

Senate Bill No. 3

CHAPTER 4

An act to amend Sections 245.5, 246, and 1182.12 of the Labor Code, relating to labor.

[Approved by Governor April 4, 2016. Filed with
Secretary of State April 4, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 3, Leno. Minimum wage: in-home supportive services: paid sick days.

(1) Under existing law, the Healthy Workplaces, Healthy Families Act of 2014, an employee who, on or after July 1, 2015, works in California for the same employer for 30 or more days within a year from the commencement of employment is entitled to paid sick days, as specified. Existing law requires an employee to accrue paid sick days at the rate of not less than one hour per every 30 hours worked subject to specified use and accrual limitations. For the purposes of the act, an “employee” does not include a provider of in-home supportive services, as described.

This bill, on and after July 1, 2018, would entitle a provider of in-home supportive services who works in California for 30 or more days within a year from the commencement of employment to paid sick days, subject to specified full amount of leave time amounts and that rate of accrual. The bill would require the State Department of Social Services, in consultation with stakeholders, to convene a workgroup to implement paid sick leave for in-home supportive services providers and to issue guidance in that regard by December 1, 2017. The bill would authorize the department to implement that paid sick leave without complying with the Administrative Procedure Act.

(2) On and after July 1, 2014, existing law requires the minimum wage for all industries to be not less than \$9 per hour. On and after January 1, 2016, existing law requires the minimum wage for all industries to be not less than \$10 per hour.

This bill would require the minimum wage for all industries to not be less than specified amounts to be increased from January 1, 2017, to January 1, 2022, inclusive, for employers employing 26 or more employees and from January 1, 2018, to January 1, 2023, inclusive, for employers employing 25 or fewer employees, except when the scheduled increases are temporarily suspended by the Governor, based on certain determinations. The bill would also require the Director of Finance, after the last scheduled minimum wage increase, to annually adjust the minimum wage under a specified formula.

On or before July 28, 2017, and on or before every July 28 thereafter until the minimum wage is a specified amount for employers employing 26 or more employees, the bill would require the Director of Finance to annually

determine, based on certain factors, whether economic conditions can support a scheduled minimum wage increase and certify that determination to the Governor and the Legislature. The bill would also require the State Board of Equalization to publish specified retail sales and use tax information on its Internet Web site to be used by the Director of Finance in making that determination.

On or before July 28, 2017, and on or before every July 28 thereafter until the minimum wage is a specified amount for employers employing 26 or more employees, in order to ensure that the General Fund can support the next scheduled minimum wage increase, the bill would also require the Director of Finance to annually determine and certify to the Governor and the Legislature whether the General Fund would be in a deficit in the current fiscal year, or in either of the following 2 fiscal years.

The people of the State of California do enact as follows:

SECTION 1. Section 245.5 of the Labor Code is amended to read:

245.5. As used in this article:

(a) “Employee” does not include the following:

(1) An employee covered by a valid collective bargaining agreement if the agreement expressly provides for the wages, hours of work, and working conditions of employees, and expressly provides for paid sick days or a paid leave or paid time off policy that permits the use of sick days for those employees, final and binding arbitration of disputes concerning the application of its paid sick days provisions, premium wage rates for all overtime hours worked, and regular hourly rate of pay of not less than 30 percent more than the state minimum wage rate.

(2) An employee in the construction industry covered by a valid collective bargaining agreement if the agreement expressly provides for the wages, hours of work, and working conditions of employees, premium wage rates for all overtime hours worked, and regular hourly pay of not less than 30 percent more than the state minimum wage rate, and the agreement either (A) was entered into before January 1, 2015, or (B) expressly waives the requirements of this article in clear and unambiguous terms. For purposes of this subparagraph, “employee in the construction industry” means an employee performing work associated with construction, including work involving alteration, demolition, building, excavation, renovation, remodeling, maintenance, improvement, repair work, and any other work as described by Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code, and other similar or related occupations or trades.

(3) An individual employed by an air carrier as a flight deck or cabin crew member that is subject to the provisions of Title II of the federal Railway Labor Act (45 U.S.C. Sec. 151 et seq.), provided that the individual is provided with compensated time off equal to or exceeding the amount established in paragraph (1) of subdivision (b) of Section 246.

(4) An employee of the state, city, county, city and county, district, or any other public entity who is a recipient of a retirement allowance and employed without reinstatement into his or her respective retirement system pursuant to either Article 8 (commencing with Section 21220) of Chapter 12 of Part 3 of Division 5 of Title 2 of the Government Code, or Article 8 (commencing with Section 31680) of Chapter 3 of Part 3 of Division 4 of Title 3 of the Government Code.

