for the purpose of determining the net cost reimbursed by the City.
- 5.2 In any case where Center is required to return Program Income to DHS, Center must return such Program Income to City within the timeframe specified by the Director of DHS. If the Director of DHS does not specify a timeframe, then Center must return Program Income on the same date that Center submits its statement of expenditures and revenues to DHS. If the Director of DHS grants Center authority to retain Program Income, Center must submit all reports required by DHS within the timeframe specified in the Agreement.
- 5.3 Center will provide DHS with thirty (30) calendar days written notice prior to the activity that generates Program Income. The notice must detail the type of activity, time, and place of the activity.
- 5.4 The Center will fully disclose and be accountable to the City for all Program Income. Center must submit a statement of expenditures and revenues to DHS within thirty (30) calendar days of the activity that generates Program Income. The statement is subject to audit verification by DHS. Failure by Center to report Program Income as required is grounds for suspension, cancellation, or termination of this Agreement.
- 5.5 Center is prohibited from charging fees or soliciting donations and is prohibited from inviting or contracting with vendors who would charge fees or solicit donations from Head Start participants and their parents in any Agreement-funded project without the prior written approval of the Director of DHS. However, Center may engage in general school activity that is not specifically targeted at EHS-CCP families. Also, if Center incurs expenses to compensate employees for the caring of a child after the EHS-CCP program day has ended, parents may be charged a reasonable late fee. In all cases, late fees must be collected by the Center and not the employee who provided the service.
- 5.6 Center will include this Article, in its entirety, in all of its subcontracts involving income-producing services or activities.

VI. ADMINISTRATION OF THIS AGREEMENT

- 6.1 The Center agrees to comply with all the terms and conditions that the City must comply with in its attached award document from HHS ("**Attachment IV**"). The award document will be supplemented for each PBY, and these changes will be included automatically in **Attachment IV**.
- 6.2 Should any disagreement or dispute arise between the Parties pertaining to the interpretation or meaning of any part of this Agreement or its governing rules, regulations, laws, codes or ordinances, the City Manager or the Director of DHS, as representatives of the City and the party ultimately responsible for all matters of compliance with HHS and City rules and regulations, will have the final authority to render or secure an interpretation. Center may request that the City secure an interpretation or opinion from HHS in order to assist in resolution of the dispute and the City will request it.
- 6.3 Center will not use funds awarded from this Agreement as matching funds for any federal, state or local grant without the prior written approval of the Director of DHS.

- 6.4 Center's Board. Center will provide to DHS all information reasonably requested by DHS relating to the Center's Board functions, including but not be limited to:
- (A) Roster of current Board Members (name, title, and address, telephone number, fax number and board e-mail address);
 - (B) Names and terms of Officers;
 - (C) Schedule of anticipated board meetings for the current Fiscal Year;
 - (D) Board agendas relating to the EHS-CCP Program to be submitted by fax or email at the time of posting prior to each Board meeting. Prior to the time of posting, Center's administration will attempt to notify City when a EHS-CCP Program item is anticipated to be placed on the agenda; and
 - (E) Minutes of every board meeting relating to the EHS-CCP Program.
- 6.5 The City will have the authority during normal business hours to make physical inspections of all operating facilities occupied by Center for the administration of this Agreement and to require physical safeguarding devices such as locks, alarms, security / surveillance systems, safes, fire extinguishers, sprinkler systems, etc. as reasonably necessary, to safeguard children, property and/or equipment.
- 6.6 Employee Integrity. The Center's Board of Directors or Board of Trustees, as applicable, and Center's management staff must adopt and approve an Employee Integrity Policy, if Center has none, and internal program management procedures, and require all staff to abide by it and the Head Start standards as established in the HHS regulations, to preclude theft, embezzlement, improper inducement, obstruction of investigation or other criminal action, and to prevent fraud and Program abuse. These policies and procedures require repayment of such erroneously-received Grant funds or property to the Center, or to the applicable service provider from whom such Grant funds or property was received, if other than the Center, and specify any other consequences to Center's employees and vendors involved in such illegal activities, and may include termination and prosecution where necessary. Said policies and procedures will be provided to DHS upon request by DHS. If DHS finds the policies and procedures to be lacking, Center will comply with DHS's recommended revision(s).
- 6.7 Check writing and Handling Procedures. If Center writes or handles checks under this Agreement, Center agrees to comply with the following check writing and handling procedures:
- (A) No blank checks are to be signed in advance.
 - (B) No checks are to be made payable to cash or bearer with the exception of those for petty cash reimbursement, not to exceed a \$100.00 maximum per check. Center agrees that the aggregate amount of petty cash reimbursement will not exceed \$500.00 for any given calendar month during the Term of this Agreement unless Center receives prior written approval from DHS to exceed such limit. Such requests for petty cash must be supported by the submission to DHS of an original receipt.
 - (C) Checks issued by City to Center must be deposited into the appropriate bank account immediately or by the next business day after Center's receipt, and will never be cashed for purposes of receiving the face amount back. If a check is not deposited within three (3) business days from the date of issue, City may investigate and issue a stop-payment order, as applicable. However, stop payment orders will not be issued for the posting of checks beyond three (3) business days due to the financial institution's posting policies so long as the checks are deposited by Center within the required three (3) business days. Upon cancellation of any outstanding check, the check may either be reissued to Center if deemed appropriate by City; if not, the check will be immediately returned to City.
 - (D) For checks other than petty cash reimbursement, Contractor must adopt and comply with a policy requiring no less than two (2) signatures of authorized representatives of Center on each check. Said signatures may be computer generated so long as they are issued in accordance with Center's internal policies established to reduce the risk of fraud, theft, or embezzlement. Center understands and agrees that City's reimbursement is subject to compliance with this provision of the Agreement. Alterations to this subsection, including the number of required signatures, may only occur upon the written approval of the City.

- 6.8 Federal & City – supported Project. This Section is applicable to all EHS-CCP publicity, public presentations, signs, public notices, and other informational material, to include electronic media, (collectively, “Materials”) prepared and/or disseminated during the Term of the Agreement by Center. Center will obtain City’s prior approval of the language and logo to be used, and the Parties agree that all publicity regarding the affiliation between City and Center will be mutually agreed to by the Parties in advance. Center agrees that all Material(s) regarding the Program shall provide a written statement acknowledging the role of the federal funds provided by HHS through City, which must read as follows: “The City of San Antonio Early Head Start – Child Care Partnership services provided by this Center are funded by the City of San Antonio Department of Human Services through a federal grant received from the U.S. Department of Health and Human Services.” These Materials include, but are not limited to, signs identifying facilities. In addition, all publicity related to Center’s services must note that the Program is operated on a non-discriminatory basis.

Center further agrees to provide City with a copy of all proposed official communications to the public, EHS-CCP parents and employees as it may relate to City’s implementation of City’s EHS-CCP Program model or the transition of the Program, and to obtain City’s approval prior to dissemination.

