2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

Medicaid 1115 TB Waiver grant purchases for T-Spot TB test kits and ancillary support supplies have continued to increase as the program matures to cover more at-risk populations. The ceiling for purchases from Oxford Immunotec must be raised to keep pace with the increased demand for testing. The new term reflected below is for 3 years with 2 optional renewal years.