(b) “Employer” means any person employing another under any appointment or contract of hire and includes the state, political subdivisions of the state, and municipalities.

(c) “Family member” means any of the following:

(1) A child, which for purposes of this article means a biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis. This definition of a child is applicable regardless of age or dependency status.

(2) A biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child.

(3) A spouse.

(4) A registered domestic partner.

(5) A grandparent.

(6) A grandchild.

(7) A sibling.

(d) “Health care provider” has the same meaning as defined in paragraph (6) of subdivision (c) of Section 12945.2 of the Government Code.

(e) “Paid sick days” means time that is compensated at the same wage as the employee normally earns during regular work hours and is provided by an employer to an employee for the purposes described in Section 246.5.

SEC. 2. Section 246 of the Labor Code is amended to read:

246. (a) (1) An employee who, on or after July 1, 2015, works in California for the same employer for 30 or more days within a year from the commencement of employment is entitled to paid sick days as specified in this section.

(2) On and after July 1, 2018, a provider of in-home supportive services under Section 14132.95, 14132.952, or 14132.956 of, or Article 7 (commencing with Section 12300) of Chapter 3 of Part 3 of Division 9 of, the Welfare and Institutions Code, who works in California for 30 or more days within a year from the commencement of employment is entitled to paid sick days as specified in subdivision (e) and subject to the rate of accrual in paragraph (1) of subdivision (b).

(b) (1) An employee shall accrue paid sick days at the rate of not less than one hour per every 30 hours worked, beginning at the commencement of employment or the operative date of this article, whichever is later, subject to the use and accrual limitations set forth in this section.

(2) An employee who is exempt from overtime requirements as an administrative, executive, or professional employee under a wage order of the Industrial Welfare Commission is deemed to work 40 hours per

workweek for the purposes of this section, unless the employee's normal workweek is less than 40 hours, in which case the employee shall accrue paid sick days based upon that normal workweek.

(3) An employer may use a different accrual method, other than providing one hour per every 30 hours worked, provided that the accrual is on a regular basis so that an employee has no less than 24 hours of accrued sick leave or paid time off by the 120th calendar day of employment or each calendar year, or in each 12-month period.

(4) An employer may satisfy the accrual requirements of this section by providing not less than 24 hours or three days of paid sick leave that is available to the employee to use by the completion of his or her 120th calendar day of employment.

(c) An employee shall be entitled to use accrued paid sick days beginning on the 90th day of employment, after which day the employee may use paid sick days as they are accrued.

(d) Accrued paid sick days shall carry over to the following year of employment. However, an employer may limit an employee's use of accrued paid sick days to 24 hours or three days in each year of employment, calendar year, or 12-month period. This section shall be satisfied and no accrual or carryover is required if the full amount of leave is received at the beginning of each year of employment, calendar year, or 12-month period. The term "full amount of leave" means three days or 24 hours.

(e) For a provider of in-home supportive services under Section 14132.95, 14132.952, or 14132.956 of, or Article 7 (commencing with Section 12300) of Chapter 3 of Part 3 of Division 9 of, the Welfare and Institutions Code, the term "full amount of leave" is defined as follows:

(1) Eight hours or one day in each year of employment, calendar year, or 12-month period beginning July 1, 2018.

(2) Sixteen hours or two days in each year of employment, calendar year, or 12-month period beginning when the minimum wage, as set forth in paragraph (1) of subdivision (b) of Section 1182.12 and accounting for any years postponed under subparagraph (D) of paragraph (3) of subdivision (d) of Section 1182.12, has reached thirteen dollars (\$13) per hour.

(3) Twenty-four hours or three days in each year of employment, calendar year, or 12-month period beginning when the minimum wage, as set forth in paragraph (1) of subdivision (b) of Section 1182.12 and accounting for any years postponed under subparagraph (D) of paragraph (3) of subdivision (d) of Section 1182.12, has reached fifteen dollars (\$15) per hour.

(f) An employer is not required to provide additional paid sick days pursuant to this section if the employer has a paid leave policy or paid time off policy, the employer makes available an amount of leave applicable to employees that may be used for the same purposes and under the same conditions as specified in this section, and the policy satisfies one of the following:

(1) Satisfies the accrual, carryover, and use requirements of this section.