6.9 Confidential Information.

- (A) Unless disclosure is authorized by the City or is required by the Attorney General for the State of Texas, Center agrees to maintain in confidence all information pertaining to the Project or City including, without limitation, reports, information, data, other related information (collectively, “Confidential Information”) and to use the Confidential Information for the sole purpose of performing its obligations pursuant to this Agreement. Center must protect the Confidential Information and take all reasonable steps to prevent the unauthorized disclosure, dissemination, or publication of the Confidential Information.
- (B) If disclosure is permitted by law or required by order of a governmental agency or court of competent jurisdiction, Center will give the Director of DHS prior written notice that disclosure is required with a full and complete description regarding such requirement.
- (C) Center must establish specific procedures designed to meet the obligations of this Section, including, but not limited to execution of confidential disclosure agreements, regarding the Confidential Information with Center’s employees and subcontractors prior to any disclosure of the Confidential Information to third parties. This Section may not be construed to limit the right of HHS or the City to obtain copies, review and audit records or other information, confidential or otherwise, under this Agreement. Upon termination or expiration of this Agreement, Center will return to City upon request all copies of materials related to the Project, including the Confidential Information and subject to Center’s right to use Educational Records. All confidential obligations contained herein (including those pertaining to information transmitted orally) will survive the termination of this Agreement. The Parties agree to ensure that their respective employees, agents, contractors and subcontractors are notified of the requirement to comply with these obligations.

Center understands and acknowledges that as the exclusive owner of any and all such writings, documents and information, City has the right to use all such writings, documents and information as City desires, without restriction; subject, however to Center’s continuing rights regarding “Educational Records. City agrees that it will not release to the public Educational Records that come into its possession unless otherwise authorized by law.

- 6.11 Adversarial Proceedings. Except in circumstances where the following is in conflict with federal law or regulations pertaining to the Program, Center agrees to comply with the following special provisions:

- (A) Under no circumstances will the funds received under this Agreement be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the City or any other public entity; and

- (B) Center, at the City's option, could be ineligible for consideration to receive any future funding while any adversarial proceeding against the City remains unresolved.

6.12 Political Activity.

- (A) Contractor agrees that no funds provided from or through the City shall be contributed or used to conduct political activities for the benefit of any candidate for elective public office, political party, organization or cause, whether partisan or non-partisan, nor shall the personnel involved in the administration of the Project provided for in this Contract be assigned to work for or on behalf of any partisan or non-partisan political activity.

- (B) Contractor agrees that no funds provided under this Contract may be used in any way to attempt to influence, in any manner, a member of Congress or any other state or local elected or appointed official.

4. using facilities or equipment paid for, in whole or in part with City funds for political purposes including physical facilities such as office space, office equipment or supplies, such as telephones, computers, fax machines, during and after regular business hours.

- (D) To ensure that the above policies are complied with, Contractor shall provide every member of its personnel paid out of City funds with a statement of the above prohibitions, which shall include a paragraph that directs any staff person who has knowledge of violations or feels that he or she has been pressured to violate the above policies to call and report the same to the contact person listed on the statement within the Managing City Department. Contractor shall have each said individual sign a statement acknowledging receipt of the policy.

- (E) Contractor agrees that in any instance where an investigation of the above is ongoing or has been confirmed, reimbursements paid to the Contractor under this Contract may, at the City's discretion, be withheld until the situation is resolved.

- (F) This Section shall not be construed to prohibit any person from exercising his or her right to express his or her opinion or to limit any individual's right to vote. Further, Contractor and staff members are not prohibited from participating in political activities on their own volition, if done during time not paid for with City funds.

6.13 Religious Activity. Center agrees that none of the performance rendered will involve, and no portion of the funds received will be used, directly or indirectly, for any sectarian or religious facility or activity, nor will performance rendered or funds received be utilized so as to benefit, directly or indirectly, any such sectarian or religious facility or activity.

6.14 In this Agreement, when Center is required to perform an action within a specified number of days or hours, Center may request additional time to perform. City will give Center's request due consideration and grant Center's request whenever reasonable practicable, unless immediate compliance is required.

VII. AUDIT

- 7.1 \$750,000 or more. If Center expends \$750,000 or more of City or federal dollars combined, whether provided under this Agreement or under multiple City contracts, then the Center must complete an independent audit and submit the audit report within the earlier of:

- a. 30 calendar days after receipt of the auditor's report(s); or
- b. 9 months after the end of Center's fiscal year; or
- c. 9 months after the expiration or early termination of this Agreement.

Center must furnish the Managing City Department a copy of the corrective action plan on all audit findings, a summary schedule of prior audit findings, management letter and/or conduct of audit letter within 30 calendar days of receipt of the audit report or upon submission of the corrective action plan to the auditor.

If Center is notified of federal, state, or local entities that have conducted program reviews and/or audits of the Center or its programs of any findings about accounting deficiencies, or violations of Center's financial operations, a copy of the notification, review, investigation, and audit violations report must be forwarded to the Managing City Department within 10 calendar days of receipt of the report.

- 7.2 Less than \$750,000. If Center expends less than \$750,000 of City or federal dollars combined, whether provided under this Agreement or under multiple City contracts, then the Contactor must complete and submit an unaudited financial statement(s) within the earlier of:

- a. 9 months following the end of Center's fiscal year; or
- b. 9 months following expiration or early termination of this Agreement.

The financial statement must include the following 1) a balance sheet and income statement prepared by a bookkeeper, 2) a cover letter signed by Center attesting to the correctness of the financial statement, and 3) a schedule of receipts and disbursements by budgeted cost category for each project funded by the City.

- 7.3 Federal Funds. If Center receives or expends more than \$750,000 in federal funds from the City, then an audit must be conducted in accordance with the Single Audit Act Amendments of 1996, the State of Texas Single Audit Circular, and U.S. Office of Management and Budget Circular (Uniform Guidance). Center shall submit copies of its annual independent audit report, and all related reports issued by the independent certified public accountant within the earlier of 30 days after receipt of the auditor's report(s), or 9 months after the end of the audit period, unless a longer period is agreed to in advance by the Federal cognizant or oversight agency for audit to the Federal Audit Clearinghouse in Jeffersonville, Indiana.

Center may submit reports through the following website:

<https://harvester.census.gov/facides/Account/Login.aspx> and may also contact the Clearinghouse by telephone at (301) 763-1551 (voice) or 1-888-222-9907 (toll free) or 1-800-253-0696.

Upon completion of Form SF-SAC, Center may submit the completed report by mail to:

Federal Audit Clearinghouse
Bureau of the Census
1201 E. 10th Street
Jeffersonville, Indiana 47132

Center agrees to reimburse the City or supplement any disallowed costs with eligible and allowable expenses based upon reconciled adjustments resulting from Center's Single Audit. Reimbursement must be made within twenty (20) days of written notification regarding the need for reimbursement.

- 7.4 If Center expends less than \$750,000.00 of City dollars during the Term of this Agreement, then the Contactor will complete and submit an unaudited financial statement(s) within nine (9) months immediately after the end of Center's fiscal year, PBY or early termination of this Agreement, whichever is earlier. The financial statement will include a balance sheet and income statement prepared by a bookkeeper, and a cover letter signed by Center attesting to the correctness of the financial statement.

- 7.5 All financial statement(s) must include a schedule of receipts and disbursements by budgeted cost category for each program funded by or through the City.
- 7.6 The City reserves the right to conduct, or cause to be conducted, an audit or review of all funds received under this Agreement at any time. The City Internal Audit Staff, a Certified Public Accounting (CPA) firm, or other personnel as designated by the City, may perform the audit(s) or reviews. The City reserves the right to determine the scope of every audit, so long as it is limited to Center's EHS-CCP Program, and, Center, accordingly, agrees to make available to City all accounting and Project records.

