WHEREAS, the City's issuance of bonds (such initial City bonds, as well as any City bonds from time to time issued to refund these initial City bonds, the "City Bonds") to fund its contribution obligations hereunder is authorized by applicable Texas law, including the City's Home Rule Charter and the City voters' approval of Proposition 3 at the May 6, 2017 City bond election, and such contribution shall satisfy in full the City's funding obligation for the project identified in Proposition 3 of the City's May 6, 2017 bond election as "San Antonio Botanical Center"; and

NOW THEREFORE, the Parties hereto (the "Parties") severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

I. TERM

1.01 This Agreement shall commence on the later of (a) the effective date of the Authorizing Ordinance or (b) the later of the signatures of the two Parties. The Term shall expire upon the earlier to occur of: (a) final payment by the City of all funding under this Agreement, or (b) termination of this Agreement as otherwise provided herein. The Director of Transportation and Capital Improvements may administratively approve extension of agreement term up to an additional year if deemed necessary by City.

II. GENERAL RESPONSIBILITIES OF GRANTEE

2.01 Provided Grantee receives the funding described in Section V of this Agreement, and subject to the other terms and conditions of this Agreement, including, but not limited to, force majeure provisions, Grantee hereby accepts full responsibility for the performance of all services and activities to complete the Project by November 2019, as described in this Agreement.

2.02 The current budget estimates of the Project are approximately \$10,255,000. Grantee shall provide all necessary funding for the Project beyond the City's commitment of \$5,050,000, minus \$101,000 which shall be retained by the City per Section 5.01, for a total City commitment of \$4,949,000, which will be paid on a reimbursement basis. Grantee shall provide evidence to City that all Project funds needed to complete the Project in addition to the City's committed funds have been secured prior to the receipt of any funding under this Funding Agreement. In the event that the scope of the Project is adjusted downward, the City shall have the option of adjusting its commitment downward accordingly. City is not responsible for any costs over the estimated amount of the Project unless agreed to in writing in the form of an amendment to this Funding Agreement. The City shall fund its commitment hereunder from proceeds derived from its sale of bonds authorized under Proposition 3 of the City's

May 6, 2017 bond election (such City bonds, as well as any City bonds from time to time issued to refund the same, the "City Bonds").

2.03 Unless written notification by Grantee to the contrary is received and approved by City, Grantee's President shall be Grantee's designated representative responsible for the management of this Agreement.

2.04 The Director of Transportation and Capital Improvements (TCI) or designee shall be responsible for the administration of this Agreement on behalf of the City until the completion of the City funded portion of the Project.

2.05 Communications between City and Grantee shall be directed to the designated representatives of each as set forth in paragraphs 2.03 and 2.04 hereinabove.

2.06 Grantee shall provide to City a narrative Scope for the Project, including a background, project summary and timeline, ("Scope") as Exhibit A.

2.07 Grantee shall provide to City its plans and specifications for the Project, including a construction schedule, ("Plans") and such Plans shall be subject to the review and approval of City, acting in its capacity as grantor under this Funding Agreement. After approval by City, the Plans shall be attached and incorporated into this Funding Agreement as Exhibit B and Grantee shall not make any substantial changes to the Plans without the prior written approval of City. The approvals given in this Section do not relieve Grantee of the burden of obtaining all necessary governmental approvals, including those provided by City through its relevant development departments and relevant boards and commissions and the State of Texas Commission on Environmental Quality (Article 9102). Nor does City's approval of the Plans release Grantee of the responsibility for the correction of any mistakes, errors or omissions contained in the Plans, including any mistakes, errors or omissions which may be the result of circumstances unforeseen at the time the Plans were developed or approved.

2.08 Grantee shall provide to City a budget for the Project illustrating where City Bond Funds are to be utilized in accordance with this agreement, as well as illustrating all funding for the entire Project if applicable as Exhibit C.