(2) Provided paid sick leave or paid time off to a class of employees before January 1, 2015, pursuant to a sick leave policy or paid time off

policy that used an accrual method different than providing one hour per 30 hours worked, provided that the accrual is on a regular basis so that an employee, including an employee hired into that class after January 1, 2015, has no less than one day or eight hours of accrued sick leave or paid time off within three months of employment of each calendar year, or each 12-month period, and the employee was eligible to earn at least three days or 24 hours of sick leave or paid time off within nine months of employment. If an employer modifies the accrual method used in the policy it had in place prior to January 1, 2015, the employer shall comply with any accrual method set forth in subdivision (b) or provide the full amount of leave at the beginning of each year of employment, calendar year, or 12-month period. This section does not prohibit the employer from increasing the accrual amount or rate for a class of employees covered by this subdivision.

(3) Notwithstanding any other law, sick leave benefits provided pursuant to the provisions of Sections 19859 to 19868.3, inclusive, of the Government Code, or annual leave benefits provided pursuant to the provisions of Sections 19858.3 to 19858.7, inclusive, of the Government Code, or by provisions of a memorandum of understanding reached pursuant to Section 3517.5 that incorporate or supersede provisions of Section 19859 to 19868.3, inclusive, or Sections 19858.3 to 19858.7, inclusive of the Government Code, meet the requirements of this section.

(g) (1) Except as specified in paragraph (2), an employer is not required to provide compensation to an employee for accrued, unused paid sick days upon termination, resignation, retirement, or other separation from employment.

(2) If an employee separates from an employer and is rehired by the employer within one year from the date of separation, previously accrued and unused paid sick days shall be reinstated. The employee shall be entitled to use those previously accrued and unused paid sick days and to accrue additional paid sick days upon rehiring, subject to the use and accrual limitations set forth in this section. An employer is not required to reinstate accrued paid time off to an employee that was paid out at the time of termination, resignation, or separation of employment.

(h) An employer may lend paid sick days to an employee in advance of accrual, at the employer's discretion and with proper documentation.

(i) An employer shall provide an employee with written notice that sets forth the amount of paid sick leave available, or paid time off leave an employer provides in lieu of sick leave, for use on either the employee's itemized wage statement described in Section 226 or in a separate writing provided on the designated pay date with the employee's payment of wages. If an employer provides unlimited paid sick leave or unlimited paid time off to an employee, the employer may satisfy this section by indicating on the notice or the employee's itemized wage statement "unlimited." The penalties described in this article for a violation of this subdivision shall be in lieu of the penalties for a violation of Section 226. This subdivision shall apply to employers covered by Wage Order 11 or 12 of the Industrial Welfare Commission only on and after January 21, 2016.

(j) An employer has no obligation under this section to allow an employee's total accrual of paid sick leave to exceed 48 hours or 6 days, provided that an employee's rights to accrue and use paid sick leave are not limited other than as allowed under this section.

(k) An employee may determine how much paid sick leave he or she needs to use, provided that an employer may set a reasonable minimum increment, not to exceed two hours, for the use of paid sick leave.

(l) For the purposes of this section, an employer shall calculate paid sick leave using any of the following calculations:

(1) Paid sick time for nonexempt employees shall be calculated in the same manner as the regular rate of pay for the workweek in which the employee uses paid sick time, whether or not the employee actually works overtime in that workweek.

(2) Paid sick time for nonexempt employees shall be calculated by dividing the employee's total wages, not including overtime premium pay, by the employee's total hours worked in the full pay periods of the prior 90 days of employment.

(3) Paid sick time for exempt employees shall be calculated in the same manner as the employer calculates wages for other forms of paid leave time.

(m) If the need for paid sick leave is foreseeable, the employee shall provide reasonable advance notification. If the need for paid sick leave is unforeseeable, the employee shall provide notice of the need for the leave as soon as practicable.

(n) An employer shall provide payment for sick leave taken by an employee no later than the payday for the next regular payroll period after the sick leave was taken.

(o) The State Department of Social Services, in consultation with stakeholders, shall convene a workgroup to implement paid sick leave for in-home supportive services providers as specified in this section. This workgroup shall finish its implementation work by November 1, 2017, and the State Department of Social Services shall issue guidance such as an all-county letter or similar instructions by December 1, 2017.

(p) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), the State Department of Social Services may implement, interpret, or make specific this section by means of an all-county letter, or similar instructions, without taking any regulatory action.

SEC. 3. Section 1182.12 of the Labor Code is amended to read:

1182.12. (a) Notwithstanding any other provision of this part, on and after July 1, 2014, the minimum wage for all industries shall be not less than nine dollars (\$9) per hour, and on and after January 1, 2016, the minimum wage for all industries shall be not less than ten dollars (\$10) per hour.