Center shall, during Center's normal business hours and as often as necessary by City and/or the applicable state or federal governing agency or other auditing entity, make available the books, records, documents, reports, and evidence with respect to all matters covered by this Agreement, and continue to do so for a minimum period of four (4) years or whatever period is determined necessary based on the Records Retention guidelines, established by applicable law for this Agreement. Said records must be maintained for the required period beginning immediately after Agreement termination, unless there is litigation or if the audit report covering such agreement has not been accepted, then the Center will retain the records until the resolution of such issues has satisfactorily occurred. The auditing entity will have the authority to audit, examine and make excerpts, transcripts, and copies from all said records, including those used by Center in accounting for expenses incurred under this Agreement, or relating to matters covered by this Agreement.

The City may require the Center to use any and all of the City's accounting or administrative procedures that are in conformity with Generally Accepted Accounting Principles for state account standards in Texas in the planning, controlling, monitoring and reporting of all fiscal matters relating to this Agreement, and the Center will abide by such requirements. Should a conflict exist between the Parties' accounting procedures, Center must use the stricter of the procedures.

- 7.7 When an audit or examination determines that the Center has expended funds or incurred costs which are questioned by the City and/or the applicable state or federal governing agency, the Center will be notified and provided an opportunity to address the questioned expenditure or costs.

Should any expense or charge that has been paid be subsequently disapproved or disallowed as a result of any site review or audit, the Center will promptly refund the amount to the City no later provision than twenty (20) days from the date of notification of the disapproval or disallowance by the City. At its sole option, DHS may deduct the claim(s) from subsequent reimbursements and notify Center prior to exercising this option. Center must provide to City a full refund of the amount no later than twenty (20) Center business days from the date of notification of the disapproval or disallowance by the City. If Center is obligated under anything in this Agreement to refund a disapproved or disallowed cost incurred, the refund is required and will be made to City by check, cashier's check or money order. If a dispute arises as to the allowability of an expenditure or charge pursuant to the federal regulations, then Center may request that the City secure an interpretation or opinion from HHS in order to assist in resolution of the dispute, and the City will request it. Should the City deduct such claims from subsequent reimbursements, the Center is forbidden from reducing Project expenditures and Center must use its own funds to maintain the Project.

Any expenses for the collection of delinquent debts owed by Center are the sole responsibility of the Center and shall not be paid from any Project funds.

- 7.8 If the City determines, in its sole discretion, that Center is in violation of the above requirements, the City shall have the right to dispatch auditors of its choosing to conduct the required audit and to have the Center pay for such audit from non-City resources.

VIII. RECORDS, REPORTING, AND MONITORING

- 8.1 Center will submit to DHS any and all reports as may be required of Center by HHS or City. Center must incorporate and use a City-approved tracking or information system, such as ChildPlus, for the delivery of comprehensive EHS-CCP services and collect, input and update all data required for the Program Information Report in accordance with the City's reasonable timeline to ensure the reporting of accurate and consistent information to HHS.

Additionally, Center will maintain and furnish to City the appropriate financial and programmatic information and reports, in such forms as the City may require under the Head Start Act, as amended, or as may be required under federal regulations, such as 2 C.F.R. 200 *et seq.* Center will maintain all applicable supporting documentation of costs, including but not limited to payroll records, invoices, contracts or vouchers, and make these available to City upon request.

- 8.2 City reserves the right to reasonably request Center to provide additional records for travel expenses, long distance and cell phone calls, faxes, internet service, or other electronic communication devices charged to the budget associated with this Agreement.
- 8.3 Licensing. Center must report all notices served, violations found or complaints filed with regard to licensing, or lack thereof, of Center's centers within one (1) business day of receipt of notice from the State licensing, certifying or permit-issuing authority of a violation or complaint. Center shall also sign an Authorization For Release of Information giving the Texas Department of Family and Protective Services (TDFPS) permission to share licensing information about the Center with the Grantee.
- 8.4 Child Safety. Center must comply with federal regulations (Head Start Performance Standards), the Head Start Act and all applicable federal, state and local laws relating to child safety. Center must establish and implement administrative procedures to respond to health emergencies, and with which all EHS-CCP staff should be familiar and trained. These procedures must be in compliance with applicable federal, state and local laws, and must include, but not be limited to, methods of notifying parents in the event of a health emergency involving their child and established methods for handling cases of suspected or known child endangerment, abuse or neglect. If Center has knowledge of, a report of, or is aware of a Program crisis related to a claim, or suspects that media coverage would be negative due to, an incident of child endangerment, neglect abuse or physical discipline of a EHS-CCP child while in the Program, Center will contact City's designated representative immediately, but no later than 24 hours, for the purpose of notification of the incident. Center must contact City's designated representative whether or not the incident is fully investigated by Center. If Center is unable to reach the City's designated representative, Center will leave a verbal message or written message via e-mail notifying City that Center is attempting to notify City of an incident. Center further agrees to immediately notify the parent of an EHS-CCP child in any of the instances cited above, whether or not the instance may be characterized as suspected child abuse. In all cases, the suspected offender must be removed from the EHS-CCP classroom until an investigation, internal or external, has absolved him or her from the claim.
- 8.5 Final Report Requirements. Within a period not to exceed forty-five (45) calendar days after the end of each PBYP, expiration or early termination date of this Agreement, Center will submit all final client reports and all required deliverables to City. Center agrees that in conjunction with the submission of the final report, the Center will execute and deliver to City a receipt for all sums received and a release of all claims for said sums against the Project.
- 8.6 Retention. Center must maintain financial records, supporting documents, statistical records, and all other books, documents, papers or other records pertinent to this Agreement or the Grant including records for real property and equipment acquired with EHS-CCP funds (collectively, "Records"), in accordance with the official records retention schedules established within the Local Government Records Act of 1989 and any amendments thereto, or for such period as may be specifically required by the Head Start regulations, as applicable, whichever is longer. Regardless, Center agrees to maintain all Agreement and Grant-related records or documents for at least four (4) years from the date of City's submission of the annual financial report covering the awarded funds. If an audit, litigation, or other action involving the Records has been initiated before the end of the retention period, Center agrees to maintain the Records until completion of the latest requisite time period.
- 8.7 Access. Center will make available to City or HHS, upon appropriate notice and unless otherwise prohibited by law, books, records, reports, documents, papers, policies and procedures (collectively "Documents") as may be necessary for audit, examination, excerpt, transcription, and copy purposes, for as long as said Documents are retained. This right also includes timely and reasonable access to Center's facility and to Center's personnel for the purpose of interview and discussion related to such Documents. Center will, upon request, transfer certain records or documents to the custody of City or HHS when City or HHS determines that they possess long-term retention value unless otherwise prohibited by law, and subject to Center's right to use "Educational Records" as that term is understood under the Family Educational Rights and Privacy Act of 1974 ("FERPA") (20 U.S.C. § 1232g; 34 CFR Part 99).