2.09 City shall have authority to inspect the Project throughout the construction process to ensure compliance with the Scope and Plans and to request copies of construction inspections performed by Grantee and third parties. Grantee shall cause its design professional to provide periodic certifications of construction certifying that construction has been conducted in compliance with the Plans. Grantee shall submit said certification to the Director of TCI or designee at the completion of the Project construction. Grantee shall notify City and City shall have the right to attend all scheduled construction meetings. Grantee shall provide City with a copy of the Certificate of Occupancy upon completion of the Project.

2.10 Beginning on January 31, 2019 and on each succeeding January 31 throughout the Term of the Agreement, Grantee shall provide Director of TCI or designee an annual report ("Annual Report"). The Annual Report shall include the following:

2.10.1 Description of all activities that occurred during the previous calendar year that were available to the general public, including activity dates, estimated attendance, days and hours that the Project improvements are open to the general public, and the rules and regulations for use.

2.10.2 Evidence of insurance coverage, with City as additional insured, as outlined in Section 12 below.

2.10.3 Description of all maintenance activities, including routine capital and any deferred maintenance, for the previous calendar year and planned maintenance activities for the upcoming calendar year.

2.11 Unless written notification by Grantee to the contrary is received and approved by City, Grantee's President shall be Grantee designated representative responsible for the management of this Funding Agreement and the point of contact for City on all matters regarding this Funding Agreement.

III. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

3.01 Grantee warrants and represents that it will comply with all Federal, State and Local laws and regulations and will use all reasonable efforts to ensure said compliance by any and all contractors and subcontractors that may work on the Project.

3.02 To the extent applicable, Grantee agrees to abide by Chapters 252, and 271 of the Texas Local Government Code, and Chapters 2254 and 2267 of the Texas Government Code or other open competitive contracting processes which are advertised to the public in a legal and appropriate manner.

3.03 Plans must conform to Americans with Disabilities Act requirements and must be approved by the Texas Department of Licensing and Regulation before construction may begin. Inspections, compliance, and final approval shall be the responsibility of Grantee.

3.04 Prevailing Wage Rate and Labor Standards

A. The requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," shall apply to this Funding Agreement. Grantee agrees that its construction contractor will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require

subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.

B. In accordance with the provisions of Chapter 2258 and Ordinance No. 2008-11-20-1045, Grantee shall request and City shall provide the appropriate wage determination which Grantee shall include in all advertisements for construction bids. Such wage determination shall include the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform the construction work. The Grantee is required, and shall require its construction contractor and all subcontractors to comply with each updated schedule of the general prevailing rates in effect at the time the Grantee calls for bids for construction of a given phase. The Grantee is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Grantee's general contractor and all subcontractors for construction of each Phase. Grantee is responsible for and shall collect and monitor weekly certified payrolls and perform site visits to ensure the prevailing wage is being paid to all workmen. City will audit certified payroll records as necessary in accordance with this Funding Agreement.

C. Upon audit of the records and certified payrolls under this section, should the City or its auditors find any violations, the Grantee shall cause its Construction Contractor to forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by the Contractor or any subcontractor. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Grantee from its obligation under any federal or state law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Funding Agreement.

3.05 Environmental - Construction shall be in accordance with all Federal, State, and local environmental requirements including all City applicable construction and development regulations.

3.06 Small Business Economic Development Advocacy Program - Grantee shall comply with all Small/Minority and Woman Owned Business Terms and Conditions as attached hereto as **Exhibit D**.