(b) Notwithstanding subdivision (a), the minimum wage for all industries shall not be less than the amounts set forth in this subdivision, except when

the scheduled increases in paragraphs (1) and (2) are temporarily suspended under subdivision (d).

(1) For any employer who employs 26 or more employees, the minimum wage shall be as follows:

(A) From January 1, 2017, to December 31, 2017, inclusive,—ten dollars and fifty cents (\$10.50) per hour.

(B) From January 1, 2018, to December 31, 2018, inclusive,—eleven dollars (\$11) per hour.

(C) From January 1, 2019, to December 31, 2019, inclusive,—twelve dollars (\$12) per hour.

(D) From January 1, 2020, to December 31, 2020, inclusive,—thirteen dollars (\$13) per hour.

(E) From January 1, 2021, to December 31, 2021, inclusive,—fourteen dollars (\$14) per hour.

(F) From January 1, 2022, and until adjusted by subdivision (c)—fifteen dollars (\$15) per hour.

(2) For any employer who employs 25 or fewer employees, the minimum wage shall be as follows:

(A) From January 1, 2018, to December 31, 2018, inclusive,—ten dollars and fifty cents (\$10.50) per hour.

(B) From January 1, 2019, to December 31, 2019, inclusive,—eleven dollars (\$11) per hour.

(C) From January 1, 2020, to December 31, 2020, inclusive,—twelve dollars (\$12) per hour.

(D) From January 1, 2021, to December 31, 2021, inclusive,—thirteen dollars (\$13) per hour.

(E) From January 1, 2022, to December 31, 2022, inclusive,—fourteen dollars (\$14) per hour.

(F) From January 1, 2023, and until adjusted by subdivision (c)—fifteen dollars (\$15) per hour.

(3) For purposes of this subdivision, “employer” means any person who directly or indirectly, or through an agent or any other person, employs or exercises control over the wages, hours, or working conditions of any person. For purposes of this subdivision, “employer” includes the state, political subdivisions of the state, and municipalities.

(4) Employees who are treated as employed by a single qualified taxpayer under subdivision (h) of Section 23626 of the Revenue and Taxation Code, as it read on the effective date of this section, shall be considered employees of that taxpayer for purposes of this subdivision.

(c) (1) Following the implementation of the minimum wage increase specified in subparagraph (F) of paragraph (2) of subdivision (b), on or before August 1 of that year, and on or before each August 1 thereafter, the Director of Finance shall calculate an adjusted minimum wage. The calculation shall increase the minimum wage by the lesser of 3.5 percent and the rate of change in the averages of the most recent July 1 to June 30, inclusive, period over the preceding July 1 to June 30, inclusive, period for the United States Bureau of Labor Statistics nonseasonally adjusted United

States Consumer Price Index for Urban Wage Earners and Clerical Workers (U.S. CPI-W). The result shall be rounded to the nearest ten cents (\$0.10). Each adjusted minimum wage increase calculated under this subdivision shall take effect on the following January 1.

(2) If the rate of change in the averages of the most recent July 1 to June 30, inclusive, period over the preceding July 1 to June 30, inclusive, period for the United States Bureau of Labor Statistics nonseasonally adjusted U.S. CPI-W is negative, there shall be no increase or decrease in the minimum wage pursuant to this subdivision on the following January 1.

(3) (A) Notwithstanding the implementation timing described in paragraph (1) of this subdivision, if the rate of change in the averages of the most recent July 1 to June 30, inclusive, period over the preceding July 1 to June 30, inclusive, period for the United States Bureau of Labor Statistics nonseasonally adjusted U.S. CPI-W exceeds 7 percent in the first year that the minimum wage specified in subparagraph (F) of paragraph (1) of subdivision (b) is implemented, the indexing provisions described in paragraph (1) of this subdivision shall be implemented immediately, such that the indexing will be effective on the following January 1.

(B) If the rate of change in the averages of the most recent July 1 to June 30, inclusive, period over the preceding July 1 to June 30, inclusive, period for the United States Bureau of Labor Statistics nonseasonally adjusted U.S. CPI-W exceeds 7 percent in the first year that the minimum wage specified in subparagraph (F) of paragraph (1) of subdivision (b) is implemented, notwithstanding any other law, for employers with 25 or fewer employees the minimum wage shall be set equal to the minimum wage for employers with 26 or more employees, effective on the following January 1, and the minimum wage increase specified in subparagraph (F) of paragraph (2) of subdivision (b) shall be considered to have been implemented for purposes of this subdivision.