- 8.8 Center agrees to incorporate and use any City-approved tracking or information system for the delivery of comprehensive EHS-CCP services. Center will enter current, accurate and complete client data.
- 8.9 Monitoring. DHS is assigned monitoring, fiscal control, and evaluation of certain projects funded by the City with General or Grant Funds, including the Project covered by this Agreement. Therefore, Center agrees to permit City and/or HHS to evaluate, through monitoring, reviews, inspection or other means, the quality, appropriateness, and timeliness of services delivered under this Agreement and to assess Center's compliance with applicable legal and programmatic requirements. At such times and in such form as may be required by DHS, the Center will make available to DHS and HHS such statements, reports, records, personnel files (including evidence of criminal background check(s) as required by Head Start regulations and Texas State Child Care Licensing), client files, data, all policies and procedures and information as may be requested by DHS, and permit the City and HHS to have interviews with its personnel, board members and program participants pertaining to the matters covered by this Agreement. Center agrees that failure of the City to monitor, evaluate, or provide guidance and direction will not relieve the Contactor of any liability to the City for failure to comply with the Terms of the Grant or the terms of this Agreement. Regarding evidence of criminal background check(s), the parties agree that City will accept a written statement, from an authorizing agency, that the checks have been conducted and that all persons who are employed have passed, so long as the statement includes the name(s) of the staff member(s) checked, and the date(s) performed. If, at any time, HHS informs the City or Center that such written statement does not satisfy the requirements of the Terms of the Grant, Center agrees to provide additional information as may be legally permissible or required, or to cooperate with the City and HHS in order to resolve any conflict associated with provision of information related to criminal background checks.
- 8.10 Monitoring Visits. City may, at its discretion, conduct periodic, announced and unannounced monitoring visits to ensure Program and administrative compliance with Head Start Performance Standards, Texas State Child Care Licensing and with Program goals and objectives for the Agreement Term. City reserves the right to make unannounced visits to Center Program sites when it is determined that such unannounced visits are in the interest of effective program management and service delivery. Center Program staff will be informed by City representative(s) upon arrival of the expected purpose and length of visit so that accommodations may be made. City's representative(s) will provide proper identification to ensure the safety and security of all parties.
- 8.11 Findings. Center understands that the City will timely inform Center of the findings of any review or monitoring, specifically any default under the Agreement or deficiencies in performance. City will inform Center in writing of Program strengths and weaknesses and specify a deadline for corrective action. The City will further assist Center in finding solutions for Program improvement if and as appropriate.
- 8.12 Unless otherwise stated, all information requested by DHS will be submitted by Center within five (5) business days of the request via electronic communication or other form of written correspondence. Should Center fail to deliver the required information or delivers incomplete information, the City may suspend reimbursements to Center until such information is delivered to City. Furthermore, the Center ensures that all information contained in all required reports or information submitted to City is accurate.
- 8.13 Public Information Act. The Public Information Act, Government Code Section 552.021, requires the City to make public information available to the public. Under Government Code Section 552.002(a), public information means information that is collected, assembled or maintained under a law or ordinance or in connection with the transaction of official business: 1) by a governmental body; or 2) for a governmental body and the governmental body owns the information, has a right of access to it, or has spent or contributed public money for the purpose of its writing, production, collection, assembly or maintenance. Therefore, if City receives a request under the Public Information Act (i.e., an Open Records Request) for information within Center's possession pursuant to this Agreement, Center will forward the requested documents to the City within two (2) business days of Center's designated liaison's receipt of the written request. If the requested information is confidential or may be kept confidential pursuant to state or federal law, the Center will submit to City the list of specific statutory authority mandating and/or authorizing confidentiality no later than three (3) business days of Center's receipt of the request. For the purposes of communicating and coordinating with regard to public information requests, all communications shall be made to a designated public information liaison for each Party. Each Party will designate in writing to the other Party the public information liaison for its organization, and promptly notify the other of any change. The Parties will cooperate with each other to preserve confidential information or records that may be

excluded from disclosure under FERPA)and/or the Texas Public Information Act; and the parties will coordinate efforts to seek any required Attorney General decision for the protection of such information from release.

- 8.14 Local Government Records. In accordance with Texas law, Center acknowledges and agrees that all “local government records” as defined in Chapter 201, Section 201.003 (8) of the Texas Local Government Code created or received in the transaction of official business or the creation or maintenance of which were paid for with public funds are declared to be public property and subject to the provisions of Chapter 201 of the Texas Local Government Code and Subchapter J, Chapter 441 of the Texas Government Code. Thus, Center agrees that no such local government record produced by or on the behalf of Center pursuant to this Agreement will be the subject of any copyright or proprietary claim by Center; however Center will be entitled to maintain the confidentiality of Educational Records and to use such records for educational purposes.

With the exception of student records, Center acknowledges and agrees that all local government records produced in the course of the work required by this Agreement, are public information and will be made available to the City at any time unless otherwise prohibited by law. The parties agree that Educational Records created pursuant to this Agreement will be maintained and utilized by Center as required by law. Center further agrees to turn over to City all such records upon termination of this Agreement, unless otherwise prohibited by law. Center agrees that it will not, under any circumstances, release any records created during the performance of the Agreement to any entity without the written permission of the Director of DHS, unless required to do so by a court of competent jurisdiction or the Texas Attorney General, or as may be required or permitted by Center due to the record being an Educational Record” under FERPA. DHS will be notified of such request in accordance with this Article.

- 8.15 Ownership of Intellectual Property. The Parties agree that the Project will be and remain the sole and exclusive proprietary property of City. The Project will be deemed a “work for hire” within the meaning of the copyright laws of the United States, and ownership of and rights in the Project will be solely vested in City. Center conveys to City all rights in and to the Project; the tangible and intangible property rights relating to or arising out of the Project, including without limitation, any and all copyright, patent and trade secret rights; and all intellectual property rights including, without limitation, patent, copyright, trade secret, trademark, brand names, color schemes, designs, screens, displays, user interfaces, data structures, organization, sequences of operation, trade dress, and other proprietary rights (the “Intellectual Property Rights”). All Intellectual Property Rights in the Project will be solely vested in City. As owner of the tangible and intangible intellectual property, City may reproduce, publish, authorize others to reproduce or publish, or otherwise use such material subject to confidentiality obligations as may be required by federal and/or state law for Educational Records. Center agrees to execute all documents reasonably requested by City to perfect and establish City’s right to the Intellectual Property Rights. If City is unable, after reasonable effort, to secure Center’s signature on any documents relating to Intellectual Property Rights in the Project, Center hereby irrevocably designates and appoints City and its duly authorized officers and agents as Center’s agent and attorney-in-fact, to act for and in Center’s behalf and stead to execute and file any such application or applications and to do all other lawfully permitted acts to further the prosecution with the same legal force and effect as if executed by Center. Nothing is intended nor construed to require Center to transfer any ownership interest in Center’s best practice and benchmarking information.
- 8.16 If Center desires to copyright material or to permit any third-party to do so, Center must obtain City’s prior written approval and must appropriately acknowledge City’s support in any such materials.

- 12.8 All expenditures by the Center or any of its subcontractors must be made in accordance with all applicable federal, state and local laws, rules and regulations.
- 12.9 Texas Government Code §2270.002 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:
1. does not boycott Israel; and
 2. will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

Center, if it meets the definition of "Company," verifies that it does not boycott Israel, and will not boycott Israel during the term of the Agreement. City relies on Contractor's verification. If found to be false, City may terminate this Agreement for material breach.

- 12.10 If applicable, Center will submit to DHS its most recent form 990 or 990T and also submit any that are filed with the Internal Revenue Service subsequent to its last submission to the City if filed during the Term of the Agreement.