3.07 Compliance with Bond Covenants – The City's commitment hereunder is funded with City Bonds, which are obligations the interest on which is excluded from the gross income calculations of the holders thereof for the purpose of determining income tax liability under applicable federal law. Maintaining the eligibility of the City Bonds for this tax treatment requires the City's compliance with applicable federal tax law and regulations, which includes agreements regarding the use of City Bonds' proceeds and the use and operation of facilities financed with those proceeds. As the expenditure of the City Bonds' proceeds once delivered to the Grantee, and the use and operation of the

completed Project, is under the control of the Grantee, Grantee agrees that it shall not use, or permit the use of, proceeds of the City Bonds, or earnings thereon, or any other amounts or any property, the acquisition, construction, or improvement of which is to be financed directly or indirectly with proceeds of the City Bonds or earnings thereon, in a manner which, if used or permitted to be used, respectively, would cause the interest on City Bonds to be includable in the gross income of the bond owners for federal income tax purposes. In addition, purposes which are not permissible include, but are not limited to religious activities, restaurants, cafes, and retail stores.

3.08 No Boycotting of Israel. Texas Government Code §2270.002 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

By signing this Agreement with the City of San Antonio, Grantee hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the contract. City's hereby relies on Grantee's verification. If found to be false, City may terminate the contract for material breach.

3.09 Prohibition on Contracts with Companies Engaged in Business with Iran, Sudan, or Foreign Terrorist Organization

Texas Government Code §2252.152 provides that a governmental entity may not enter into a governmental contract with a company that is identified on a list prepared and maintained under Texas Government Code §§2270.0201 or 2252.153. Consultant hereby certifies that it is not identified on such a list and that it will notify City should it be placed on such a list while under contract with City. City hereby relies on Consultant's certification. If found to be false, or if Consultant is identified on such list during the course of its contract with City, City may terminate this Agreement for material breach.

IV. OWNERSHIP, USE OPERATIONS

4.01 Grantee hereby acknowledges that it will construct the Project in a manner consistent with use by the general public. Grantee hereby agrees that the operating hours of the facility will facilitate frequent use by the general public and that the scheduling of use, rules and regulations, and other operational practices will not unreasonably limit access by the general public to use and enjoy the Project improvements. Further, Grantee shall not employ, nor allow others to employ, discriminatory practices in the use of the Project improvements. Grantee hereby agrees that the programs and use described herein will continue for the Term of this Funding Agreement.

Grantee shall satisfy this obligation by assuring that, for the duration immediately herein before specified, the parks, recreation & open space improvements services provided at the Project, once completed, as a ratio of all services provided at the completed Project, shall be at least proportionate to the percentage of the total Project cost funded by the City (assuming a City contribution of \$4,949,000 and an overall Project cost of \$10,255,000).

V. FUNDING AND ASSISTANCE BY CITY

5.01 City shall reimburse Grantee for all eligible expenses incurred hereunder. Notwithstanding any other provisions of this Agreement, the total of all payments and other obligations made or incurred by City hereunder shall not exceed the sum of \$4,949,000.

The City funding provided under this Funding Agreement may only be used for the portions of the Project which are dedicated to public use/public purpose. No City funds may be used for Grantee's personal office space or other non-public aspects of the Project

12.03 Grantee's financial integrity is of interest to the City; therefore, subject to Grantee's right to maintain reasonable deductibles in such amounts as are approved by the City, Grantee shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Grantee's sole expense, insurance coverage written on an occurrence basis, unless otherwise indicated, by companies authorized to do business in the State of Texas and with an A.M. 12.07 Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Grantee shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Grantee's performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

12.08 In addition to any other remedies the City may have upon Grantee's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Grantee to stop work hereunder, and/or withhold any payment(s) which become due to Grantee hereunder until Grantee demonstrates compliance with the requirements hereof.

12.09 Nothing herein contained shall be construed as limiting in any way the extent to which Grantee may be held responsible for payments of damages to persons or property resulting from Grantee's or its subcontractors' performance of the work covered under this Agreement.

12.10 It is agreed that Grantee's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

12.11 It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

12.12 Grantee and any Subcontractors are responsible for all damage to their own equipment and/or property.

12.13 Grantee shall ensure that its general contractor complies with Texas Government Code Chapter 2253 provisions regarding performance and payment bonds on certain Public Works contracts (copies of required bonds must be provided to City prior to the start of construction).

