3. The Parties agree that payment for the performance of governmental functions or services under this Agreement shall only be made from current revenues available to the paying Party. In other words, a Party is not obligated to perform said services or functions if said Party lacks current revenues to pay for said services or functions.

However, except as provided herein, neither Board nor the City shall ever use any Tax Increment Payments contributed by a Participating Taxing Entity, other than that contributed by the City to make payments on bonds, interests of obligations, or other similar debt interests without the prior written authorization by and consent of the Participating Taxing Entity.

If it is determined during the term of this Agreement that reimbursement of Administrative Costs is not allowed under law, the Parties agree that the Board shall set the amount each Participating Taxing Entity may withhold as Administrative Costs from their respective Tax Increment Payment based on the best evidence available to the Board to make such projections, including but not limited to invoices reflecting Administrative Costs incurred by the Participating Taxing Entity. The Parties agree and understand that under no circumstances shall Administrative Costs, in the aggregate, exceed the amount set out and described in Section II.1 of this agreement.
3. The County further recognizes that, in addition to Project Costs and any other allowable costs, the City and the Board have represented that they may use funds in the Tax Increment Fund to pay expenditures in the following order or priority of payment: (i) to reimburse eligible startup Administrative Costs incurred by each Participating Taxing

The foregoing notwithstanding, no funds will be paid from the Tax Increment Fund to a Participating Taxing Entity for its financial or legal services in any dispute arising under this Agreement with another Participating Taxing Entity or Participating Taxing Entities.

VI. TERM AND TERMINATION

A. Agreement Term and Termination

This Agreement shall become effective as of the last date of execution by the Parties hereto, and shall remain in effect until September 30, 2032, unless earlier terminated as provided herein (the "Agreement Term"). Subject to the terms of this Agreement, the County agrees to participate under this Agreement, beginning with the 1999 Tax Year and ending in accordance with the terms provided herein. B. Early Termination

The City may terminate the TIRZ for any of the reasons listed in the Development Agreement. The termination of the Development Agreement also terminates this Interlocal Agreement. The City and the Board shall not be required to pay tax increment into the tax increment fund of the TIRZ if the conditions of Section 311.013(d) of the Act are met. Either party may terminate this Agreement for a material breach of contract.

C. Disposition of Tax Increments

Upon expiration or termination of the TIRZ, any money remaining in the Tax Increment Fund shall be paid to the Participating Taxing Entities on a pro rata basis in accordance with Section 311.014(d) of the Act.

VII. MISCELLANEOUS

A. Understanding

Any and all costs incurred by the Developer are not, and shall never become general obligations or debt of any Participating Taxing Entity. The eligible public improvement infrastructure costs incurred by Developer shall be payable solely from the Tax Increment Fund in the manner and priority provided in this Agreement and only to the extent that tax increment funds become available. The Parties agree and understand that under no circumstance shall the eligible costs exceed the maximum specified in the Project Plan. No Participating Taxing Entity shall be obligated above and beyond what is actually collected as tax increment funds. The City and the

Board each represent that the Developer understands and agrees that the Project Plan does not forecast sufficient tax revenues in the Tax Increment Fund to reimburse the Developer for all its estimated contributions or costs.

B. Severability

1. In the event any term, covenant, or condition herein contained shall be held to be invalid by any court of competent jurisdiction, such invalidity shall not affect any other term, covenant, or condition herein contained, provided that such invalidity does not materially prejudice any Party hereto in its respective rights and obligations contained in the valid terms, covenants, or conditions hereof.
2. In the event any term, covenant, or condition shall be held invalid and said invalidity substantially impairs a material right of a Participating Taxing Entity or Board, then this Agreement shall be void as to that Participating Taxing Entity and that Participating Taxing Entity shall have no further obligation to contribute any future Tax Increment Payments to the Tax Increment Fund. In such a situation, the Parties hereto agree that the Tax Increment Fund shall not refund any prior Tax Increment Payments under this provision of this Agreement.

C. Entire Agreement

This Agreement merges the prior negotiations and understandings of the Parties hereto and embodies the entire agreement of the Parties. There are no other agreements, assurances, conditions, covenants (express or implied), or other terms with respect to the covenants, whether written or verbal, antecedent or contemporaneous, with the execution hereof.

D. Written Amendment

This Agreement may be changed or amended only by a written instrument duly executed on behalf of each Party. All Parties to this Agreement understand and recognize that only the City Council of the City and only the Commissioners Court of the County have authority to approve a change or amendment to this Agreement on behalf of the City or the County, respectively.

H. Successors

This Agreement shall bind and benefit the Parties and their legal successors. This Agreement does not by itself create any personal liability on the part of any trustee, officer, employee, elected official, or agent of a Party to this Agreement.

I. Project Plan

The County acknowledges that it was permitted to review and comment upon the Project Plan before it was submitted to the City Council for approval. The Parties agree an amendment to the Project Plan shall not apply to the County unless the County approves the amendment as provided herein if such amendment to the Project Plan (i) has the effect of directly or indirectly increasing the percentage or amount of Tax Increment to be contributed by the County to the Tax Increment Fund; or (ii) increases or reduces the geographical area of the TIRZ set forth in the Project Plan.

J. No Waiver of Immunity

No Party hereto waives or relinquishes any immunity or defense on behalf of itself, its trustees, officers, employees, and agents as a result of its execution of this Agreement and performance or non-performance of the covenants contained herein.

K. Access to Financial Information

The Board agrees to conduct or to cause to be conducted, at a minimum, an annual audit, a copy of which will be provided to the County. Furthermore, each Party to this Agreement shall have reasonable access to financial information and audit reports regarding the operation of the TIRZ, contribution of Tax Increment Payments to the Tax Increment Fund, and expenditures from the Tax Increment Fund for Project Costs. In addition, the City agrees, during the term of this Agreement, to prepare and deliver an annual report to the County in accordance with Section 311.016 of the Act.

L. Development Agreement

1. The City and the Board have entered into a written Development Agreement with the Developer related to the Project and the development of the TIRZ. The City hereby represents that it will enforce the provisions of this Agreement, as required, including, to

the extent contained in the Development Agreement, the Developer's compliance (i) with all applicable building codes and ordinances, including but not limited to flood, subdivision, building, electrical, plumbing, fire, and life safety codes and ordinances, as amended; all applicable federal, state, and local laws, rules, regulations, statutes, ordinances, orders, and codes, as amended; and rules and codes that govern development over the Edwards Aquifer Recharge TIRZ (if applicable); (ii) the TIF Guidelines and Criteria in effect on the date the TIRZ was designated by City and the Construction Schedule (attached hereto as Exhibit "A" and as may be amended in accordance with the terms of the Development Agreement); and, (iii) with the same competitive bidding processes, payment of prevailing wages, non-discrimination, and payment and performance bonding procedures. The City and the Board agree to promptly provide the County with a copy of any notice of default that is delivered or sent to any party under the Development Agreement.

2. For those City-controlled construction contracts for new development or public improvements in the TIRZ advertised for bid after the effective date of this Agreement, the City agrees that, to the extent allowed by law, it will include in the bid specifications for said construction contracts a statement encouraging both general contractors and subcontractors to provide access to some form of affordable basic health insurance for permanent fulltime employees and their dependents.

M. TIRZ Designation

The City represents that its designation of the TIRZ meets the criteria of Section 311.005(a) of the Act, and that said designation also complies with Texas Attorney General Opinion No. JC-0152 (December 8, 1999).