XIII. NO SOLICITATION/CONFLICT OF INTEREST

- 13.1 Center acknowledges that no person, selling agency or other organization has been retained to solicit or secure this Agreement for a commission, percentage, brokerage, or contingent fee, and further that no such arrangement exists or has existed with any employee of Center or City. For breach or violation of this section, City will have the right to terminate this Agreement without liability or, at its discretion, to deduct from the Agreement, or otherwise recover, the full amount of such arrangement, or to seek such other remedies as legally may be available.
- 13.2 Center covenants that neither it nor any member of its governing body or of its staff presently has any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Center further covenants that no persons having such interest may be employed or appointed as a member of its governing body or of its staff.
- 13.3 Center further covenants that no member of its governing body or of its staff will possess any interest in, or use their position for, a purpose that is or gives the appearance of being motivated by private gain for themselves or others, particularly those with which they have family, business, or other ties.
- 13.4 No member of City's governing body or staff who exercises any function or responsibility in the review or approval or carrying out of this Agreement will:
- (A) participate in any decision which may affect his or her personal interest or the interest of any corporation, partnership, or association in which he or she has a direct or indirect interest; or
 - (B) have any direct or indirect interest in this Agreement.
- 13.5 Center acknowledges that it is informed that Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Section 2-52, from having a financial interest in any contract with the City or any City agency such as City owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land,

materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: A City officer or employee; his parent, child or spouse; an entity in which the officer or employee, or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the entity, or ten (10) percent or more of the fair market value of the entity; an entity in which any individual or entity above listed is subcontractor on a City contract, a partner or a parent or subsidiary entity.

- 13.6 Center warrants and certifies, and this Agreement is made in reliance thereon, that by contracting with the City, Center does not cause a City employee or officer to have a prohibited financial interest in the Agreement. Center further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City's Ethics Code.

XIV. TERMINATION

- 14.1 (a) Termination for Cause – Upon written notice in accordance with the official communication provisions in this Agreement, CITY may terminate this Agreement as of the date provided in the notice in whole or in part, upon the occurrence of either:
- (i) Failure to fulfill, in a timely and proper manner, obligations under this Agreement to include performance standards established by the City or HHS, or violation of any of the covenants, conditions, or stipulations of this Agreement; or
 - (ii) Notification by a local, state, or federal agency of a formal charge, probation, deferred adjudication, or conviction involving fraud, theft, or the commission of a felony by Center or Center's employee working in the EHS-CCP Program. In the case of a Center's employee being the subject of the notification, Center will have the opportunity to cure via the immediate termination and/or removal of the employee from the EHS-CCP Program.
- (b) Termination for Convenience - This Agreement may be terminated in whole or in part upon providing notice in accordance with the official communication provisions of this Agreement, notice which must specify a date:
- (i) not sooner than 120 days following the day on which notice is sent but not later than the end of Center's fiscal year, unless earlier terminated under any other provision herein, or
 - (ii) of termination to be the end of the PBY.
- 14.2 Center will be entitled to receive just and equitable compensation for any work satisfactorily completed prior to any termination date. Satisfactory completion will be reasonably determined by the City, and its decision will be final. If compliance falls under HHS authority to review, or if a dispute arises with regard to interpretation of regulations or law as it applies to this Agreement, Center may request that the City secure an interpretation or opinion from HHS in order to assist in resolution of the dispute and the City will request it.
- 14.3 Notwithstanding any other remedy in this Agreement or by law, the City may delay, suspend, limit, or cancel funds, rights or privileges herein given Center for failure to comply with the terms and provisions of this Agreement. Specifically, at the option of the City, Center may be placed on probation during which time the City may withhold reimbursements when it determines that the Center is not in compliance with this Agreement. The Center will not be relieved of liability for damages sustained by the City by virtue of any breach of this Agreement and City may withhold funds due as damages, in addition to retaining and utilizing any other remedies available to City.
- 14.4 If an employee of Center is discharged or leaves employment with Center, then Center will pay in full to the employee all of his or her earned salaries and wages, within the timeframe specified by law.
- 14.5 Should the Center be debarred by the federal government or the City pursuant to a debarment policy currently existing or hereafter adopted, the debarment may be grounds for termination.
- 14.6 Center must not incur new obligations after the effective date of termination, and will cancel as many outstanding obligations as possible. Center will submit to City all required reports including a final

financial statement which is a statement of all expenditures incurred by Center under this Agreement. City will pay Center the full cost of obligations that City determines were not subject to cancellation if such costs are properly documented, allowable, within the approved budget, and unavoidably incurred by Center prior to termination or expiration. The final financial statement's payment constitutes full and complete reimbursement for all of Center's performance under this Agreement.

XV. RESERVED

XVI. PERSONNEL

- 16.1 Center must maintain an organizational structure that supports the accomplishment of Program objectives, addresses the major functions and responsibilities assigned to each staff position and provides evidence of adequate mechanisms for staff supervision to ensure effective oversight of Program operations. Center must ensure that, at a minimum, Center's Program staff is responsible for each program management function listed in the Scope of Work. Center must assign adequate staff to fully implement all areas of Program operations, including those needing specific management abilities and / or expertise.
- 16.2 Center acknowledges and agrees that EHS-CCP guidelines and City policy require that Center staff each EHS-CCP classroom at ratios of one qualified Early Head Start teacher for every 4 children with group sizes of no more than 8 at all times. Center will staff each classroom with a volunteer in addition to the paid staff positions, when possible.
- 16.3 At the beginning of the Agreement Term and each PBY thereafter, Center will submit to City a report which specifically (a) lists the number and percentage of classroom personnel in its center based program having child development associate ("CDA") credentials or associate, baccalaureate or advanced degrees; and (b) describes Center's compliance with the goals described in this Article.
- 16.4 Teachers. Center understands that the Head Start Act requires grantees and their contractors, if any, ensure, and demonstrate upon request, that all of the teachers staffing center-based program classrooms have a minimum of a CDA, or comparable, credential, and have been trained (or have equivalent coursework) in early childhood development with a focus on infant and toddler development. Center agrees that for teachers not having the credential or equivalent, Center will notify City of the particulars of the training (or equivalent coursework) for City approval. Center will have a documented professional development plan on file for any such teacher.
- 16.5 Professional Development. Center agrees and acknowledges that each of its EHS-CCP teachers will attend not less than 15 clock hours of infant and toddler professional development per Center fiscal year. The term "professional development" means high-quality activities that will improve the knowledge and skills of teachers and staff, as relevant to their roles and functions, in Program administration and the provision of services and instruction. The professional development must be specific to working with infants and toddlers.
- 16.6 Administrators. Center understands the Head Start Act requires grantees and their contractors, if any, ensure and demonstrate upon request that all EHS-CCP staff have the knowledge, skills, and experience they need to perform their assigned functions responsibly. Therefore, at a minimum, Center agrees that all Program center directors, as well as personnel in the classroom, must have education or training in the area of early childhood education. Center will only employ such directors and personnel meeting the necessary qualifications of Early Head Start and state licensing. To meet these obligations, Center will:
- (A) only employ an EHS-CCP Director, and classroom personnel meeting the necessary qualifications;
 - (B) promptly notify City of any transfers and/or disciplinary actions affecting EHS-CCP personnel referred to in subsection (A) of this Section; and
 - (C) ensure, in the event an EHS-CCP position referred to in subsection (A) of this Section is vacated for any reason, that a replacement meeting the necessary qualifications is hired within 45 calendar days or, following notification to City of a delay, as soon as reasonably practical, but not later than 60 days after the position first became vacant unless the parties come to a new mutually acceptable deadline.