XIII. NONDISCRIMINATION

13.01 As a party to this contract, Grantee understands and agrees to comply with the *Non-Discrimination Policy* of the City of San Antonio contained in Chapter 2, Article X of the City Code and further, shall not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein.

XIV. CONFLICT OF INTEREST

14.01 Grantee covenants that neither it nor any member of its governing body or of its staff presently has any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Grantee further covenants that in the performance of this Agreement, no persons having such interest shall be employed or appointed as a member of its governing body or of its staff.

14.02 Grantee further covenants that no member of its governing body or of its staff shall possess any interest in, or use their position for, a purpose that is or gives the appearance of being motivated by desire for private gain for themselves or others, particularly those with which they have family, business, or other ties.

14.03 No member of City's governing body or of its staff who exercises any function or responsibility in the review or approval of the undertaking or carrying out of this Agreement shall:

- (A) Participate in any decision relating to this Agreement which may affect his or her personal interest or the interest of any corporation, partnership, or association in which he or she has a direct or indirect interest;
- (B) Have any direct or indirect interest in this Agreement or the proceeds thereof.

XV. POLITICAL ACTIVITY

15.01 None of the activities performed hereunder shall involve, and no portion of the funds received hereunder shall be used, either directly or indirectly, for any political activity including, but not limited to, an activity to further the election or defeat of any candidate for public office or for any activity undertaken to influence the passage, defeat or final content of local, state or federal legislation.

XVI. RIGHTS TO PROPOSAL AND CONTRACTUAL MATERIAL

16.01 All finished or unfinished reports, documents, data, studies, surveys, charts, drawings, maps, models, photographs, designs, plans, schedules, or other appended documentation to any proposal or contract, and any responses, inquiries, correspondence and related material submitted by Grantee, shall, upon receipt, become the property of City (provided that the Grantee shall be entitled to maintain copies of all of the foregoing materials).

XVII. CONTRACTING

17.01 Any work or services contracted hereunder shall be contracted only by written contract or agreement and, unless specific waiver is granted in writing by City, shall be subject by its terms to each and every provision of this Agreement. Compliance by contractors with this Agreement shall be the responsibility of Grantee. Grantee is responsible to ensure that all local, state and federal permits and approvals required for the activities under this Agreement are obtained.

17.02 City shall in no event be obligated to any third party, including any sub-contractor of Grantee, for performance of or payment for work or services.

XVIII. CHANGES AND AMENDMENTS

18.01 Except when the terms of this Agreement expressly provide otherwise, any alterations, additions, or deletions to the terms hereof shall only be by amendment in writing executed by both City and Grantee under authority granted by formal action of the Parties' respective governing bodies.

18.02 It is understood and agreed by the Parties hereto that changes in local, state and federal rules, regulations or laws applicable hereto may occur during the term of this Agreement and that any such changes shall be automatically incorporated into this Agreement without written amendment hereto, and shall become a part hereof as of the effective date of the rule, regulation or law.

XIX. ASSIGNMENTS

19.01 Grantee shall not transfer, pledge or otherwise assign this Agreement, any interest in and to same, or any claim arising thereunder, without first procuring the written approval of City, which approval shall not be unreasonably withheld or delayed after construction of the Project is completed. Any attempt at transfer, pledge or other assignment shall be void *ab initio* and shall confer no rights upon any third person.

XX. SEVERABILITY OF PROVISIONS

20.01 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the Parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the Parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

XXI. NON-WAIVER OF PERFORMANCE

21.01 No waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either Party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged.

21.02 No act or omission of either Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to either Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

21.03 No representative or agent of City may waive the effect of the provisions of this Article without formal action from the City Council.

If Grantee fails to timely cure such default, City may pursue all remedies available in law or at equity and/or other rights City may have in this Agreement; provided that it is expressly agreed that neither Party hereto shall have the right to seek consequential or punitive damages against the other for any default under this Agreement.