(d) (1) On or before July 28, 2017, and on or before every July 28 thereafter until the minimum wage is fifteen dollars (\$15) per hour pursuant to paragraph (1) of subdivision (b), to ensure that economic conditions can support a minimum wage increase, the Director of Finance shall annually make a determination and certify to the Governor and the Legislature whether each of the following conditions is met:

(A) Total nonfarm employment for California, seasonally adjusted, decreased over the three-month period from April to June, inclusive, prior to the July 28 determination. This calculation shall compare seasonally adjusted total nonfarm employment in June to seasonally adjusted total nonfarm employment in March, as reported by the Employment Development Department.

(B) Total nonfarm employment for California, seasonally adjusted, decreased over the six-month period from January to June, inclusive, prior to the July 28 determination. This calculation shall compare seasonally adjusted total nonfarm employment in June to seasonally adjusted total nonfarm employment in December, as reported by the Employment Development Department.

(C) Retail sales and use tax cash receipts from a 3.9375-percent tax rate for the July 1 to June 30, inclusive, period ending one month prior to the July 28 determination is less than retail sales and use tax cash receipts from a 3.9375-percent tax rate for the July 1 to June 30, inclusive, period ending 13 months prior to the July 28 determination. The calculation for the condition specified in this subparagraph shall be made as follows:

(i) The State Board of Equalization shall publish by the 10th of each month on its Internet Web site the total retail sales (sales before adjustments) for the prior month derived from their daily retail sales and use tax reports.

(ii) The State Board of Equalization shall publish by the 10th of each month on its Internet Web site the monthly factor required to convert the prior month's retail sales and use tax total from all tax rates to a retail sales and use tax total from a 3.9375-percent tax rate.

(iii) The Department of Finance shall multiply the monthly total from clause (i) by the monthly factor from clause (ii) for each month.

(iv) The Department of Finance shall sum the monthly totals calculated in clause (iii) to calculate the 12-month July 1 to June 30, inclusive, totals needed for the comparison in this subparagraph.

(2) (A) On or before July 28, 2017, and on or before every July 28 thereafter until the minimum wage is fifteen dollars (\$15) per hour pursuant to paragraph (1) of subdivision (b), to ensure that the state General Fund fiscal condition can support the next scheduled minimum wage increase, the Director of Finance shall annually make a determination and certify to the Governor and the Legislature whether the state General Fund would be in a deficit in the current fiscal year, or in either of the following two fiscal years.

(B) For purposes of this subdivision, deficit is defined as a negative balance in the Special Fund for Economic Uncertainties, as provided for in Section 16418 of the Government Code, that exceeds, in absolute value, 1 percent of total state General Fund revenue and transfers, based on the most recent Department of Finance estimates required by Section 12.5 of Article IV of the California Constitution. For purposes of this subdivision, the estimates shall include the assumption that only the minimum wage increases scheduled for the following calendar year pursuant to subdivision (b) will be implemented.

(3) (A) (i) If, for any year, the condition in either subparagraph (A) or (B) of paragraph (1) is met, and if the condition in subparagraph (C) of paragraph (1) is met, the Governor may, on or before August 1 of that year, notify the Legislature of an initial determination to temporarily suspend the minimum wage increases scheduled pursuant to subdivision (b) for the following year.

(ii) If the Director of Finance certifies under paragraph (2) that the state General Fund would be in a deficit in the current fiscal year, or in either of the following two fiscal years, the Governor may, on or before August 1 of that fiscal year, notify the Legislature of an initial determination to temporarily suspend the minimum wage increases scheduled pursuant to subdivision (b) for the following year.

(B) If the Governor provides notice to the Legislature pursuant to subparagraph (A), the Governor shall, on September 1 of any such year, make a final determination whether to temporarily suspend the minimum wage increases scheduled pursuant to subdivision (b) for the following year. The determination to temporarily suspend the minimum wage increases scheduled pursuant to subdivision (b) for the following year shall be made by proclamation.

(C) The Governor may temporarily suspend scheduled minimum wage increases pursuant to clause (ii) of subparagraph (A) no more than two times.

(D) If the Governor makes a final determination to temporarily suspend the scheduled minimum wage increases pursuant to subdivision (b) for the following year, all dates specified in subdivision (b) that are subsequent to the September 1 final determination date shall be postponed by an additional year.