- 16.7 Professional Development Plan. Center will create and implement, in consultation with each of its employees, a Professional Development Plan for all Program employees who provide direct services to children. Center will regularly evaluate the Plans to determine their impact on teacher and staff effectiveness.
- 16.8 Wages & Salaries.
- (A) Center understands the City will periodically perform its own wage and salary comparison and issue such results to Center. Center agrees that City has no obligation to reimburse Center employees' wages that exceed the average rate paid to persons providing substantially comparable services in the area. Although the City may consider factors such as training and experience as affecting compensation levels, the City has the sole and absolute authority to determine the rate of City's reimbursement under the Agreement, and its decision shall be final. Subject to the restriction set forth in this Section, Center may compensate its employees above the rate the City will reimburse, so long as the additional compensation is not charged to the Agreement budget.
- (B) Center expressly understands and agrees that in accordance with 42 U.S.C. §9848, no portion of the Agreement funds may be used to pay an employee if compensation (including Non-Federal funds) to that employee exceeds \$179,700.00, or the currently authorized maximum under the law. Center further agrees that all employees must devote to the Program the time proportionate to the percentage of their compensation funded through the EHS-CCP Grant (e.g., employees who are funded at one hundred percent (100%) through the Grant must devote one hundred percent (100%) of their time to support the Program). Center agrees to submit employee certifications if requested by the City or HHS.
- (C) Center agrees to comply with all applicable federal regulations regarding the setting of, and maximum amount allowable for, salaries of Center's employees.
- 16.9 Center agrees to establish internal procedures that assure employees of an established complaint and grievance process. This process will include procedures to receive, investigate, and resolve complaints and grievances in an expeditious manner.
- 16.10 Center agrees to place written job descriptions for EHS-CCP personnel in individual personnel folders, or online, for each position, and provide the specific job description(s) to the City upon request. All descriptions must be filed or online no later than the expiration date of this Agreement.
- 16.11 Center agrees to provide the City with the names and license registration of any employee(s) of Center, if applicable, whose activities contribute towards, facilitate, or coordinate the performance of this Agreement.
- 16.12 Chief Executive Officers (CEOs), directors and other supervisory personnel may not supervise a spouse, parent, child, sibling, or in-laws of the same relationship, (hereinafter referred to as "Relatives") who are in any capacity supported through Agreement funds. Relatives, however, may be co-workers in a non-supervisory position.

XVII. LICENSES AND TRAINING

- 17.1 Center warrants and certifies that Center, its employees and subcontractors, if any, have the requisite training, license or certification, and meet all competence standards promulgated by the appropriate authoritative bodies, to provide services under this Agreement.

XVIII. PROPERTY, EQUIPMENT AND SUPPLIES

- 18.1 Ownership. City retains ownership of all equipment/property purchased with funds received through the City and such equipment/property will, at the City's sole option, revert to the City at Agreement termination, for whatever reason. Center agrees to relinquish and transfer possession of and, if applicable, title to such equipment/property without the requirement of a court order. Equipment that has reverted to Center through a City-paid lease agreement with option to buy will be considered the same as though purchased outright with Agreement funds.

- 18.2 Disposal, Loss, and Transfer.
- (A) Center agrees that no equipment purchased with Agreement funds may be disposed of without receiving prior written approval from DHS. In cases of theft or loss of equipment, it is the responsibility of the Center to replace it with like equipment, with funds other than Agreement funds. All replacement equipment will be treated in the same manner as equipment purchased with Agreement funds.
 - (B) City reserves the right to require transfer of property acquired with funds awarded under this Agreement as provided in 45 C.F.R. Part 75, including but not limited to §75.316 *et seq.*
- 18.3 Center will maintain accurate and complete records on all equipment and property obtained with Agreement funds to include:
- (A) A description of the equipment, including the model and serial number or other identification number, if applicable;
 - (B) The date of acquisition, cost and procurement source, purchase order number, and vendor number;
 - (C) An indication of whether the equipment is new or used;
 - (D) The vendor's name (or transferred from);
 - (E) The location of the property;
 - (F) The property number shown on the property tag; ("City of San Antonio Head Start Program"); and
 - (G) A list of disposed items and disposition.
- 18.4 Center will maintain a system for tracking, on an ongoing basis, inventory of equipment and supplies purchased with EHS-CCP funds that either (i) has a purchase price of \$5,000.00 or greater; or (ii) meets other criteria as City may prescribe (and notify Center as appropriate). Upon request, Center will provide City a status report of the current inventory of equipment and supplies meeting these requirements. City will have the right to review and approve Center's inventory tracking system.
- 18.5 Upon request, Center will provide DHS an annual inventory of assets purchased with funds received through the City.
- 18.6 Center is fully and solely responsible for the insuring, safeguarding, maintaining, and reporting of lost, stolen, missing, damaged, or destroyed equipment/property purchased or leased with Agreement funds. Center will inform City of incidents of loss, theft, damage or destruction of equipment or property, excluding supplies and consumables, purchased or leased with Agreement funds.
- 18.7 All equipment purchased under this Agreement must be fully insured against fire, loss and theft. Center, at a minimum, will provide the equivalent insurance for real property and equipment acquired with Agreement funds as provided to other property acquired or owned by the Center.
- 18.8 Center must fully comply with the property and equipment requirements of 45 C.F.R Part 75, including but not limited to Sections 75.316 through 75.323, related to the following:
- (A) Insurance Coverage
 - (B) Real Property
 - (C) Federally-owned and exempt property
 - (D) Equipment
 - (E) Supplies
 - (F) Intangible property
 - (G) Property trust relationship
- 18.9 Purchase thresholds. Center shall route all written correspondence through the DHS for review, endorsement and processing. For equipment, property or supplies purchases in the amount of \$5,000.00 or greater or cumulative purchases in the amount of \$100,000.00 or greater, Center must obtain prior approval from DHS. Center will not split the purchase of a line item with a value greater than the preceding thresholds in order to avoid obtaining approval from DHS.

- 18.10 Third Party Beneficiary. Center acknowledges and agrees that City is the intended third-party beneficiary of any and all facility leases with third-parties to which Center is or becomes a party in connection with the approved Program sites listed in Exhibit I-A to Attachment I, or as a consequence of this Agreement. As such, Center will use its best efforts to execute an acknowledgment prepared by City that City is an intended third-party beneficiary of such lease. Center will honor all of its material obligations under any and all such leases. Center will stay in good standing under any and all leases and Center will immediately notify City in writing in the event of any breach or alleged breach of any lease that could result in its termination. Center will submit to City for review and approval all non-disturbance, subordination and similar agreements it is requested to execute in connection with any such lease. If an event gives rise to a right of first refusal in favor of Center under any such lease, Center will promptly notify City of the event and allow City to step into Center's shoes as tenant under the lease in order to exercise the right.