29.02 In no event shall this Agreement or City's use of the Leased Premises be terminated prior to the final payment or discharge of the City Bonds. As long as City Bonds have not been paid, the City's failure to perform any required actions under this Agreement shall give rise to Grantee's right, upon 60 days written notice to City, to undertake to perform any such actions and to receive reimbursement from City for the cost of performing such actions. After the City Bonds have been finally paid, any breach or violation by City to this Agreement of the provisions herein contained shall give rise immediately to the right on the part of Grantee, at its option, upon thirty (30) days' written notice to City, unless such breach or violation is cured prior to the expiration of the notice period, to cancel this Agreement or to seek any remedy which now is or may be provided by law, whether or not stated herein. SCOPE

The project involves improvements to the San Antonio Botanical Center, in line with the Master Plan. The overall improvements of this agreement include:

Woodland Landscape
Sensory Garden
Event Center Service Yard
Event Lawn
Education and Event Center
Administration Building Sitework

City Bond funds will be used for the Event Lawn, as well as the Education and Event Center. The scope of work for these improvements consists of the following:

The Event Lawn will be a green space for performing arts, exhibits, picnics and special events. An oval pathway will frame the lawn making connections to new and existing garden destinations including the Education and Event Center to the west, the Sensory Garden and Kumamoto En Japanese Garden to the south, a new trailhead to the northeast and the iconic Wisteria Arbor to the north. To the east, the Fountain of the Ferns will help cool the area while adding the gentle sounds of cascading water to the area. The fountain will become the backdrop to the lawn and will be visible from the Education and Event Center in the west. Movable furniture will accent the green, providing flexibility for visitors looking to relax under the shade of the existing mature oaks.

With nearly 9,000 square feet of convening space, the multi-purpose Education and Event Center will expand education and hospitality efforts. The Center underscores the Garden's commitment to education, science, horticulture, community, culture, recreation, and conservation, and has been carefully planned to maximize the Garden's impact to the community. Learning opportunities in the Center will encourage Garden visitors to expand their knowledge of the importance of plants. Speakers, seminars, and displays will allow visitors build upon their knowledge of the environment.

SBEDA ORDINANCE COMPLIANCE PROVISIONS AND COMMITMENT FORM

A. Contract Requirements and Commitment

Grantee understands and agrees the following provisions shall be requirements of this Funding Agreement and Grantee, in acknowledging these requirements, commits to comply with these provisions.

Waiver Request - Grantee may request, for good cause, a full or partial Waiver of **specified subcontracting goal(s)** by submitting the *Respondent/ Vendor Subcontracting Waiver Request* form (available at <http://www.sanantonio.gov/SBO/Forms.aspx>). Grantee's Waiver request fully must document Consultant, Sub-Consultant, Contractor, Subcontractor and/or Supplier unavailability despite Grantee's good faith efforts to comply with the goal. Such documentation shall include all good faith efforts made by Grantee including, but not limited to, which Consultants, Sub-Consultants, Contractors, Subcontractors and/or Suppliers were contacted (with phone numbers, e-mail addresses and mailing addresses, as applicable) and the method of contact.

B. SBEDA Program

City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on City's Economic Development (hereafter referred to as "EDD") website page and also is available in hard copy form upon request to City. The SBEDA Ordinance Compliance Provisions contained in this Exhibit D are governed by the terms of said Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by City, pursuant to said Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual in effect as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this Exhibit D shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

C. Definitions

Affirmative Procurement Initiatives (hereafter referred to as "API") – refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (hereafter referred to as "S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater prime contract and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting

goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance).

Centralized Vendor Registration System (hereafter referred to as “CVR”) – refers to a mandatory electronic system wherein City requires all prospective Consultants, Sub-Consultants, Contractors and Subcontractors ready, willing and able to sell goods or services to City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices and for receiving payments from City. The CVR-assigned identifiers also are used by City’s Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE (as defined herein) firms by Industry or commodity codes and for establishing annual aspirational Goals and contract-by-contract Subcontracting Goals.