XIX. TRAVEL

- 19.1 Center must comply with the following regarding City-funded travel:

- (A) Travel costs are allowable if:
1. they are included in the budget;
 2. supported by detailed documentation, for example, conference costs to include itineraries and documentation certifying conference attendance;
 3. travel costs (including per diem rates) do not exceed those allowed under the City's travel policies and conform to the reimbursement rates under the U.S. General Services Administration; and
 4. transportation fares are at economy class rates.
- (B) Mileage reimbursement rates must not exceed the City's policy for mileage reimbursement and must comply with IRS rules. To be eligible for mileage reimbursement, the employees must:
1. possess a valid Texas Driver's License and liability insurance as required by law; and
 2. record, on a daily basis, odometer readings before and after business use, showing total business miles driven each day and must keep the record on file for City inspection, if requested. Mileage records are subject to spot-checks by the City.

Contractor shall strongly encourage the participation by its employees in an approved defensive driving course. Evidence of the required driver's license and liability insurance must be kept on file with the Contractor.

- 19.2 Center understands that any amount over the budgeted amount must be pre-approved by City or such overage will not be paid.

XX. DEBARMENT

- 20.1 Center certifies that neither it nor its principals nor subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in any state or federal program.
- 20.2 Center will provide immediate written notice to City, in accordance with the notice requirements of Article XXVI, if, at any time during the Term of the Agreement, including any renewals hereof, Center learns that its certification was erroneous when made or has since become erroneous.

XXI. ASSIGNMENT

- 21.1 Center will not assign or transfer Center's interest in this Agreement or any portion thereof without the written consent of City, and if applicable, the Grantor of the Grant Funds. Any attempt to transfer, pledge or otherwise assign will be void ab initio and confer no rights upon any third person or party.

XXII. AMENDMENT

- 22.1 Any alterations, additions or deletions to the terms of this Agreement must be by amendment in writing executed by both Parties. The Director of DHS has the authority to execute an amendment of this Agreement without the necessity of seeking any further City Council approval if in the following circumstances:

- (A) increases to the PBY funding of this Agreement in an amount not exceeding (a) twenty-five percent (25%) of the total amount or (b) \$25,000.00, whichever is less; provided, however, that the cumulative total of all amendments executed without City Council approval pursuant to this subsection must not exceed the foregoing thresholds;
 - (B) modifications to the Scope of Work set forth in **Attachment I**, so long as any changes stay within the substantive parameters set forth in the original Scope of Work;
 - (C) modifications to the insurance provisions in Attachment VII of this Agreement that receive the prior written approval of the City of San Antonio's Risk Manager and the Director of DHS;
 - (D) decreases (and increases) in Agreement funding based upon Program enrollment levels, and any modifications related to enrollment; provided, however, that the cumulative total of all Program contracts, as amended, must not exceed the City's total budget for the EHS-CCP Program for the applicable grant year.
- 22.2 Center further agrees that except when the terms of this Agreement expressly provide otherwise, any alterations, additions or deletions to its terms must be by amendment in writing.

XXIII. SUBCONTRACTING

- 23.1 None of the work or services covered by this Agreement may be sub-contracted without the prior written consent of the City and the Grantor, if required by Grantor. If allowed, subcontracting methods must meet City requirements; subcontractor compliance must be the responsibility of the Center to monitor.
- 23.2 Center must comply with all applicable local, state and federal procurement standards, rules, regulations and laws in all its sub-contracts related to the work or funds herein. It is further agreed by the Parties that City has the authority to monitor, audit, examine, and make copies and transcripts of all sub-contracts, as often as deemed appropriate by City. If, in the sole determination of City, it is found that Center is not in compliance with said rules or standards with respect to any of its sub-contracts, then Center will be deemed to be in default of this Agreement, and will be subject to termination in accordance with the Termination article of this Agreement.
- 23.3 If City grants a request to subcontract, Center understands and agrees that all subcontracts in excess of \$10,000.00 must address termination for cause and for convenience, including the manner by which it will be effected and the basis for settlement.

XXIV. OFFICIAL COMMUNICATIONS

- 24.1 Except where the terms of this Agreement expressly provide otherwise, any communication under this Agreement must be in writing and deemed delivered when delivered personally (with receipt acknowledged), or three (3) days after deposit in the U.S. mail, first class with proper postage, or upon receipt if sending the same by certified mail or a commercial courier service (e.g. Federal Express) at the addresses set forth below.

obligations herein contained. Center must be authorized to do business in the State of Texas and operating in accordance with all applicable laws of the State of Texas. Upon request by the City, Center will provide DHS verification of the foregoing requirements.

- 25.2 This Agreement is based on the representation of Center that it is financially accountable for its expenditures; that it has the continuing capability to furnish the Non-Federal Share of the cost of operating its EHS-CCP services; and that Program funds disbursed to Center will be expended only for Allowable Costs in the implementation of the Center's program. Center represents that there are no financial limitations or impediments that would make it not viable, solvent and accountable such that the flow of Program funds would not be used for the Program.

- 25.3 If circumstances arise which might result in interference with Center's ability to provide services under this Agreement, Center agrees to inform City of those circumstances immediately. Center agrees that reimbursement to Center, upon reasonable notice, may be suspended by City until such financial circumstances giving rise to the possible interference have been eliminated; provided however, that authorized expenditures made and approved by City prior to the suspension, will not be affected.

XXVI. PROHIBITION ON CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION

- 26.1 Texas Government Code §2252.152 provides that a governmental entity may not enter into a governmental contract with a company that is identified on a list prepared and maintained under Texas Government Code §§2270.0201 or 2252.153. Center certifies that it is not identified on such a list and that it will notify City should it be placed on such a list while under this Agreement. City relies on Center's certification. If found to be false, or if Center is identified on such list during the course of its Agreement, City may terminate this Agreement for material breach.

XXVII. MISCELLANEOUS

- 27.1 Independent Contractor.

(A) It is expressly understood and agreed that Center is and will be deemed to be an independent contractor, responsible for its own acts or omissions, for which City is not responsible, and that neither Party has authority to bind the other nor to hold out to third parties that it has the authority to bind the other.

(B) Nothing contained herein may be deemed or construed as creating the relationship of employer-employee, principal-agent, partners, joint venture, or any other similar relationship, between the Parties.

(C) Any and all employees of Center, wherever located, while engaged in the performance of any work required by City under this Agreement will be considered employees of Center only, and not of City, and any and all Workers' Compensation claims that may arise on behalf of the employees while so engaged are the sole obligation and responsibility of Center.

- 27.2 Non-Waiver. No waiver, change, modification or discharge by either Party of any provision of this Contract shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged. Unless otherwise specifically provided for in this Contract, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Contract shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party under this Contract or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved.

- 27.3 Venue. Contractor and City agree that this Contract shall be governed by and construed in accordance with the laws of the State of Texas, and all obligations of the Parties created under this Contract are performable in Bexar County, Texas. Any action or proceeding to adjudicate any dispute arising out of this Contract shall be brought in a court of competent jurisdiction in San Antonio, Bexar County, Texas. Venue and jurisdiction arising under or in connection with this Contract shall lie exclusively in Bexar County, Texas.