Certification or “Certified” – refers to the process by which City’s Small Business Office (hereafter referred to as “SBO”) staff determines a firm to be a bona-fide small, minority-, women-owned or emerging small business enterprise. Emerging Small Business Enterprises (hereafter referred to as “ESBEs”) automatically are eligible for Certification as SBEs. Any firm may apply for multiple Certifications covering each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm that is certified by local government entities and/or other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Commercially Useful Function – means a S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm also must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it actually is performing, the S/M/WBE credit claimed for its performance of the work and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation when, in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by Grantee to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by City as fraudulent, if Grantee attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As

such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, Grantee shall not be given credit for the participation of its S/M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers or joint venture partner towards attainment of S/M/WBE utilization goals, and Grantee and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Good Faith Efforts – means the documentation of Grantee's intent to comply with S/M/WBE Program Goals and procedures including, but are not limited to, the following:

(1) documentation reflecting Grantee's commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or

(2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office's directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes, to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Consultant's posting of a bond covering the work of SBE or M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by Grantee and the solicitation; and documentation of consultations with trade associations and Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers representing the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and/or Suppliers). The appropriate form and content of Grantee's Good Faith Efforts documentation shall be in accordance with the SBEDA Ordinance as interpreted in the SBEDA Policy & Procedure Manual.

HUBZone Firm – means a business certified by the U.S. Small Business Administration for participation in the federal HUBZone Program, as established under the 1997 Small Business Reauthorization Act. To qualify as a HUBZone firm, a small business must meet all of the following criteria:

- (1) The business is owned and Controlled by U.S. citizens;
- (2) At least thirty five percent (35%) of the business's employees must reside in a HUBZone; and
- (3) The business's Principal Place of Business must be located in a HUBZone within the San Antonio Metropolitan Statistical Area. [See 13 C.F.R. 126.200 (1999).]

Independently Owned and Operated – means the ownership of an SBE firm must be direct, independent and by Individuals only. Ownership of an M/WBE firm may be by Individuals and/or by other businesses provided the ownership interests in the M/WBE firm can satisfy the M/WBE eligibility requirements for ownership and Control as specified herein in Section III.E.6. The M/WBE firm must also be Independently Owned and Operated in the sense that it cannot be the subsidiary of another firm that does not itself (and in combination with the certified M/WBE firm) satisfy the eligibility requirements for M/WBE Certification.

Individual – means an adult person that is of legal majority age.

Industry Categories – means procurement groupings for City inclusive of Construction, Architectural & Engineering (A&E), Professional Services, Other Services and Goods and Supplies (i.e., manufacturing, wholesale and retail distribution of commodities). This term sometimes may be referred to as “business categories.”

Minority/Women Business Enterprise (hereafter referred to as “M/WBE”) – refers to a firm certified as a Small Business Enterprise and also is certified as either a Minority Business Enterprise or as a Women Business Enterprise, is at least fifty-one percent (51%) owned, managed and controlled by one or more Minority Group Members and/or women and is ready, willing and able to sell goods or services to be purchased by City.

M/WBE Directory – refers to a listing of minority- and women-owned businesses certified for participation in City’s M/WBE Program APIs.

To qualify as a MBE, the enterprise shall meet the Significant Business Presence requirement defined herein. Unless otherwise stated, the term MBE, as used in City’s Ordinance, is not inclusive of women-owned business enterprises.

Minority Group Members – refers to African-Americans, Hispanic Americans, Asian Americans and Native Americans legally residing in or that are citizens of the United States or its territories, as defined below:

African-Americans: Persons having origins in any of the black racial groups of Africa as well as those identified as Jamaican, Trinidadian, or West Indian.

Hispanic-Americans: Persons of Mexican, Puerto Rican, Cuban, Spanish or Central and South American origin.

Asian-Americans: Persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent or the Pacific Islands.