- 27.4 Gender. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.
- 27.5 Severability. If any clause or provision of this Contract is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of City, it is the intention of the Parties that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Contract shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained. It is also the intention of the Parties that in lieu of each clause or provision of this Contract that is invalid, illegal or unenforceable, there be added as a part of this Contract a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.
- 27.6 Authority. The signer of this Contract for Contractor represents, warrants, assures and guarantees that he has full legal authority to execute this Contract on behalf of Contractor and to bind Contractor to all of its terms, conditions, provisions and obligations. Contractor shall provide evidence to City upon execution of this Contract that it is currently operating as a Texas non-profit corporation exempt from tax under Section 501(c)(3) of the Internal Revenue Code, or a for-profit entity governed by an autonomous governing body, acting in accordance with the governing instruments submitted to the City in its application for funding. The Contractor will operate full day classroom(s) (minimum of 10 hours a day) at the City approved sites for a minimum of 240 days of planned class operations for the Early Head Start – Child Care Partnership grant period. - B. Contractor will work with the City staff in developing, at the beginning of each enrollment year, and maintain during the year, a waiting list that ranks children according to the program’s selection criteria and ERSEA policies. If Contractor is under enrolled and does not have a waiting list City shall have the right to temporarily move enrollment slots, in coordination with the Contractor and as a last resort, to maintain compliance with Federal enrollment standards.
- C. In accordance with the Head Start Act, Contractor shall work collaboratively with the City to ensure that a minimum of 10% of the children enrolled in Contractor’s Program are children with disabilities who are determined to be eligible for services through the Early Childhood Intervention (ECI) program through the Individuals with Disabilities Education Act (IDEA) part C. This 10% requirement must be met by mid-point of the program year, as determined by the City.
- D. Contractor agrees that when the monthly average daily attendance rate in a center-based program falls below 85 percent, Contractor shall collaborate with the City in the provision of absentee services in accordance with 45 C.F.R. 1302.16 in the Head Start Performance standards. The City will lead absentee services to include analyzing the cause of absenteeism and the provision of additional support, which may include, but is not limited to, face-to-face meeting(s) with the family and other direct contact with the child’s parents. Contractor shall establish procedures for the removal of children from the program due to the lack of attendance in accordance with the City’s policies.

3. Program Services

- (2) notify BA of any changes in, or revocation of, permission by any Individual to use or disclose PHI, to the extent that such changes may affect BA's use or disclosure of PHI;
- (3) notify BA of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. 164.522 to the extent that such changes may affect BA's use or disclosure of PHI;
- (4) coordinate with BA regarding any PHI breach and make timely notification to affected individuals within 60 days of discovery.

E. Permissible Requests by Covered Entity.

Covered Entity shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity, except that the BA may use or disclose PHI for data aggregation or management and administrative activities of the BA.

F. Term and Termination.

- (1) The term of this BAA shall commence upon execution of the Agreement. This BAA shall terminate when all PHI encompassed by this BAA is destroyed or returned to Covered Entity or, if it is infeasible to return or destroy the PHI, protections are extended to such information in accordance with the termination provisions in this Section.
- (2) Termination for Cause. Upon Covered Entity's knowledge of a material breach by BA, Covered Entity shall either (a) provide an opportunity for BA to cure the breach in accordance with the terms of the Agreement or, if the BA does not cure the breach or end the violation within the time for cure specified in the Agreement, end the violation and terminate this BAA and the Agreement; or (b) immediately terminate this BAA and the Agreement if BA has breached a material term of this BAA and cure is not possible. If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the U.S. Department of Health and Human Services.
- (3) Effect of Termination.
 - (a) Except as provided below in paragraph (b) of this Section F(3), upon termination of this BAA for any reason, BA shall return or destroy all PHI received from the Covered Entity, or created or received by BA on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of BA or its subcontractors or agents. BA shall not retain any copies of PHI.
 - (b) In the event that BA determines that returning or destroying PHI is infeasible, BA shall provide to Covered Entity written notification of the condition that makes the return or destruction of PHI infeasible. Upon BA's conveyance of such written notification, BA shall extend the protections of this BAA to such PHI and limit further uses and disclosures of such PHI to those purposes that make its return or destruction infeasible, for so long as BA maintains such PHI.

G. Amendment to Comply with Law. The Parties agree to take written action as is necessary to amend this BAA to comply with any Privacy Rules and HIPAA legal requirements for Covered Entity without the need for additional council action.

H. Survival. The respective rights and obligations of the BA under Sections B, C (2) and (4), and F(3) shall survive the termination of this BAA.

Notwithstanding the foregoing, Covered Entity shall have the right to assign its rights and obligations hereunder to any entity that is an affiliate or successor of Covered Entity, without the prior approval of BA.
- P. **Entire Agreement.** This BAA constitutes the complete agreement between BA and Covered Entity relating to the matters specified in this BAA, and supersedes all prior representations or agreements, whether oral or written, with respect to such matters. In the event of any conflict between the terms of this BAA and the terms of the Agreement or any such later agreement(s), the terms of this BAA shall control unless the terms of such Agreement comply with the federal law and regulations commonly referred to as the Privacy Standards and the Security Standards. Additional OMB Provisions

from Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by HHS or the City, all contracts made by the City under the Federal award must contain provisions covering the following, as applicable (2 C.F.R. 200, Appendix II).

Hereinafter in this Attachment VI, Center shall be referred to as “contractor.”

<u>Provision</u>	<u>Page Number</u>
Equal Employment Opportunity	2
Davis Bacon Act	3
Contract Work Hours and Safety Standards Act	8

EQUAL EMPLOYMENT OPPORTUNITY provisions (60 C.F.R. 1.4(b)).

During the performance of this contract, contractor agrees:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to CONTRACTOR's books, records, and accounts by the U.S. Department of Health and Human Services ("HHS") and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as HHS may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request HHS to enter into such litigation to protect the interests of the United States.

DAVIS BACON ACT provisions (29 C.F.R. § 5.5(a))

For any contract or subcontract in excess of \$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from federal funds, and which is subject to the labor standards provisions of any of the acts listed in 29 C.F.R. §5.1, the following § 5.5(a) must be included and complied with:

(1) Minimum wages.

- (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor, which is incorporated herein by reference, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in §5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)

(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an

authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

- (iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.
- (iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. HHS or the City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, HHS may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records.

- (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected,

and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)

(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HHS if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant, sponsor, or owner, as the case may be, for transmission to HHS. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HHS if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to HHS, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under §5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under §5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

- (iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of HHS or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees—

- (i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.
- (ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the

Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the (write in the name of the Federal agency) may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility.

(i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT provisions (29 C.F.R. § 5.5(b))

(1) Overtime requirements.

No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages.

In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages.

The U.S. Department of Health and Human Services or the City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts.

The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

- D. Center agrees to require, by written contract, that all (sub)contractors providing goods or services hereunder obtain the same insurance coverages required of Center herein, and provide a certificate of insurance and endorsement that names the Center and the CITY as additional insureds. Respondent shall provide the CITY with said certificate and endorsement prior to the commencement of any work by the (sub)contractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the contract for all purposes.
- E. As they apply to the limits required by the City, the City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page, and all endorsements thereto and may require the deletion, revision, or modification of particular policy terms, conditions, limitations, or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Center shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to City at the address provided below within 10 days of the requested change. Center shall pay any costs incurred resulting from said changes.

- J. It is agreed that Center's insurance shall be deemed primary and non-contributory with respect to any insurance or self-insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.
- K. It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.
- L. Center and any Subcontractors are responsible for all damage to their own equipment and/or property.
